# Executive Officer's Report

You may have noticed a new face at the CRC recently. Katie is originally from Perth but was living and working as a violist in New York City until late last year. Now she's decided that she prefers the Shark Bay lifestyle to the craziness of the big city. So please make Katie feel welcome next time you pop by.

A big farwell and thank you to Gabi who helped facilitate our Recreation Centre program. Gabi was much loved by our youth as she also worked at the local School and Day Care. Gabi and her partner Luke will be welcoming twins soon so we wish you all the best of luck. We are sure Marley will be a fantastic big sister!

## Purple Bra Day

A huge thank you to everyone who supported Shark Bay's Purple Bra Day. We had a great time showing off our purple bras at our morning tea fundraiser. Purple Bra Day raises awareness and funds for the amazing team at Breast Cancer Care WA who offer free-of-charge to West Australians facing breast cancer. Throughout September we raised funds online, plus placed donation boxes at the CRC, bakery, and the butchers. Thank you again to everybody that has donated to this worthy cause as well as brought a plate of food along to share.

## Rec Centre

Its been a busy month at the Rec Centre as staff assisted with sports and athletics training for the school carnival. Students would attend after school and practice their distance running around the oval as well as their team sports games including passball, tunnel ball and leader ball.

Indoor soccer participation numbers have dropped so the CRC will after the school holidays commence basketball sessions on Wednesday's. Students will be encouraged to come along after school to training, followed by a game. Adult games will run the same night from 6.30pm. We will be asking adults to register their teams prior to it commencing as we plan to run the sport for a short period only (around 4 weeks however it depends on team nomination numbers).

We continue to be asked by parents when the Kindy Gym program will resume. Unfortunately we are unable to open this program until WA is in phase 5. The Shark Bay CRC is currently required to clean any surface touched whilst open at the Centre as well as any equipment or gear used, as per health regulations. Unfortunately as you are aware this program allows and encourages children to play with a large amount of equipment, toys, books, blankets etc, with children touching and some even drooling over or placing toys in their mouths. We are all still required to social distance as well, which for young children can be quite difficult to understand.

However we encourage and welcome families to come along to our open courts sessions on Tuesday's. A smaller amount of equipment is made available and parents are encouraged to have a play of their chosen sport.

## Mental Health Week

On Saturday the 10<sup>th</sup> October the Shark Bay CRC is hosting a Community Car Scavenger Hunt thanks to grant funding provided for Mental Health Week 2020. Everyone is invited to participate, teams are a minimum of 2, with someone needing to hold a drivers licence and a mobile phone which is capable of taking photos. Please come along to the Shark Bay Bowling Sport & Recreation Club at 2pm to register your team and be given further information. A free super will be provided after the hunt (please note it is not a race, just a fun hunt). More information will be made available shortly so keep a eye out on community noticeboards.

## Children's Week

The CRC has received a small grant to hold a games day during Children's Week. We are hoping to possibly host this event at the Shark Bay Bowling, Sport & Recreation Club on Saturday 24<sup>th</sup> October.

We will be asking families and the general community to register their interest to participate as they compete in a variety of games in a round robin scenario. Games may include lawn bowls, darts, giant jenga, connect four, pool, yahtzee etc. At the conclusion of the games, light refreshments, nibbles and healthy options will be provided as well as small gift prizes to winners. All ages are welcome to have a go. We will advertise more information closer to the date.

## Halloween

Halloween originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. The Celts, who lived 2,000 years ago in the area that is now Ireland, the United Kingdom and northern France, celebrated their new year on November 1. This day marked the end of summer and the harvest and the beginning of the dark, cold winter, a time of year that was often associated with human death. Celts believed that on the night before the new year, the boundary between the worlds of the living and the dead became blurred. On the night of October 31 they celebrated Samhain, when it was believed that the ghosts of the dead returned to earth.

Since then the event has been commercialised into a bit of fun, and Shark Bay's annual Halloween friendly map will again be generated to advise trick or treators what house will welcome their visit on Saturday 31<sup>st</sup> October, between the hours of 5pm - 7pm only.

If your interested in welcoming children to your home or business, please contact the Shark Bay CRC so we can add your details to our map database. Over the past few years, our staff have welcomed around 70 individuals to their homes. Our kids might not get a chance to play team sports, go to the movies and shops regularly, but they sure know how to adopt some fun!

