Macrame Workshop

During the second week of the school holidays (13th - 17th July), the Shark Bay CRC will be facilitating a macrame workshop. Participants will be invited to come along and learn how to make their own hanging pot plant holder at a cost of \$25 per person. Limited spaces are available and dates are to be confirmed, so register your interest at the CRC to be kept informed.

Pop up Shop

Just a friendly reminder that the CRC continues to offer a Pop up Shop space for locals interested in selling some of their hand made merchandise. For a small commission, we will display and sell your item all year round. We also sell merchandise for our local clubs including the Fishing Club and Speedway shirts, stubby holders, beanies etc as well as first aid kits provided by St John's Ambulance.

Far Western

The 33rd Far Western Speedway Championship is almost here and the Shark Bay Speedway Club is well underway to ensuring they host yet another fantastic show of racing and adrenaline for our community. To date over 90 drivers have nominated to compete, which is a fantastic turn out indicating several hundred people alone will be in our community just to compete and assist crews with their racing at the Blue Ribbed event.

Due to the number of new star junior drivers nominating, a category titled Little Stars has been created to feature racing through out the day. This category will showcase the racing skills of the Club's beginner drivers and includes Rory Reynolds debuting on the track. The majority of these kids are aged between 10 and 11 and have only just mastered driving a manual car. Other racing divisions featuring will include New Stars Juniors, Top Stars Juniors, Super Mods, Modified Sedans, Production Sedans, Street Stocks, Wingless Sprints and everyone's favourite the Sprint Cars.

This is the first Blue Ribbon event to commence in Western Australia since the COVID 19 pandemic, with drivers and racing enthusiast itching to get back out racing now restrictions have been lifted. Shark Bay was actually the first Speedway Club

in Australia to commence racing again, with the first event run back on the 13th June. Think of the money these type of events, including the annual Fishing Fiesta, Barefoot Blacktie, Winter Markets etc bring to our town!

The Club has been busy making improvements around the track, grounds and administration to ensure they maintain their compliance with all safety regulations and requirements. Since Far Western in 2019, the track has been made wider, as new concrete wall panels are continuing to be installed. The Club now plans to work towards upgrading the grader as well as installing more female toilets.

A big array of sponsors have jumped on board to assist this year and the Club wishes to thank them all. The Shire of Shark Bay is always a major sponsor and donates towards the running of our grounds and events, as well as Oakley Earthworks, so cheers to them! \$250 has secured sponsorship of a race discipline at this years Far Western at to date sponsors include;

Denham IGA Xpress

Outback Coast Automotives

Shark Bay Aviation

Shark Bay Hotel

It's not to late if you want to assist the Club by sponsoring a whole race division. Just get in touch with the Club secretary Sue at sharkbayspeedwayclub@outlook.com

Entry prices on the day are;

Adults - \$25

Concessions - \$20

Children - \$10 (school aged)

Family - \$60 (2 adults + 2 kids)

Please note this is a cash only event which is run solely by volunteers. The venue has a liquor licence so please no byo and drink only in the licence area.

Everyone is looking forward to some great racing, so get on board and support our local Speedway Club.

Corona Virus Restrictions Reduced

With the lifting of, and/or reduction in, Covid-19 restrictions across most of the regions in WA from 25 May, Shark Bay has experienced a substantial influx of visitors during the past three weeks or so despite the WA 'hard border' still being in place. The proactive approach by the Shire and Discovery Centre staff for many weeks prior to the intrastate borders opening, has resulted in accommodation across the Bay being fully booked out for the July school holidays and local businesses reporting some economic relief and returning cash flows.

Shire Facilities Re-open

The majority of the Shire's facilities have now re-opened and can again be utilised by the public – provided Covid-19 plans are in place and social distancing and hygiene regimes are being followed. You can keep up-to-date on the re-opening of facilities and locate available resources on the Shire's Facebook page and via SMS text messages or visit the www.sharkbay.wa.gov.au website. Contact the Shire staff to register for the SMS service.

Shark Bay Community Response

As we haven't directly experienced the virus in Shark Bay, it's easy to become complacent about following the rules and regulations associated with avoiding contracting it. However, please keep up the amazing job you've all done to keep the Bay Covid-free with regular hand washing and observing social distancing where possible.

