Executive Officer's Report

The Shark Bay Community Resource Centre will be returning to normal operating hours, 9am – 4pm as of Monday 4th May 2020. We thank everyone for their adjustment to our temporary opening times and welcome your return back to the CRC to utilise our facilities, knowledge and activities. Our Centre has received numerous calls recently regards when the Recreation Centre will be open again, however unfortunately this facility remains closed, a directive from State & Federal Government. The Shire has addressed this in their notices should you require further information or clarification.

WALKING GROUP

If your struggling to find the motivation to get out of your house and exercise on your own, then consider participating in our 5pm Tuesday Walking Group. This group of individuals meets at the CRC each Tuesday and sets off on a leisurely walk around Denham. Your welcome to bring along your or a friends dog to join us. No pressure, it's just a chance to socialise and exercise.

FISHING

We were delighted and excited by the Premier's announcement over the long weekend that recfishing is now a supported recreational activity once again back in WA. That means so long as we all practise social distancing and good common sense behaviours at the boat ramp, we can all go and wet a line again with the Government's full support. Just keep in mind social distancing needs to be maintained even on a boat unless with members of your household. That's 1.5m apart or one person per 4m² so think about how that might work on your boat and continue to avoid crowding at our local jetties especially when squidding at night time.

This is great news for the wider community as a whole with fishing providing a much-needed break and a good boost for people's well-being at this challenging time. It's also a good opportunity to check in on your fishing mates now that permitted gatherings have been increased from two people

up to 10 - as we all know how important time on the water and a good conversation can be for mental health. And of course, for those doing it tough financially, as many West Aussies are now, fishing provides the opportunity to put a healthy meal on the table as well.

LOTTERYWEST COVID-19 RELIEF FUND – NOW OPEN

A new funding program delivered in partnership between Lotterywest, Department of Local Government, Sport and Cultural Industries, and VenuesWest has recently been announced with 2 specific programs relevant to the Sport & Recreation Industry:

1. Event Cancellation Relief for Arts, Sports and Community Groups

Funding will be available for not-for-profit arts, sports and community organisations that are experiencing financial hardship as a result of events cancelled due to COVID 19. This program will consider cancellation costs and incurred and/or committed costs related to events cancelled between 16 March 2020 and 15 September 2020. Arts, culture and community organisations can also seek support relating to actual and/or anticipated revenue that is necessary to deliver services or programs.

Applications will need to demonstrate that the cancellation of an event has resulted in financial hardship that may affect your organisation's ability to support the WA community with future activities.

2. Resilient Arts, Sports and Community Groups

Funding will be available for not-for-profit arts, sports and community organisations across the State to maintain staff, pivot operations, collaborate, develop new ways of working, innovate, maintain viability and build resilience as appropriate for future recovery. The program will contribute towards ensuring that eligible

organisations are able to continue delivering benefit for the Western Australian community during the State of Emergency.

The following link will provide further detail on each of the funding programs available - www.lotterywest.wa.gov.au/lotteryw.../covid-19/covid-19-grants.

Applications for both of these programs will open from Friday 24 April and close midnight Wednesday 13 May. It is imperative that any prospective applicants call Lotterywest in the first instance to register an expression of interest. Once registered, clubs and associations are encouraged to make contact with the departments Gascoyne offices to discuss their specific circumstances and to seek support and advice in preparing applications

SCIENCE WEEK GRANTS

The Western Australian Coordinating Committee for National Science Week (WACC) is offering grants to fund regional and metropolitan online STEM activities. Proposed activities are to be held in August, preferably during National Science Week (15-23 August 2020), in Western Australia.

Suggested avenues to engage include (but are not limited to) interactive online events, podcasts, digital storytelling, videos, virtual tours, citizen science activities and webinars.

Applications should be received no later than 5pm on Friday 15 May 2020 should be sent to scienceweek@scitech.org.au. Late and incomplete applications will not be accepted.

How to apply

Please complete the accompanying application form, paying attention to the guidelines below. Ensure you have described your activity/event and its intended outcomes fully.

Your activity MUST:

- engage the community or a set demographic within the community with a STEM based activity.
- adhere to laws as outlined by the West Australian Government regarding COVID-19.
- not be a school-only event.
- be held during August 2020.
- be a free event for all attendees.
- be evaluated by collecting feedback from participants during or after the activity and a written report submitted.

In addition, it would be desirable if your activity/event:

- involves two or more organisations working in partnership.
- partners with, or, aimed to engage underrepresented or disadvantaged groups (e.g. minorities, multicultural, indigenous, low socio-economic, disability, regional or remote groups) or Youth.
- involves novel and/or innovative programs that have not been part of National Science Week before.
- creates an opportunity for attendees to explore further science activities in their local area after the activity/event.
- uses National Science Week as a launching point for a broader program or event with lasting impacts or outcomes.
- is recorded for use as an ongoing digital resource. In this instance, your application must provide evidence that the consent of those appearing in your footage has been considered.

If you are successful, you will be required to submit a valid tax invoice to receive funds no later than Friday 5 June 2020.