## SHIRE OF SHARK BAY SHARK BAY WORLD HERITAGE DISCOVERY & VISITOR CENTRE Co-Ordinator Position

### About Us:

Shark Bay is a growing tourist area on the pristine Coral Coast of Western Australia, approximately 830 kilometres from Perth. It is one of three World Heritage listed areas in WA and is famous for many attractions, including the internationally renowned Dolphins at Monkey Mia.

### About the role:

The Discovery and Visitor Centre comprises a museum, gallery, theatre, retail, booking and information service. The Shire is seeking to appoint an experienced professional with a proven track record managing and administering a similar service, who can lead, motivate and capacity build the small team that operate within that facility. The role reports directly to the Executive Manager Community Development, and also provides assistance to that role for economic development and strategic and operational tourism.

The position is offered as a three-year contract, with an attractive remuneration package valued at \$80,700 per annum, comprising a cash component of \$60,000 plus superannuation, subsidized housing and utility allowances. Assistance with relocation costs may also be available.

The Shire of Shark Bay promotes a workplace that actively seeks to include, welcome and value the unique contributions of all people. We encourage applications from all suitable candidates regardless of abilities, age, culture, and gender.

### How to Apply:

Written applications including your current Resume and a covering letter that shows how you met the position requirements should be sent to: [admin@sharkbay.wa.gov.au](mailto:admin@sharkbay.wa.gov.au) and/or addressed to the Chief Executive Officer, Shire of Shark Bay, PO Box 126, Denham WA 6537.

Further information about the position is available by visiting our website [www.sharkbay.wa.gov.au](http://www.sharkbay.wa.gov.au) or by contacting Deb Wilkes, Executive Manager Community Development on (08) 9948 1218.

## Shark Bay Youth Group's STEAM FAMILY FUN DAY

On Saturday 29<sup>th</sup> August Shark Bay Youth Group hosted a STEAM (Science, Technology, Engineering, Art & Maths) Family Fun Day.

We had over 100 people come and participate in some fantastic activities.

Activities included; Create a secret message, make a squishy turkey, build a birdhouse, finger knit a bracelet, construct a vehicle, complete a lego challenge, fill in the graph coding picture, paint a handprint, complete the shape scavenger hunt, solve the coding problem on the computer, learn (and eat!) how to make fairy floss, have your face painted, build with blocks, blow some bubbles, play in the sandpit and have a yummy treat at the snack bar.

A BIG thank you to our adult helpers; Rick, Natt, Celia, Carlos, Jo, Julie, Siobhan, Claire & Trudy. We couldn't have done it without you!

Special mention to our youth; Josh, Emily, Telleisha-Rose, Rane, Tiah, Laylah, Kyle, Michelle, Jacob, Alirah, Nicole, Jennifer & VeeJay. You are FANTASTIC!

This event was made possible with the support of Scitech (financial) and Shark Bay School (venue). The support made the event 100% successful and we really appreciate it.

# Volunteer Marine Rescue

PO Box 35, Knight Tce Denham 6537 | [vmrsharkbay@westnet.com.au](mailto:vmrsharkbay@westnet.com.au)

Occasionally things happen that remind us why we decided to become volunteers in a group like Marine Rescue Shark Bay.

Such was the case during late August when a call from the Water Police advised that an epirob had been activated near the Useless Loop ship loading jetty. Three members left Denham in Tamala Rose on a high-speed dash in choppy conditions. Upon arriving in the area, the rescuers were contacted on channel 16 by a person on shore who could see smoke from a flare. They directed the rescue vessel in the direction of the sighting until three men clinging to an upturned and mostly submerged dinghy were located. The small dinghy had been swamped by a wave in the choppy conditions and the men had been in the water for an hour and a half. They were visibly shaken by the experience and shivering with the onset of hypothermia.

Thankfully, a good result in this case that could have ended tragically. They were taken to Denham Silver Chain and later released. The Useless Loop SES unit retrieved the dinghy and towed it ashore. Special thanks to the person onshore who guided the vessel toward the scene.