Sorrow and Loss

Tragically, five of our local Shark Bay legends have passed away in the last three months. Dave Naldrett, May Poland, Joe Borisoff, Jimmy Poland and John Sellenger, made lasting contributions to the Shark Bay community over many years and we are blessed to have known them.

On behalf of the Shire Council and the local community, I extend my heartfelt sympathy and condolences to all family and friends of those who have now left us. Words fall short for expressing our sorrow at the loss of them. Gone from our sight, but not from our hearts.

Bin Stickers

The Shire of Shark Bay congratulates local residents Pippa Francis, Laylah Garner and Natt Dul who designed the winning bin stickers in our local art competition.

The Keep Australia Beautiful WA, Tidy Towns Sustainable Communities together with sponsorship from Natsales offered an opportunity for small remote and regional towns in Western Australia to take part in a bin art initiative. The Shire of Shark Bay embraced the opportunity and facilitated a local art competition for bin sticker designs that promoted the positive message 'put it in the bin'.

The project was enthusiastically undertaken by Shark Bay community members as an activity to do at home during COVID-19. Eight creative designs were received from a variety of age groups. The Shark Bay Council selected three winning designs and those stickers are now proudly installed on the Shire's public bins.

For a limited time only, we are providing an opportunity for Shark Bay residents to purchase a sticker for your residential bin. To register your interest, please contact the Shire's Community Development Officer on 9948 1218 or email cdo@sharkbay.wa.gov.au.

Ten Take Home Parenting Tips

1. Give space and time for brain development

- Toddlers and young children are easily frustrated, and at times tantrum. This is, in part, because their brains are still developing the **skill** of self-regulation. They need to practice this skill to learn it.
- The more practice children get, the more their self-regulation develops and matures, and in turn, the more the child becomes able to manage their own emotions in the face of limits.

Ten Take Home Parenting Tips

2. Help children to learn about their emotions

- A fun way to help kids learn about their emotions is through
 - Expressing our emotions
 - Coaching them through theirs
 - Story telling
 - Reading books
 - Observations
- Remember, difficult behaviour often starts with an emotion that the child can't manage, YET!
- Parents need to help soothe these emotions using empathy and acknowledgement of the emotions rather than dismissing or minimizing them.

MENTAL HEALTH

Seeking support

Looking after your mental health and wellbeing is just as important as looking after your physical health, even when you are in self isolation.

It's normal and understandable to feel concerned about the Coronavirus (COVID-19). Speaking with friends or family to let them know how you feel can help, and they might also appreciate talking to you about how they feel.

There are also many digital mental health services that you can access online or contact over the phone.

*Extracts from his Partner's farewell Tribute to Joe
(Josiah) Borisoff - Born Perth 1929-2020*

Most of Joe's relatives and friends who sent me their condolences, remember him as I do:

"A good honest man with a wicked sense of humour and spontaneous murderous wit, who loved to talk."

Joe was a chocolate addict and dare I say a non chocolate sharer.

He loved to talk and as observed by his niece, Jodie, suffered from FOMO (Fear Of Missing Out). Be assured Joe was always in the mix of things with family and friends.

Joe was a man of dignity who will be missed by all who knew him. Joe will be remembered with smiles and stories that make you laugh.

To me he was the wind beneath my wings.

Thank you to everyone in the Bay for their support.

Fay Castling

Joe Borisoff

With Sympathy

We would like to express our heartfelt condolences on the loss of our dear friend Joe.

He will always be remembered by us (and by many) for his infectious smile, his wicked sense of humour, his love of chocolate, and willingness to participate in our friendly gatherings.

He will be missed by many, specially in the later years, cruising the street on his gofer.

We will miss him, always, forget him, never!

Those who live in hearts they leave behind never die.

With all our love and fondest memories!

Patricia & Derek

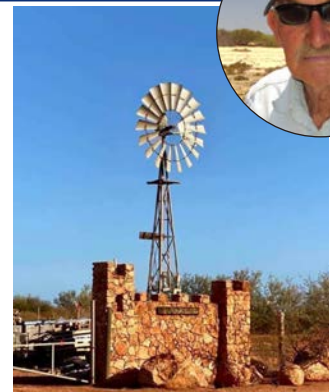

John Sellenger

John was a true gentleman always, an amazing man. He will be remembered by all. We send sincere condolences to The Sellenger family.