Term Two Newsletter

COVID-19 UPDATE

Unfortunately, term one was cut short with the restrictions due to Corona Virus. Thank you for your understanding. Term two classes are starting.

We hope you have joined our Coral Coast Dance Academy Parents and Students only Facebook Group <https://www.facebook.com/groups/coralcoastdanceacademy.parentsandstudents/about/>.

We also have a Tik Toc account @amytrezona7 if anyone has Tik Toc and would like to share dancing that way.

I highly recommend joining Pazaz Dance Company for full length live weekly classes this term. I used to dance and teach at Pazaz (formally Footprintz Dance Academy) when I lived in Perth. Pazaz Dance Company is excellent, and classes presented in a professional and fun manner. Great chance to try hip hop or other styles we do not have at dancing here and for younger ages to join in to.

PAZAZ DANCE COMPANY

Term 2 starts on Monday and it's not too late to join us online for live classes or using the playback option at a time that suits you.

We have discounted our fees and trying to make it accessible for everyone who wants to stay active whilst lots of sports 🏏🏏🏏🏏🏏🏏 have closed.

Come try our classes for a term

THE BENEFITS:

- do it from the comfort of your home
- no uniform is required
- classes on demand or virtual
- do it with friends (see them online) or do it by yourself.

Email hello@pazazdance.co for more details

2020 TERM DATES

Term 1: Thanks to Nicole, Katie, Tiah and Tellisha-Rose for helping teach classes.

Term 2: Mon 28th April - Fri 03rd July (currently online)

Term 3: Mon 20th July - Fri 18th September

Term 4: Mon 12th Oct - Fri 04th December.

FEES

Thank you to those that have already paid their term fees. Term one fees are now overdue and need to be paid as soon as possible or arrangement by contacting me. If you have not already paid term one fees, please do so as soon as possible (paying either full term with difference carried over to the next term or working out the term one fees minus the Corona Virus period).

The remaining weeks of term one that were cancelled due to Corona Virus restrictions will be deducted from the next term fees when dancing commences. If you require a refund from the term one fees for Corona Virus weeks that were cancelled please contact me.

I will hold all enrolments until Corona Virus restrictions are over and classes can commence in person again. Term two fees are not required to be paid at this stage (Pazaz fees to be paid separately). I will work out the fee payments when classes in person are allowed and send out a newsletter and invoice with corrected fees.

2020 DANCE CONCERT:

TBC WITH COVID-19 CHANGES/UPDATES

FYI if our concert is able to go ahead, please keep in mind the following:

- Participation is optional.
- Save the date for Saturday 28th November (TBC). Costumes range from \$30-\$80 each and although I endeavour to keep costs down, some costumes will be more expensive than others.

For more information please visit our website www.coralcoastdanceacademy.com.au or call 0438 934 000.

Happy Dancing.

Love Miss Amy xx

Shire President's Report

COVID-19 VIRUS PANDEMIC

Shire Operations Update

Full refunds have been provided for eligible gym members and also for the Shire's commission on cancelled accommodation and tour bookings. We continue supporting the local business sector and promoting available services (e.g. takeaway meals), whilst assisting with business and recovery planning, as well as helping community groups, where possible, to amend their activities (i.e. ANZAC Day commemoration).

Cancellation of Events and Activities

In response to the Recreation Centre April School Holiday Program and Youth Week Program cancellations, the Shire's Community Development Officer, in collaboration with the CRC, has prepared take-home activity packs to keep our young community members active.

The Shire's Community Assistance Grants Round 2 (2019/2020) applications were due to open during April, but will unfortunately now be postponed until the new financial year, with the Shire supporting our community organisations with funding for future projects and events.

The Shark Bay Winter Festival Markets were scheduled for 12 July, but have now been cancelled, with planning underway to host a Family Fun Day event once the Corona Virus restrictions have been lifted.

Staying Connected

In order to limit face-to-face interactions during the pandemic restrictions, the Shire has increased its social media presence. So, you can follow the Shire's Facebook page, register to receive SMS text messages or visit the website www.sharkbay.wa.gov.au to keep up-to-date on the Shire's services and resources provided to keep everyone both mentally and physically healthy whilst at home.

REX Airline Services

The WA State Government recently announced the provision of financial assistance towards

maintaining some REX services to regional WA for a period of three months before being reviewed. On 28 March, REX signed a Commonwealth Grant Agreement under the COVID-19 Regional Airline support program to receive assistance to maintain a minimal weekly schedule to regional and remote areas. This program will provide funding for up to six months, with an initial approval for six weeks. REX has applied for funding to conduct three weekly return services on the Perth-Carnarvon-Monkey Mia route. Visit REX's website <http://www.rex.com.au/> for flight schedules.

Job Keeper Package

Whilst the local government sector was very active in the lead-up to the Job Keeper package when it was being introduced to Parliament, and despite advice to the Federal Government of the potential impact for local governments if they were excluded from the package, it was disappointing that amendments put forward were not included in the final legislation. This potentially means that thousands of local government jobs across Australia will be at risk. Support packages for local government workers are also not under State Government consideration.