The men had made some basic mistakes that contributed to the dire situation they found themselves in. The 3.5 metre dinghy was too small for the conditions when the wind picked up and they were sixteen miles from the boat ramp in Denham. Their families on shore had no idea where they had gone or what time they were expected to return. They were not wearing their lifejackets and by the time they surfaced after being swamped the jackets on board had blown away from them in the fresh breeze. Fortunately, their epirob was in a bag which they could access easily, and it was this single factor that likely saved their lives.

Three volunteers were also called upon at 1am on Tuesday morning after a flare sighting was reported by a camper at Nanga Bay. The Challenger jet search aircraft flew up from Perth to scan the area with their electronic night vision capability, and Tamala Rose patrolled until the search was called off after sunrise with nothing found. Hopefully this wasn't a case of someone letting off a flare when not in distress, wasting our volunteers time and costing the States taxpayers thousands of dollars.

In other news, the construction of our new vessel is progressing well and is on schedule to be delivered at the end of November. Our much loved Edencraft, Rescue 3, is being advertised for sale and is generating a lot of interest because of the reputation of this design.

John Famlonga and Jack Capewell have fabricated an access gate for our new finger jetty at Tamala Rose's pen. We really appreciate the great service and the short time it took them to complete the job.

One of our members has spent a week away doing training and has now qualified as a VMR 5 Rescue Skipper. Congratulations and well done Damien. DFES offer members a well structured pathway through all the levels required to become fully qualified rescue skippers. If you are interested in becoming involved, don't hesitate to contact Marine Rescue Shark Bay on 9948 1376.

Marine Rescue Shark Bay have only been called upon twice during September for vessel recovery tow jobs. This figure is quite low considering the amount of boating traffic that has been on the water due to the combination of good weather and unprecedented visitor numbers to our region. Well done to the boating public for keeping their vessels in good working order.

Three of our members will be attending this years Fire and Emergency Services Conference in Perth on the weekend of 16<sup>th</sup> – 17<sup>th</sup> of October.

We are waiting on a new sign for the front of our shed in Durlacher Street.

We currently have 25 financial members in the group with several new membership applications pending.

We are planning on having our AGM on Thursday the 5<sup>th</sup> of November.

Will have to leave this article here as a call has just come through from the skipper of a broken down vessel over at Herald Bay.

Stay safe on the water.

## SERVICE MEDALS

A huge congratulations to Jamie & Shaun for receiving their 10 Year Service Medal with DFES's State Emergency Service.

Their dedication to serve our community, raise a family and commitment to their careers is outstanding – we are all very proud to have you in our unit and be our friends.

## TRAINING

We train the first three Mondays of each month, starting at 5pm. A snap shot of our training program for September included: The first Monday was dedicated to general maintenance with our vehicle and rescue gear.

The second Monday saw us out in the bush doing a sweeping search. Terry did an amazing job setting the scenario up. The learning outcome of that exercise was that we need to brush up on our GPS skills.

In September a 3-year-old child went missing in the south west (the child was later found by his grandfather). This incident reminded us how important land searches are, so for our last training night, we did a re run of a bush search, but with lots more unidentified objects to find. All objects but one was located on the first search sweep. Members were determined to find the missing item so they repositioned and resumed their search. The item – a wooden pretend knife was finally located. In our debrief, it was identified how much the wooden knife blended in the dry bush and how hard it was to find. Searches sound easy, but we can assure you – they are not. It takes training and learnt skills to have favourable outcomes.

## GOODBYE & WELCOME

On a sad note we have to say goodbye to Patricia & Derek. They have been a huge asset to our unit and very enthusiastic members who have left us all with wonderful memories. We hope you have enjoyed your time with us and wish you bon voyage and the best of luck with your new adventures.

Welcome to Tegan Kay. Tegan is a school teacher here in the Bay and has decided to join our happy group.

## CYCLONE SEASON

Yes! It's that time of the year again. Time to think about your cyclone plan, get your back yard cleaned up and have Cyclone grab bag ready. The grab bag should include your valuable items, medication, food & drinks for several days, torch, clothing & personal items including important documents or information on where they are stored. A good idea would be to include some sort of personal entertainment (puzzle books, magazines/books, pencil & paper). Remember: the power may be out so you may not have internet or phone accessibility.