Our thoughts love and prayers are with all.

He will be greatly miss, but never forgotten.

Jimmy Poland

Rip Jimmy great to have met you and your unforgettable laugh

RIP JIM POLAND- Local fisherman and a quiet good man... condolence to all family

A man who touched the hearts of so many people, highly respected and loved, R.I.P old friend

JIMMY THANKS FOR THE MEMORIES YOU LEFT TO YOUR FAMILY AND FRIENDS

Though our words can do little, We hope our thoughts and prayers will support you at this time.

Lots of activity

Now that the Shed is back to normal capacity, there has been lots happening and lots still to come in the future weeks.

Sadly at our recent meeting we accepted the resignation of acting President Bill Ross. Bill and Jocelyn are heading for a well-deserved semi-retirement in Geraldton. Bill has been an active member of the Shed since arriving in Denham three years ago and firmly believes in the need for a place for men to get together. Bill was on the Steering Committee which established the Shed and took over as Acting President late last year. The Shed team thank Bill for his hard work and positive approach to men's health issues and wish him and Jocelyn a long and happy 'semi-retirement'.

The Annual general Meeting of the Shed is scheduled for Monday August 17 at the Bowls Club at 5pm. More on this closer to the time BUT there will be nibbles and light refreshments following the Meeting. At the meeting all Executive positions will be declared vacant and it is clear that we will be looking for a new President and a new Secretary as I will be returning to Queensland a few days after the AGM. There is a phrase something like 'Now is the time for all good men to come to the aid of the Shed.'

At present there has been no forward progress on our application

for funding for a new Shed due to the impact of Covid 19. However discussions are continuing with the War On waste team in the expectation that some time in the new year there will be the possibility of a shared premises in Hughes Street.

POP-UP Bicycle Shop

Watch our local web pages for full details of our planned 'pop-up bicycle shop' coming on Monday July 6 between 8am and 10am. The shop will be in the forecourt of the Discovery Centre.

Why a pop-up shop? As Carlos said recently 'We are being overrun by bicycles' and he is right. Our collection network now extends as far south as the Recycle Shop at the Geraldton tip where a recent visit resulted in an offer of bicycles whenever someone is passing through with a trailer. I never thought you could fit three bicycles in a Cruze BUT you can.

The Shed team has been working on repurposing bicycles either discarded or donated for some time and has an extensive set of smaller bicycles available. Price is \$25 each not only as a fund raiser for the Shed but to cover costs when we have to purchase items such as tubes. It is quite an interesting exercise to mix and match bicycle parts and so far very few bicycles have been returned to the tip for metal recycling.

If you don't have a helmet, you need to know that bicycle helmets are on special at Shark Bay Fuel.

Help support this major Men's Shed activity.

Eventually, if unsold, bicycles will make their way to the Geraldton hub of the group 'Bicycles for Humanity'.

CU at the Shed Mondays 10am – 12 noon. Contact is by email sbcmenshed@hotmail.com or check our Facebook page – Shark bay Community Men's Shed or visit us on the corner of Poland and Capewell Mondays 10-12.

sbcmenshed@hotmail.com or call and leave a message at 0490 371 775.

Drop in and see us on a Monday morning or if you see one of us around town, bail us up. At present we have a number of jobs in hand, mainly furniture and painting related but we are always looking for more.

Secretary*

St Andrew's by the Sea

Au Revoir

It is with mixed

feelings that we leave Denham today after 3 years at the Shellblock Church. Who could not like living in Shark Bay with its pristine scenes & views, fun places to visit plus all the recreation & community interest opportunities? Not to mention all you people who live here, & those many others who visit from all over the world.

We have enjoyed having time to be involved in community activities, & to serve in ways outside the church. It has let us meet & get to know many of you. Thankyou for your welcome & acceptance of us.

We haven't 'filled the church' as much as we would like, though the congregation did grow. But I believe the place of the little Shellblock church in the town has been restored, & a good measure of unity among Christians can be seen. I pray that will continue & grow in the days to come. It will be up to those who remain here.