Local Government Workforce

Whilst the Shire has taken every measure to retain as many staff as possible during this current crisis, it is unfortunate that some casuals and several local contractors have been affected by the Job Keeper package decision and also by the limited (if any) income from closed facilities, frozen rate increases and struggling local businesses.

Regional Border Restrictions

Numbers of visitors to the Gascoyne Region were substantially reduced with the introduction of the regional border restrictions. This was very evident during the Easter holiday break with the vast majority of potential travellers to the Gascoyne heeding the Government's instructions to remain within their residential regions.

To date, the Gascoyne remains COVID-19 virus free, so let's take all precautions to remain so and keep our Region protected for the sake of all our communities by abiding by the rules and restrictions that have been instigated for our well-being.

Thanks, Shark Bay Community!

A Big Thanks to all our local community members who are sticking with the rules and continuing to observe social distancing, not meeting in large groups and maintaining good hygiene, with the aim of keeping us all safe and well. Thanks also to the local businesses that continue to support us, as well as to all of our volunteers, who freely give their time and effort to ensure our health and safety.

On behalf of the Shire Councillors and staff, I commend everyone in our community for displaying strength and resilience, banding together and supporting each other through this turmoil. Please continue taking care of yourselves and checking-in with family, friends and vulnerable members of our community.

Cheryl

Cheryl Cowell, President

PUBLIC NOTICE
DATES AND TIMES FOR THE ORDINARY COUNCIL MEETINGS FOR 2020

In Accordance with the Local Government Act 1995 Council wishes to advise that the Ordinary Council meetings for 2020 will be held as follows:

May 2020 – Wednesday 27
June 2020 – Wednesday 24
July 2020 – Wednesday 29
August 2020 – Wednesday 26
September 2020 – Wednesday 30
October 2020 – Wednesday 28
November 2020 – Wednesday 25
December 2020 – Tuesday 15

All meetings will commence at 3.00 pm in Council Chambers

MENTAL HEALTH

Seeking support

Looking after your mental health and wellbeing is just as important as looking after your physical health, even when you are in self isolation.

It's normal and understandable to feel concerned about the Coronavirus (COVID-19). Speaking with friends or family to let them know how you feel can help, and they might also appreciate talking to you about how they feel.

There are also many digital mental health services that you can access online or contact over the phone.

For support during this time contact:

Lifeline 13 11 14
or visit lifeline.com.au

Mindspot 1800 61 44 34

Shark Bay Community Men's Shed

May 2020

It was hoped that the relaxation of COVID-19 restrictions would allow the Men's Shed to reopen for business as usual and we were pushing for this to happen. Sadly Men's Shed WA issued a notice that Sheds should remain closed at this time. Hopefully as the situation continues to improve, the Shed will be able to reopen when the State moves to Level 2 restrictions.

Thanks to members and the Shark Bay community who have done the right thing throughout the Level 4 restrictions. Many of our members are in the high risk category due to our increased years and susceptibility to diseases and viruses. We are most appreciative of those who have shown concern for our group by following the restrictions imposed. Hopefully, we, and the Shark Bay community, will come through this soon.

The actual work of the Shed has continued to be undertaken during the lockdown period with the establishment of a temporary workshop in a garage in Hughes Street. Thanks to local volunteers, our 'rescued' bicycles were moved from our Shed to the garage and a member was able to work in these at his leisure. As a result two bicycles were 'rescued' and repurposed and are out on our streets. Hopefully more will be ready in the coming weeks. These are most likely to be children's bicycles. The Shed has also built up a collection of spare parts and it is worth contacting us through our Facebook page or via email – sbcmenshed@gmail.com if you are looking for a part or bicycle. Small painting jobs have been undertaken during this period too. If you have a small job, please contact us via our email address.

Shed members are looking forward to returning to our Shed and hope that members and visitors will take the opportunity to join us in the Shed at the corner of Capewell Drive and Poland St. when that time comes.

NEW

SHARK BAY FISHING CLUB SHIRTS HAVE ARRIVED!

FOR SALE NOW at the CRC!!

Seths fishing report

Hi guys I know that I said the January article was the last one I'd do but because of all this madness going on I'm back in the bay and I can't really do anything but go fishing. Therefore, I figured the only responsible thing to do while the weather is super bad, is write this article, anyways let us get to the fish.

On the first day after I got here, Mum, Dad, Emma and I went for a couple hour trip diving to Wilson Island. The water was nice but the current was ripping! I eventually went with the current to a secret reef a little ways away that not many people know about. The water was clear and the reef was alive with fish, I ended up shooting a blue bone before I realised something. The reef I was on was a honey hole for sharks. I did not see any though so I brained and bled the fish and carried on diving then when I thought I was fine a nice shark about the same size as me (1.6m) swims up to me and takes a good look. I did not care much so I pointed my shaft at it to scare it away but then it came back with EIGHT MORE SHARKS! Ok that was too much for me, I started to swim towards shore and the sharks were coming in closer. I was

fending them off and when I got to the shore they still swam along the water's edge looking for me. Nothing much else happened so I went back to the car and we left.