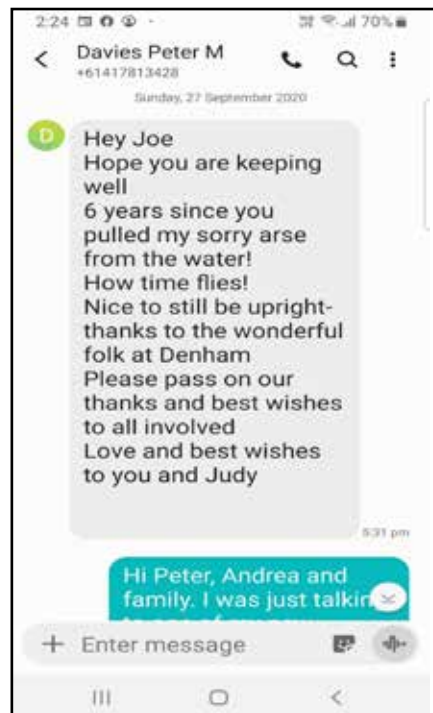

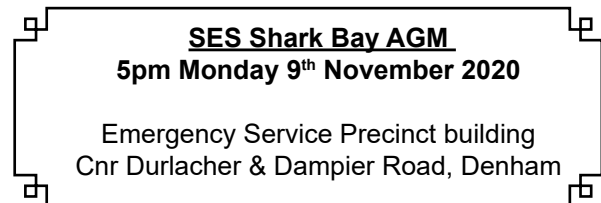

Responding to a cyclone event is the responsibility

of SES through DFES been the hazard management agency. However, there is a limit to what the SES can do after the event. We can assist to make a dwelling water proof if there is damage to the roof structure or windows. We can assist in providing props etc if the building is damaged structurally, but you must consider if it is safe for you to continue to live there if there is a possibility of further collapse. We can assist in clearing debris to provide access to your building if it is safe for you to continue to live there. We cannot provide permanent repairs to buildings as that is the landowners responsibility.

Property owners have a duty to take precautions to protect their property by having inspections and any remedial action taken to ensure the survivability of the property. Action plans need to be in place to decide where any loose objects such as outdoor furniture, play equipment, boats, caravans, pot plants, pets are stored or made secure before or by the blue alert. Don't forget to ask and offer assistance to your neighbours, after all that is what been neighbourly is all about and is what we do here in the Bay.

You may have heard the weather mob have indicated that there is likely to be a la Nina weather event influencing Australia in the coming months. During a la Nina event, which is the opposite of an El Nino, there is a predicted increase of the numbers of cyclones that affect the north west.

## Containers for Change is coming to Denham and the ABC Foundation Ltd is bringing it here from Thursday 1 October with support from Yadgalah Aboriginal Corporation!

A new state-wide container deposit scheme, Containers for Change lets you cash in eligible containers for 10-cents each.

Denham is a bag-drop location only.

This means you will be able to bag up your containers and deposit them for processing at a later point, your container refund will be deposited directly into your bank account once processed in Carnarvon.

Your local bag-drop location is: Yadgalah Aboriginal Corporation, 9 Francis Road, Denham.

Open:

- o Monday: 12pm – 5pm
- o Tuesday: 10am – 3pm
- o Wednesday: 12pm – 5pm
- o Thursday: 12pm – 5pm
- o Friday: 10am-3pm

Most aluminium, glass, plastic, steel and liquid paperboard drink containers between 150ml and 3L are eligible for a refund.

There are some drink containers that are not eligible for a refund. Generally, excluded containers are those that are less than 150ml and greater than 3L. Containers excluded include:

- Any plain milk containers
- Any glass containers which have contained wine or pure spirits
- Containers 1L or larger which have contained flavoured milk, pure fruit or vegetable juice
- All cordial or syrup containers
- Registered health tonics.

Any containers that are presented as either broken glass or damaged/cut containers will NOT be eligible for a refund. Light crushing of cans, plastics and liquid paperboard is acceptable.

Please remember these steps when preparing for a bag-drop:

1. Clean it - Make sure your containers are CLEAN and cleared of any contamination. Contamination includes: sand, cigarette butts, sharps and lemon/lime, plus much more. Any container received with contamination will not be eligible for a refund.
2. Bag it - Place your containers into a bag – make sure you don't over fill to ensure your bag does not split or break.
3. Tag it – Either mark you bag clearly with: Your Scheme ID, Full Name and Contact Number. Or put those details clearly on a piece of paper and place in a sealed plastic sleeve inside the bag.
4. Drop-it – Drop your bag into the marked cages at Yadgalah Aboriginal Corporation.