The mixed feelings come from the fact that we are leaving without a replacement minister at the church. We stayed on in hope, but no one has been put up their hand yet. The rectory will likely be vacant till the end of the year.

The Covid-19 church shut down taught us some new ways of 'doing' church, which will now be of benefit into the future.

Sunday Services & weekday Bible Study will continue at St Andrew's by the Sea, live-streamed by the Rev David Day from the Anglican Church in Kalbarri.

David will visit Denham each month to conduct a live Service (which will be live-streamed back to Kalbarri), & provide pastoral care & encouragement to the members here, & maintain community contact.

The church will be open every day, for residents to use for peace & prayer & for visitors to inspect. There are free Bible & literature available in the porch.

I would like to leave you with Jesus Christ's parting words to his friends: "Don't let my leaving get you down. Trust in God, and

trust also in me. There is more than enough room in my Father's home. If there wasn't, would I have told you that I am going to prepare a place for you? When everything is ready, I will come and get you, so that you will always be with me where I am. And you know the way to where I am going."

"No, we don't, Lord," Thomas said. Jesus replied, "I am the way, the truth, and the life. No one can come to the Father except through me."

There is more to life than this world holds. Seek it out for yourself.

Now we head to our home in Geraldton. Au revoir. We will appreciate being closer to our children & grandchildren in Perth & Geraldton, which we have missed during a formative time of their lives. As well we have both been given part time roles in research & archives in the Bishop's office, to cash in on our 50 years of experience in the North West. So we won't be idle for a while yet.

Meanwhile in the Meeting room...
 AIMS Awareness Training with Tim

Several members missed out participating with the brainstorming of the hut as they were busy doing their AIMS course with Tim. This course informs members on the structure of the Organization and the chain of command for reporting. Well done to all as they are now assessed as competent.

Now Barefoot bowls has recommenced we haven't done well. BUT, we are all having fun and enjoying the social interaction.

If you are considering joining our unit, we meet and train the first 3 Monday's of the month starting at 5pm. The unit is based on the corner of Durlacher and Dampier Road. Or you can ring our Unit Leader "Joe" on 0419 902 895

Well here we are, half the year has gone by with lots of changes that we have all had to adapt to. Even within SES changes have happened and I congratulate all our members abiding with those changes.

The comradeship and morale within the unit is fantastic and we all welcome our units newest member "Katie". She will be a great asset to us. Not only can she entertain us, she gets in, does what's asked for and challenges the rest of us. Welcome aboard Katie.

During June we were given the challenge by our District Officer Tim Dalwood to build a safe hut that must be of a certain size, have a window and a door, four walls and a roof. But the crucial part was, it must be dismantlable. That way it can be transported to different areas for different scenarios. It was up to our members to unite together and work as a team. Doing this enforces a major skill that we all must follow "Teamwork". Our hut nicknamed "The Cubby House" is so far looking great. Three walls have been constructed and timber has been cut for the remaining sections. Another skill used is using power tools safely. George is a whizz at the circular saw, Terry, Bryan and Shaun are having fun with a nail gun, while the girls are experimenting with the different types of drills. Everyone is having fun and having input with their ideas.

Once the hut is completed it will be used in USAR's (urban search and rescue) continuous training. Not only here but throughout the Midwest/ Gascoyne SES district.

CRITICAL REMINDER

To ALL RESIDENTS and VISITORS
For any life threatening emergencies or serious crime/incidents the number to call is 000

In Shark Bay many people have a tendency to call the local agency direct or private phone numbers of volunteers when requiring urgent assistance. Please be aware, this does not make response faster, in fact it delays the response time of emergency services as a response team can not be dispatched until the central command centre has directed them to do so. So call 000, response will be faster.

When calling 000, it is also important to remember that the operator will ask you the following questions, which will aid them in assisting you as fast and efficiently as possible.

EMERGENCY,
life threatening,
call out for helps!