That weekend we tried a new spot we had not gone to in a long time, Eagle Bluff. When we pulled up there was a big blue bone swimming literally 30cm from the shore. It swam away as soon as it saw us so Dad and I went diving off a cliff I got a big bream but dad could not get a fish. However, that is fine and we soon changed spots. There was mackerel everywhere. We drove to the islands near the lookout and set up there. I jumped in and saw heaps of fish I got another big bream, a big whiting, mullet and a blue bone. Dad on the other hand got a blacky, a blue bone, a massive flathead and a whiting. Including the fish that mum, Nan and Grumps caught at the end of the day, all up, we had 11 fish. Not bad at all.

Thanks for reading my article; you will never know when another one will come out. Peace to the Middle East.

Seth

ONLINE CHARITY GIVIT IS THE SAFE AND SMART WAY TO DONATE TO THOSE AFFECTED BY CORONAVIRUS

National online charity GIVIT, official charity partner in times of disaster for States and local councils, is calling for generous Australians to donate the safer and smarter way - online at [GIVIT.org.au](https://givit.org.au) - to best support those in need during the unprecedented Coronavirus crisis.

As in disasters and emergencies such as the recent bushfires, GIVIT is working with all levels of government and over 3,200 registered charities and community groups to best manage donations and ensure people impacted by COVID-19 have access to essential items when they need them.

At this stage, the immediate need for vulnerable Australians are toiletries and grocery vouchers. Many are struggling due to panic buying, on top of the virus' economic effect exacerbating existing hardships and challenges for disadvantaged and vulnerable communities.

GIVIT CEO Sarah Tennant said Australians standing together in goodwill, kindness and a united approach to navigate the pandemic will be critical to support affected people and communities.

"With negative economic impacts already being felt across the country, we will see a significant increase in people needing assistance over the coming weeks and months – including many who may never have found themselves in such a vulnerable position before," Ms Tennant said.

"We know from past disasters Australians are incredibly generous. It doesn't seem to matter where or what occurs, people all over Australia want to help by donating money, goods and services.

"However, dropping off unsolicited items to charities, schools and nursing homes is well meaning, but it's not the help that's needed.

"That's why we're encouraging people to pledge now and donate when their item is needed in their local area. GIVIT's online donation platform is a safe and practical way of donating to those most vulnerable and have been hardest hit by this public health emergency."

If you wish to help fellow Australians impacted by the Coronavirus, please donate funds via [GIVIT.org.au](https://givit.org.au) to best help those in need - 100% of donated funds to GIVIT's '[COVID-19 Appeal](#)' will be used to purchase vouchers and urgently needed items, from local businesses where possible.

To donate items or services, pledge them online at givit.org.au. Please be aware charities may not be able to receive donated items immediately. The coordinated transfer of items are managed by the requesting charity, in keeping with their internal protocols and available capacity.

PO Box 3061
Newstead, QLD 4006
Australia
ABN: 21 137 408 201

givit.org.au

Working closely with schools, health programs and charities, GIVIT empowers community organisations to request exactly what they require for the people they support.

GIVIT then sources and provides free essential items to people in need across Australia by matching donations from corporates and individuals with the needs requested on GIVIT.org.au.

The [GIVIT website](https://www.givit.org.au) removes the need for councils and charities to physically collect, sort and store donations, significantly reducing the administrative and financial burden, as well as saving valuable resources for critical recovery activities.

Ms Tennant also urged all Australian charities, schools, councils and community groups to register via [givit.org.au](https://www.givit.org.au) so they can request vital items for the communities they're supporting through the Coronavirus crisis.

Ms Tennant also stressed donated items need to be of high quality - "Goods you would proudly give to a family member or friend"- to best assist and respect the dignity of recipients.

GIVIT.org.au is free, private and easy to use, and currently supports over 3,200 charities across Australia.

About GIVIT

GIVIT is the smart way to give. Through [givit.org.au](https://www.givit.org.au), we channel generosity where it is needed to support vulnerable people and communities in Australia.

Working with more than 3,200 support organisations, we ensure people get what they need when they need it most – whether recovering from a disaster event, or experiencing hardship due to circumstances such as drought, domestic and family violence, homelessness, disability, and mental health.

GIVIT captures all offers of goods and services online, removing the need for charities and services to sort, store and dispose of unsolicited donations, saving valuable resources.

100% of donated funds received by GIVIT to support people in need are used to purchase essential items. We buy locally, wherever possible, to support local businesses. GIVIT's operational costs are covered by government contracts and our amazing corporate partners.

COVID-19 (CORONAVIRUS)

CHECKLIST FOR OUTDOOR RECREATION CLUBS

Convene a committee meeting

IMMEDIATELY

Hold a meeting of your club committee or board of management. Identify volunteers to take on the following roles and responsibilities:

- Emergency Liaison - main contact person
- Communications - club statements and media
- Membership - keep members up-to-date
- Administration - maintain good record keeping
- Finances - check club liabilities

Practice 'social distancing' and use online videoconferencing software to hold the meeting.