To find out more about Containers for Change in Denham contact Kate Branson from the ABC Foundation Ltd via email at [oncountr@abcau.com.au](mailto:oncountr@abcau.com.au) or on 0406 611 619.

The Friendly Hub meets every wednesday at the Shark Bay Bowling Sports and Recreation Club. Join us for a simple cuppa & cake, and we have many activities, games, live music, Bingo...etc

Some of the fun challenges we have faced at our weekly sessions recently have included word search puzzles and bingo. John Senteneller kept our session on the 23<sup>rd</sup> September quite entertaining and we all had a good laugh. He volunteered to be our bingo master for the day, spinning the basket, drawing and calling out the numbers but half way through the game he realised half the balls weren't even in the basket. Oh dear, John's always keeping us on our toes!

Our winners for the day included June, Kath, Bev, Yvonne, Pam & Geoff. Thanks also to Pat Parker for donating a jig saw puzzle.

### Save the Date - 21<sup>st</sup> October

Sharon Hahn the Care Team Leader for Silver Chain will be attending our weekly session on the 21<sup>st</sup> October. She will give a brief presentation making sure everyone is aware and informed about the supports and funding available for seniors to remain at home and live as independent as possible.

## Blind Footy Tipping:

The footy tipping table below has been updated and the winners have officially been announced and rewarded. As the season ended, it was very close with only 1 tip seperating our first and second place tippers. Congratulations to Dianne Perich for winning our 2020 blind footy tipping competition. She received \$77.50 for tipping 96 correctly during the 2020 AFL season. The Burton family came in second with 95 correct tips and were award \$46.50. Our school principal Celia Ellisegaray came in 3rd place.

# Shark Bay Speedway Club

## Club Meet - 5<sup>th</sup> September

What a way to end the season with our Wingless & Modified divisions perpetual trophy day. The racing was action packed with a few spin outs and a few minor crashes but overall well support with 152 people coming through our main gate. The Street Stocks had us on the edge of our seats as 1st place was literally awarded to Jace Kempton as he passed Trent Lyall on the final lap at the race tower. The Modifieds drove fast and not always clean as we were down to only 3 drivers by the end of the feature.

A big thanks to the days race sponsors which included KJB Fabrications and Outback Coast Automotives.

Results were;

*Modified Trophy day*

- 1st Blake Jackson
- 2nd Mick Reynolds
- 3rd Glen Harper

*Wingless Trophy Day*

- 1st Kyle Beard
- 2nd James Bissaker
- 3rd Owen Deboni

## Life Member Awards

Paul Norman and Paul and Rhonda Mettam will all be presented their life member awards later in the year as they were unable to attend the windup. However we did have one other honourable member present to receive his award.

Back in 2007, 13 years ago, Shark Bay Speedway Club came across a new face in its mist. At this time, life members John and Lyn Purser had just retired from years of service to the Club, and fresh volunteers were highly sought after to ensure local racing and the Far Western continued in Shark Bay. That's when this gentleman started helping out around the grounds and during race meets. In 2008 his family relocated permanently to Denham with his daughter Aleisha attending the local school and his employment appointed as a fencing contractor. In 2009 he began racing, a black holden commodore being his weapon of choice in the street stocks division.

Dave and Dolly Charles at the time were heavily involved in the Shark Bay Speedway Club before relocating as well Paul Norman and his family. Their direction and focus gave this man the drive to continue with his passion of racing Speedway as well as assisting on the committee. For years, he was an office bearer in various roles including vice president, treasurer and secretary as well as track curator, and numerous other positions, as the Clubs membership base dwindled to only 4 members. He has always been the known as the energiser bunny, bouncing around from job to job, ensuring all the work lists around the track were completed and has been greatly commended by racing families from all across the state for his track curating and its presentation.

He held a primary role in the establishment of the new shed and bar area as well as the new toilet and shower block located and utilised on the grounds today. He was also an instigator encouraging Shark Bay Speedway Club drivers to travel and compete at both Carnarvon and Geraldton tracks. He continues his passion for racing and has expanded to introduce Go Karts as a racing division opportunity for people in Shark Bay.