Phase 4 of eased restrictions will take effect in WA on **Saturday 27 June**

Limits removed for all gatherings
 Note: the 2sqm per person capacity rule remains in place

Food and drink service for standing patrons will be permitted

Gyms will be able to be open without staff present

Unseated performances permitted at venues including concert halls, and live music venues

Major events can occur in line with remaining restrictions
 50% capacity rule applies for Optus Stadium, HBF Park & RAC Arena

5 Phase 5 is expected to start on 18 July. It will remove remaining State restrictions except WA's hard border with the eastern states and travel to remote Aboriginal communities

Please continue to exercise physical distancing and healthy hygiene

It has been 16 days since Phase 3 came into effect here in WA and Western Australians have once again been outstanding.

People have enjoyed the new freedoms, supported local businesses and continued to listen to health advice around physical distancing and good personal hygiene.

Thanks to our relaxed restrictions, WA is already the most economically free and active State in Australia.

And today I can announce that as of this Saturday, those restrictions will be easing even further.

In line with expert health advice, Phase 4 will commence this Saturday 27 June.

It will allow even more activities to recommence in WA, and continue to make our State the envy of the nation, and the world.

But before I outline those changes, it's important to acknowledge that our hard border has been in place unashamedly to protect the health and well-being of Western Australians.

It has allowed us to confidently

ease restrictions more than any other State and open up our local economy.

Having to reimpose restrictions in WA would be absolutely catastrophic.

I won't undo the good work of all Western Australians and rush to open the border against our health advice.

As part of Phase 4, from Saturday, the follow changes will

occur:

- All existing gathering limits and the 100/300 rule will be removed. Gathering limits will only be determined by WA's reduced 2sqm capacity rule;
- The 2sqm rule will include staff only at venues that hold more than 500 patrons;
- Removal of seated service requirements at food businesses and licensed premises, meaning Western Australians can once again enjoy a beer while standing at a pub or bar;
- No requirement to maintain patron register at food businesses and licensed premises;
- All events will be permitted except for large scale, multi-stage music festivals;
- Unseated performances will be permitted at venues such as concert halls, live music venues, bars and pubs;
- Gyms can operate unstaffed, but regular cleaning must be maintained; and
- The casino gaming floor reopening under agreed

temporary restrictions.

For WA's major sport and entertainment venues, a 50% capacity rule will apply. Therefore, under Phase 4 the temporary capacity of Optus Stadium will be 30,633 for sport events (35,000 for concerts), HBF Park can hold 10,150 (16,500 for concerts), RAC Arena can hold 7,150 (8,250 for concerts).

Today we've also outlined Phase 5 of easing restrictions - which is expected to take effect on Saturday 18 July.

Phase 5 will include removing ALL State restrictions except for the hard border with the eastern states and travel restrictions for remote Aboriginal communities.

That will include the removal of the 2sqm rule and the 50% capacity rule for our major venues.

This will be a significant moment for our State.

Phase 4 is another giant step for WA – we're confident it's the right step, at the right time.

However, Western Australians must continue to keep up physical distancing where possible and good personal hygiene to better protect themselves and the general health of our community.

We need to remain vigilant. We must take nothing for granted.

We need to all understand that if you are unwell, don't try be a hero and still go to work. It's simply not worth it.

Because if we have an uncontrolled outbreak, we will have to place restrictions back on.

And I cannot be clearer on this – I don't want to even contemplate that scenario.

Do you have Country Ambulance Cover?

St John Ambulance St John Shark Bay Sub Centre

Should you need ambulance transport, even a short ride could cost you hundreds of dollars! Unfortunately, the cost of ambulance services is not covered by Medicare, Healthcare Card, Pharmaceutical or Pensioner Benefit Card holders.

Annual Memberships are available for \$74 for Single(*) and \$123 for Family.

Your membership directly supports the local ambulance service and helps to provide these vital ambulance services in your local community.

By taking our St John Country Ambulance Cover you also assist with the delivery of first aid services in your local area including:

- regular community first aid courses
- ready access to first aid kits and supplies
- first aid posts at local fairs, sports and events.

Country Ambulance Cover is a small price to pay for the invaluable services you'll be supporting.

Contact us for your application, email saintjohns1@bigpond.com or visit our office 100 Durlacher St Denham Wednesday & Thursday 10am-2pm

(*) This amounts to a little more than \$1.42 per week for a single or 20 cents per day.