Member Communication Strategy

NEXT

Make sure your members know:

- Whether any club activities will continue
- Any cancellations/postponement of events
- What the Club committee is doing to respond
- How to practice 'social distancing' while recreating

Update your Facebook page

THIS WEEK

- Provide a COVID-19 Response and pin it to the top of your Facebook page.
- Make sure FB events are cancelled/removed.

Update your website

THIS WEEK

- Provide a COVID-19 Response Statement
- Make sure events are showing as cancelled
- Ensure contact details are easy to find

Visit the GSCORE website for an example of a COVID-19 Response statement (www.gscore.com.au)

Events and Activities

COMING WEEKS

- Provide members with advice on ways to continue exercising and enjoying the great outdoors
- Remind club members to practice 'social distancing'

STAY HEALTHY, REMAIN POSITIVE, GET OUTDOORS - SAFELY

This information has been provided by the Great Southern Centre for Outdoor Recreation Excellence www.gscore.com.au

Open 7am to 7pm

7 days a week

DENHAM IGA X-press

GROCERY HOME DELIVERY

Kellee and Rob would like to offer our senior local customers in Denham the opportunity to contact our store direct via phone or email to request grocery orders.

In order to assist we are offering this service and a home delivery straight to your door.

Currently as we progress globally through difficult times with COVID-19 virus, we would like to assist where needed to limit your unnecessary exposure to large crowds of people in and around Denham.

Please email or contact the number listed below and speak with Kellee or one of our friendly staff and we can arrange an order for you.

Thank you and keep well.

Denham IGA X-Press management and staff

Do you have Country Ambulance Cover?

St John Ambulance Shark Bay Sub Centre

Should you need ambulance transport, even a short ride could cost you hundreds of dollars! Unfortunately, the cost of ambulance services is not covered by Medicare, Healthcare Card, Pharmaceutical or Pensioner Benefit Card holders.

Annual Memberships are available for \$74 for Single(*) and \$123 for Family.

Your membership directly supports the local ambulance service and helps to provide these vital ambulance services in your local community.

By taking our St John Country Ambulance Cover you also assist with the delivery of first aid services in your local area including:

- regular community first aid courses
- ready access to first aid kits and supplies
- first aid posts at local fairs, sports and events.

Country Ambulance Cover is a small price to pay for the invaluable services you'll be supporting.

Contact us for your application, email saintjohns1@bigpond.com or visit our office 100 Durlacher St Denham Wednesday & Thursday 10am-2pm

Tish

() This amounts to a little more than \$1.42 per week for a single or 20 cents per day. Most pensioners over 65 are covered (please check your eligibility).*

EMERGENCY,
life threatening,
call out for helps!

Which brings the total

33

triple zero calls,
so far ...
this year!

CRITICAL REMINDER

To ALL RESIDENTS and VISITORS

For any life threatening emergencies or serious crime/incidents the number to call is 000

In Shark Bay many people have a tendency to call the local agency direct or private phone numbers of volunteers when requiring urgent assistance. Please be aware, this does not make response faster. In fact it delays the response time of emergency services as a response team can not be dispatched until the central command centre has directed them to do so. So call 000, response will be faster. when calling 000, it is also important to remember that the operator will ask you the following questions, which will aid them in assisting you as fast and efficiently as possible.

Service required: Police/Ambulance/Fire & Rescue
Your name:
Town & State you are calling from:
Location (address) of the incident:
Nature of the incident:

GIVIT is supporting Indigenous people impacted by COVID-19

GIVIT's Indigenous Program is focused on improving the health and wellbeing of Aboriginal and Torres Strait Islander peoples.

Are you an Indigenous charity or community organisation?

Register for FREE to use the GIVIT service! Reserve donated goods or request specific items for your clients or service

Want to help someone in need?

To donate goods or funds visit givit.org.au

100% of funds received will be used to purchase essential items.

GIVIT

David (Dave) John Naldrett 16/6/44 to 30/3/2020

Dave immigrated to WA in early 1967. His first job was at Krasnosteins at Rob's Jetty, after seeing the others in shorts he cut his jeans off and got horribly sunburnt. After his first pay day he quit because the bloke next to him doing exactly the same work got paid more. That night in the pub he was hired as a brickies labourer and from then on building and painting or whatever was going, in those days there was plenty of work for anyone who wanted to work.

He and his mate Ken had hiked from one end of England to the other and their idea was to hike around Australia. After a road trip from Perth to Northam - really long way for new poms, their idea changed to purchasing an old Landrover and driving around, which they did for 12 months.

Dave and I met in 1980 and moved to the Bay in January 1981 where he worked as a deckhand for approximately 5 years, then after a short stint at the Water Corporation he returned to the building/painting/maintenance game. He earned himself a good name with his fair prices and good results meaning he never lacked for work.