Although only a member of the Club for 13 years, his work and dedication has far exceeded his years of service which might explain some of his grey hairs. Unanimously voted in as a life member by the 2020 Shark Bay Speedway Club committee, we welcome Roger Hewitt as our newest life member.

### Club shirts

Another order has been placed and we are awaiting its arrival which should be any day now. This time we have managed to order some kids sized shirts as well as restockin adults shirts. There are a limited supply so if you are wanting a shirt, pop down to the CRC who will be selling these shirts on our behalf for \$35 each. Hats and beanies are also available for \$15.

### Carnarvon Speedway Club windup

Many of our local speedway drivers and their families are members or large supporters of the Carnarvon Speedway Club. They invited us all to their annual windup held on the 19<sup>th</sup> September. The Shark Bay Speedway Club received plenty of thanks during the night which was warmly welcomed.

Many of our local drivers were successful at their presentations and included;

#### *Junior sedans champion*

1st Beau Morgan

#### *Most Improved Driver*

Ella Ricetti

#### *Rookie of the Year*

Tayla Burton

#### *Best & Fairest*

Ella Ricetti

#### *Who dropped the F-bomb award*

Mick Reynolds

#### *Best on Ground at Windup*

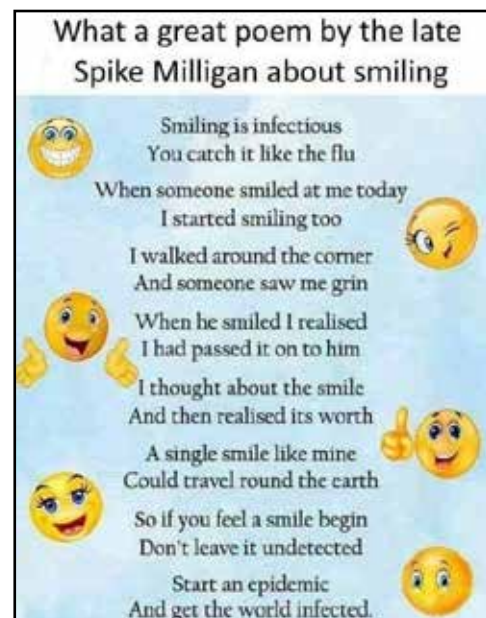

Shaun Burton

### Community Notices

We will be holding our AGM and a community Christmas party on Saturday the 5<sup>th</sup> December from 3pm. The Club is heading in a great direction and has a fantastic support crew. If you are interested in being involved, please come along to our AGM.

There will be a slippery dip for the kids and also a visit by Santa Claus himself. There will be bar facilities for the adults followed by a sausage sizzle dinner. We welcome everyone up to the venue for our last function in 2020.

*Shark Bay Speedway Club committee Mick, Greg, Sue, Eileen, Joe, Shaun, Bryan, Jamie, Judy*

# Shark Bay Fishing Club

The Denham jetty is welcoming some fantastic sized squid at the moment with one almost breaking our local record held currently by Judy Russell at 1.79kg. Unfortunately Josh Emery our local junior anglers catch at 1.67kg wasn't as big as Judy's but it is well and truly worth the accolades! What a beast!

The Shark Bay Fishing Club met recently and held our AGM. We are always welcoming new members however we can report that the following now form part of the 2021 committee; Jamie Burton (president), Bryan Riddick (vice president), Joe McLaughlin (treasurer), Candice Uszko, Judy Britza, Sharna Timmer, Shaun Burton and Tiaza Sellenger. The secretary position is still vacant if anyone is keen to support the Club, speak to any of the above members.

The Club is also generating a survey which we will welcome fishers of Shark Bay waters to complete. It will be made public soon so keep an eye out.

## CHANGES TO DPIRD REGIONAL OFFICE (FISHERIES)

Do you need to renew or obtain your recreational fishing from a boat, rock lobster, abalone, netting, marron or freshwater angling licence? You can now do this through the Shark Bay Community Resource Centre (CRC), or online through DoTDirect at a time convenient to you.

The Shark Bay CRC has come on board to help provide recreational fishing licencing services as front counter services are no longer available from the Denham DPIRD office. There has been no change to the operations of our fisheries compliance officers, who will continue to monitor and patrol our fish resources.