In the early 80s he was called on by Maxine (our Silver Chain nurse) to transfer patients in his station wagon, which was a bit of a rarity in a town of mostly 4 wheel drive vehicles. He joined St John's Ambulance beginning as a driver and working his way up to an Ambulance 2 Officer. He stayed with them for 10 years.

He was a founding member of the local SES Unit who he stayed with for 20 years. He was a conscientious member who dedicated hours to all aspects of training and became team leader in most areas putting his best efforts into whatever he did.

In 1981 he joined the golf club and in 1982 he was tricked into standing for President, a position he held from 1982 to 1984, bluffing his way through things he didn't know! He was an active volunteer at all busy bees and built the toilet block almost single handed. In 2000 he was awarded Life Membership.

In 1998 he (finally) proudly became naturalised.

In all that we still found time for golf, fishing and camping.

He wasn't well for over 3 years but he was, up until 2 days before his death, still going out with me for a drive and I was still getting my early coffee delivered. In the end, with the virus and no footy on TV, I think he just decided enough is enough.

Rest in peace now my love.

Sue

*A very special thank you to Lois (and Snowy), my sister, my best friend and my sounding board over the years. Always willing to listen to my problems and complaints, although, she was mainly on Dave's side whether he was right or wrong. A bit of a disagreement between us from time to time but easily resolved.
Thanks kid, love ya!*

THE HON MELISSA PRICE MP

Federal Member for Durack
Minister for Defence Industry

Coronavirus Care – caring for others in our community

The coronavirus is a major global public health challenge that is having a significant impact on the daily lives of many in our community.

All levels of government are taking strong and carefully considered steps to reduce the spread of coronavirus and to protect all Australians, particularly the elderly and the vulnerable.

While the government focuses on the social and economic challenges the global pandemic is causing, it is important we step up as a community and help those around us who may need support over the coming weeks and months.

Although social distancing and self-isolation are important tools in the fight against coronavirus, they can pose challenges for those in our community without a support network.

Together with my staff in my three Durack regional offices, we are working hard to find answers to your questions and offer reassurance to you all in Durack during this challenging time. You are most welcome to call my Geraldton office on 9964 2195 if you require any assistance or get in touch with me via email at melissa.price.mp@aph.gov.au. I know there is a lot of wonderful community care being undertaken in Durack and I thank you for all your efforts and kindness. If you would like to help out in your community and would like to know more about what is happening in your town or region, please call my office and we will gather the information for you.

I will continue to share the latest coronavirus information on my Facebook page 'Melissa Price MP' and through email updates. If you would like to receive those email updates and you are not a subscriber, please email or call my office and they will put you on the list. I would also encourage you to keep in touch by regularly monitoring the advice from the Federal Government at www.australia.gov.au.

By working together we will get through this difficult time.

Please take extra care of yourself

Kind regards,

Melissa Price

indigo. | Formerly Independent Living Centre WA

Independent Living Centre WA changed its name to Indigo in January 2020. Their purpose is greater independence and inclusion for all through allied health and assistive technology solutions.

Please note their funding has been reduced and regional visits including to Denham have been placed on hold.

Should you require any assistance, please do not hesitate to contact them directly on 1300 885 886.

those we love

don't go away,
they walk beside us
every day.
Unseen, unheard,
but always near,
still loved,
still missed and
forever dear.

I would sincerely like to thank everyone who has been involved with Dave and I over the term of his illness. Various Nurses and staff at the Silver Chain with Tara being the one consistent, John the Chemist, visiting Doctors especially Dr Constantine, the Palliative Care team, the Flying Doctor and our fantastic St John's volunteers. You have all been marvellous and always treated Dave with care and respect. Special thanks to Di who cared for him overnight at the Silver Chain ensuring he was comfortable and pain free when he passed away peacefully at 11.45 am Monday in his beloved Shark Bay.

I would also like to take this opportunity to thank everyone for the love and support shown over the loss of Dave. Your calls, cards, messages all mean a great deal to me.

SANDAKAN DEATH MARCHES

BORNEO EXHIBITION GROUP

Est. Perth, 2003

SHARK BAY SANDAKAN SCHOLARSHIP

As a result of the travel restriction due to the virus, the Sandakan scholarship travel to Borneo for ANZAC DAY has had to be postponed. Hopefully by April 2021 the world will have returned to some normality although there will be major hurdles in place regarding the ability of airlines to continue to operate and the government restrictions on Australians travelling overseas. If the travel restrictions prevent travel this time next year, our group are drawing up "PLAN C" that may include travel to the Sandakan Memorial Day which is held on the 15th August each year. This is the day when the local people remember their people that suffered and died during WW2.

This means that Catherine Morris, who was last years recipient will hopefully be able to travel in the future. We have been fortunate in that the airlines have given a credit for the booked tickets and the land-based travel operators and hotels all were very quick to provide refunds. All we have to do now is to see if there are any increased costs.

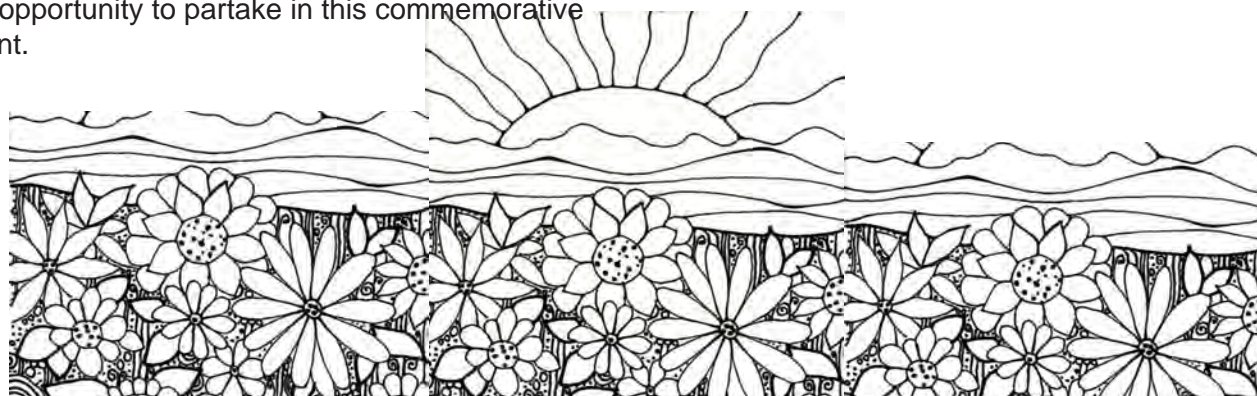

With the restrictions in place for events etc. here in Australia, we are not sure if we can raise enough money for a scholarship to be conducted this year as a big proportion of our local groups fund raising comes from catering at community events such as the fishing fiesta. It will be a shame if we cannot provide students from Shark Bay with the opportunity to partake in this commemorative event.

We will keep our community informed as time goes by, but in the meantime if any student that has an interest in the scholarship they have a great opportunity to do some research and prepare and polish a presentation in readiness. There has been a great response to this years' unusual ANZAC DAY remembrances and our Sandakan Scholarship is an extension of the traditional memorial day.

The events that occurred in British North Borneo (now Sabah) and Sarawak during the time the Australian and British soldiers were there as prisoners of war during WW2 resulted in over 99% death rate after October 1943. There were only six prisoners that managed to escape from the death marches and camps in 1945 to tell of the suffering endured by the prisoners. The Australian government placed restrictions on the publication of details of the prisoners' plight for around 40 years after the end of the war. Now, through the efforts of groups such as ours, Australia's young people have the opportunity to learn of this sad part of our history.

Parents and students can contact Joe McLaughlin for more information on 0419902895.

Barefoot Bowls

Barefoot Bowls started off very well in February with 10 teams. There was a great atmosphere and our burgers were extremely popular again. As we all have experienced the Barefoot Bowls competition has come to an abrupt stop due to a reason, we are all very aware of. Not much we can do about it at this stage we just have to wait and see for now, but it is our intention to finish the competition in some form at some time in the hopefully near future. We will be in touch with all teams when this all will be happening.

Maintenance

The maintenance of the green has been ongoing, and the green looks really good now. The latest addition is a rabbit proof fence as too many rabbits were enjoying the green, but not too play bowls. Our new shade sails are finished as well so when we are re-opening again you all can come and enjoy the shade.

Meeting with other clubs

We have not forgotten the meeting we had with the other clubs early February, we are still working on the subject about membership and constitution.

The committee of the Shark Bay Bowling and Recreation Club is really looking forward to meeting you all again as soon as the restrictions have eased so we can have a drink or two together, but for now: **Stay Safe**

CONNECTING *Faith to Life*

VISION CHRISTIAN RADIO

Vision Christian Radio, as the name suggests, is a radio station broadcasting 24/7 in more than 700 locations around Australia, including Denham, Shark Bay.

With the slogan "connecting faith to life", the station plays music, news, speakers & interviews on matters of Christian faith, talk back on topical subjects, Bible teaching by a number of world recognised speakers. The station caters for a broad range of listeners of all ages. The radio programmes are backed by a comprehensively stocked bookshop, daily Bible reading notes & a prayer service.

Shark Bay has received broadcasts for many years on station 87.6FM, as well as on satellite radio station 614. The local FM station is currently closed, but Vision Christian Radio is still available on the satellite station. As well the station is available Online (vision.org.au/radio), & App "Vision Christian Media".

St Andrew's by the Sea

Where is God in a pandemic?

St Andrews by the Sea

In just the past few weeks, all around the world millions of people have started to wonder and fear if they are moving to a terrible end with terrifying speed, thanks to the Covid-19 pandemic. The sheer horror of this fast-moving infection is coupled with the almost physical shock from its sudden onset. And even the most religious people ask: Why is this happening? And: Where is God in all of this?