The CRC will also have print versions of our recreational fishing guides available for you to pick up, or alternatively, you can access our guides online. You can find all of the recreational fishing rules information online, or by downloading the Recfishwest app at the App Store or Google Play.

Visit the CRC 9am to 4pm Monday to Friday at 10 Denham Road, phone 9948 1787 or email [sharkbay@crc.net.au](mailto:sharkbay@crc.net.au)

# SUICIDE PREVENTION MONTH

## CAN WE REALLY PREVENT SUICIDE?

We may not be able to prevent every single suicide but by working together to end stigma surrounding mental health we have a chance to make a big impact. Every single person can make a difference if we all come together to make talking about mental health a normal conversation.

## WHAT CAN I DO?

Check in on your friends and family and trust your gut. Even if they say they're okay and you feel something is off, follow it! Make yourself present and make them know that your not just a call away but you're right there with them. Presence is so important!

## HAVE THE CONVERSATION

We talk about having the #awkwardconversation a lot at Dusty Roads, but really it doesn't need to be awkward. We need to work toward it being normalised. Asking what's up or saying I can see somethings been bothering you, shouldn't be hard. Ask the question and be prepared to sit and listen.

## MAKE THEM FEEL SAFE

If you think someone you love is thinking about suicide make them feel like they are in a safe space. Talk to them about if they've thought about how they would do it and remove anything they are thinking about using to hurt themselves out of reach.

## HELP THEM HELP THEMSELVES

Sometimes people cant always reach out for help as it feels to overwhelming for them. So help them out. Take them to your local CP for first response help, Or to your local emergency department. Follow through and show them you're there all the way and they are not alone.

## The Chain of Survival

- **Early Access:** Recognise an emergency and call 000 **IMMEDIATELY**.
- **Early CPR:** Begin Cardio Pulmonary Resuscitation (CPR) **IMMEDIATELY**
- **Early Defibrillation:** Use the Automated External Defibrillator (AED) ASAP
- **Early Advanced Care:** Transfer to professional care.

## CRITICAL REMINDER

**For any life threatening emergencies or serious crime/incidents  
the number to call is 000**

In Shark Bay many people have a tendency to call the local agency direct or private phone numbers of volunteers when requiring urgent assistance. Please be aware, this does not make response faster, in fact it delays the response time of emergency services as a response team can not be dispatched until the central command centre has directed them to do so.

Please call 000, response will be faster. When calling 000, it is also important to remember that the operator will ask you the following questions, which will aid them in assisting you as fast and efficiently as possible.

A tribute to the late volunteer  
St John Ambulance Officer  
John MacDonald 6989 Shark Bay

John true to his word said and did retire from being a SJA Volunteer Ambulance Officer on his 70th birthday. John gave 14 years voluntary service to our Sub Centre.

He was always there when we needed a driver, Ambulance Maintenance Officer and a committee member and several times also a vice chair.

He was committed to the;

- welfare of all volunteers, and their partners
- the future of sustaining the dynamic, best practice Shark Bay Volunteer Ambulance Service.

John, past, present, future volunteers and those needing pre hospital care "we salute and thank you".

*Sincerely your fellow Ambo Officers*

## BECOME A MENTAL HEALTH FIRST AIDER

to support friends, family members, colleagues and others

About 1 in 5 Australian adults experience a common mental illness each year. Mental Health First Aid (MHFA) training will teach you practical skills to support someone with a mental health problem. Make a real difference to people in your community.

### STANDARD MHFA TRAINING BENEFITS

#### KNOWLEDGE

Improves knowledge of mental illnesses, treatments and first aid actions.

#### CONFIDENCE

Increases confidence in providing first aid.

#### DE-STIGMATISING

Decreases stigmatising attitudes.

#### SUPPORT

Increases the support provided to others.

*"I enjoyed learning the skills to be an MHFAider. The content was interesting and the facilitators made me feel at ease, even with the more sensitive content." - Georgia*

#### LEARN PRACTICAL FIRST AID SKILLS

- Recognise common mental health problems
- Provide initial help using a practical, evidence-based Action Plan
- Seek appropriate professional help, and
- Respond in a crisis situation

This is a 12-hour educational course, not a therapy or support group.