The question is essentially the same that people ask when a hurricane wipes out hundreds of lives or when a single child dies from cancer. It is a question that saints and theologians have grappled with for all time. The question now consumes the minds of millions of believers and unbelievers alike, who shudder at rapidly rising death tolls, struggle with reports of health facilities unable to cope with corona virus suspects, and recoil at photos of rows of coffins: Why?

Over the centuries, many answers have been offered about natural suffering. Such as that suffering is a test – that certainly can be the case with regard to testing our faith and strengthening it, and many do attest to it.

But that approach can make God out to be a monster.

Or the argument that suffering is a punishment for sins. Jesus himself totally rejected that approach, in his teaching and actions, dismissing the image of the monstrous Father.

In the end, the most honest answer to the question of why the Covid-19 virus is killing thousands of people, why infectious diseases ravage humanity and why there is suffering at all is: We don't know. For me, this is the most honest and accurate answer. But if the mystery of suffering is unanswerable, where can the believer go in times like this? For the Christian and perhaps even for others the answer is Jesus.

Christians believe that Jesus is fully divine and fully human. Yet we sometimes overlook the second part. Jesus of Nazareth was born into a world of illness. Scholars of the times sum up the conditions of the world as, "filthy, foul-smelling and unhealthy." where "A case of the flu, a bad cold, or an abscessed tooth could kill."

By far the majority of his miracles were healings from illnesses and disabilities. In these frightening times, Christians find comfort in knowing that when they pray to Jesus, they are praying to someone who understands them not only because he is divine and knows all things, but because he is human and experienced all things.

But those who are not Christian can also see Jesus as a model for care of the sick. For him, the sick or dying person was not a victim or someone to be blamed, but his brother or sister, and ours. When he saw someone in need, his heart was "moved with compassion." Our model for how we are to care during this crisis is "with hearts moved by compassion."

I don't understand why people are dying, but I believe God is there in the midst of this pandemic. I pray that you can come to that belief too. If you would like to discuss this, please feel free to phone or email me, as below.

[I have been assisted in this article by Fr James Martin as published in the New York Times, March 22]

Centrelink Agent

At a Department of Human Services Agent you can:

-  use our computer to access **my.gov.au** and other government programs and services and to search for jobs
-  use the telephone to access the department's self service options or speak to us
-  access free Wi-Fi 24/7 to connect to government services. No password required
-  scan, fax and photocopy documents
-  have your confirmation of identity documents certified
-  lodge forms or pick up brochures

Agents can:

- respond to general questions on payments and services
- show you a quick and easy way to do your business using self service
- help you complete forms and other paperwork, and
- arrange referrals to specialist services.

Agents can't:

- make, review, assess or vary your payments, or
- issue Electronic Banking Transfers (EBTs), concession or Medicare cards.

Agents aren't Department of Human Services staff.

Your local Agent is:

Shark Bay Community Resource Centre

Address:

10 Denham Road
Shark Bay, Denham WA 6537

Hours of business:

Monday to Friday
9am to 4pm

To find other Agent locations go to **humanservices.gov.au**

Self service

You can use your myGov account to access your Centrelink, Medicare and Child Support online accounts. Go to **my.gov.au**

You can also access our services through the Express Plus mobile apps.

For more information go to **humanservices.gov.au/selfservice**

After Hours Emergencies

EMERGENCY

If you call the Shark Bay Health Centre after hours you will be transferred through to Health Direct where a Registered Nurse will ask you a number of questions to determine whether you need further emergency assessment by the Shark Bay nurse. If you require further assessment, your call will be put through to the local nurse.

Examples of an EMERGENCY include:

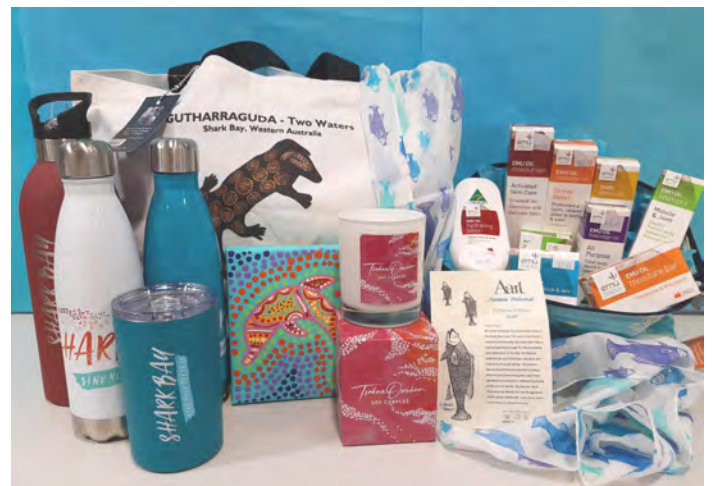

- Breathing difficulties
- Chest pain
- Severe abdominal pain
- Bleeding that can't be controlled with first aid
- Convulsions and fits
- Deep lacerations
- Eye or ear injuries
- Uncontrolled high fever
- Loss of consciousness
- Pregnancy – bleeding or onset of labour
- A very sick child
