# Executive Officer's Report

## Closure

The Shark Bay CRC will be closing our doors from 4pm on Friday the 17<sup>th</sup> December and will reopen at 9am on Monday 10<sup>th</sup> January 2022. We will still be asking for January Inscription Post articles to be submitted as soon as possible during December (before you go on break) as staff may remotely login to collate the publication.

## AGM

We held our Shark Bay CRC AGM and Christmas Party at the Bowling Club on the 27<sup>th</sup> November. After 11 years of voluntary service we bid our farewells to Joe McLaughlin from our management committee. Through the years, his talents and efforts to work collaboratively with the committee and direct our CRC team has helped us accomplish and achieve great results that we are all very proud of. So on behalf of our team in the office, at the Recreation Centre, and the committee, we thank you and wish you all the best in your retirement! But you can't take Nanna Jude away just yet as we need her here in the office!

2020/2021 was another successful year as we accomplished above our reportable service level outcome KPI's and assisted 7,988 individuals alone in our Centre. Our detailed annual report has been made available on our website which showcases the amazing activities, initiatives, events and our Centre staff and finances if anyone is interested in finding out more about what we do for our community.

We welcome to our 2021/2022 management team a vast array of individuals who will help direct the ways we can help our community which include; Sharyn Burvill (Chair), Claire Harrower (Vice Chair), George Livesey (Secretary/Treasurer), Julie Robins, Bryan Riddick, Dave Harrower, Fay Castling and Sherry Baker. Shire representatives including Community Development Officer Ashleigh Buchholz and Councillor Peter Stubberfield also attend our CRC meetings.

## Tom Curtin - dog, horse & musical show

Over 100 individuals made the effort to come along to the live show here in town on the 7<sup>th</sup> November to watch a dog, horse and musical performance show. In true Shark Bay style it was windy and warm, but that didn't deter the spectators nor put the animals off from performing. Tom Curtin has been training his 12 dogs to follow commands for years which included jumping on barrels when asked, returning to their beds, herding goats one at a time when asked and much more. He did have a few issues though with a new pup, Missy, keeping us laughing and entertained as she kept running into the crowd to score a few sausage sizzles and snacks when she shouldn't have.

The 10 horses he brought along are being trained to stand on mats when asked as well as run side by side in circles and also herd children as they pretended to be cattle. One has even been trained to lay down on a swag.

Tom was quite the entertainer other than just being a country music performer. He was always engaging and interacting with the audience to explain his techniques and tones for training animals, the commands he used and lots more. It was a very enjoyable show and worth the few dollars to attend!

A big thank you to the Shire of Shark Bay for allowing the event to happen, the Speedway Club team for providing the venue and bar as well as the Shark Bay Youth Group team for assisting with the food that afternoon/evening. It's not often we have shows like this so it was a fantastic opportunity we are privileged to have been able to organise for our community.

## Children & Seniors Week

A big thankyou to everyone that was able to join in the fun at our Children's Week and Seniors Week activities this year. We had over 100 participate yet again in our annual Halloween community event and 14 registered map stops. We thank the Meerilinga Children's Foundation for providing the funds to purchase healthy dried fruit and vegetables as treats for our little trick or treaters.

Our Seniors were recognised during Seniors Week at a pleasant morning tea located in the Discovery Centre with our very own Katie from the CRC performing on her viola. We thank the Shire for their funds and assistance to facilitate this activity as its extremely important to recognise the enormous contributions Seniors make here in our Shark Bay community.

## Showerhead Program

The Free Showerhead Swap program is happening again thanks to the Water Corporation providing us with replacements. To receive your showerheads you must bring into either the CRC or Shire a water bill with your customer reference number etc detailed as you are required to fill out a quick form online (which we can assist with) before you can receive them. Households are welcome to take a maximum of two showerheads.

Lastly on behalf of the SBCRC we wish everyone a pleasant break over the festive season and hope everyone remains safe on our roads.

## Seniors Week - Morning Tea

To our Council, CRC, makers of scrumptious morning tea's and Miss Katie Yes the Tuesday of Seniors Week we Seniors were invited to a very lavish morning tea at the Discovery Centre. No proof of age was required to be included!!! We enjoyed ourselves surrounded by friends on a lavish table and Miss Katie who played her viola for us (I can not recall the last time I went to a live orchestral concert). We asked Katie for a vintage request which is now on her list for next year "Sadie The Cleaning Lady". So my task will be to find a pair of carpet slippers to wear to the tea. Mrs Margaret Hoult spontaneously sang for us about her beautiful home she received loud and long applause. Thanks to everyone again for a great Seniors morning tea. Fay C.

## Reminder to All Volunteers!

The Thank a Volunteer Day sundowner and awards ceremony will be held this year at the Boolbardie Country Club on 5th December between 5.00 – 6.30pm.

## Christmas Festival Markets

Also being held on 5th December will be the Christmas Markets, with the Seniors' Christmas Lunch on the 9th and the Shark Bay School Concert on 15th. Check the Inscription Post and notice boards for other December activities!

## HMAS Sydney II Memorial Weekend

The HMAS Sydney II memorial weekend events, held between 19-21st November, were a great success. Thanks to everyone involved in the organisation of all aspects of the occasion. Thanks also to the many visitors and locals who attended the events, which concluded with a memorial service at the Discovery Centre Sydney II Wall to honour the memory of the Sydney and her crew, which was lost 80 years ago and not found again until 2008.

The significance of this historical maritime event to Shark Bay relates to the battle itself and what took place in November 1941, to the West of Shark Bay. The location of the wreck was not confirmed until the Finding Sydney Foundation located it 112 nautical miles west of Steep Point, off our coast. Denham is recognised by the Australian Government as the closest town to where the battle encounter took place and also the resting place of the ships.

## Grant Applications

The Shire has made an application for funding to the Road Safety Commission for \$2,040, which will be used to

produce brochures aimed at assisting visitors to Shark Bay to safely explore our local 4WD tracks and leave 'no footprint'.

An additional grant application for \$9,260 has been submitted to the Department of Communities for a feasibility study to be conducted for the potential creation of a community garden. The outcome of both these grant requests has yet to be advised.

Cheers

# A Month in Town with the Boys in Blue

It was brought to my attention recently that there was a time when every month the Inscription Post had a monthly update from the local Police Station. I was told that this was a popular piece and although we do aim to have a presence on social media I understand that not everyone has access to these platforms. With that in mind, we are delighted to be back and moving forward you will get a monthly update on all things the thin blue line in the Inscription Post. Kicking off this month with a look back on November and an introduction to our latest member in town..... me.

Prior to arriving in Shark Bay I worked at Warwick Police Station which is in the Joondalup district. Shark Bay is now my second country town having spent a few years working in Laverton, which is a small town in the Goldfields located 950km North of Perth. In my time there I also worked in Warburton and deeper into the desert at Warakurna which is 1,700km from Perth. I am sure that if you have met me then you will have guessed that I was not born in Australia, I am also not Irish as many guess :)

I was born in Dunfermline, Scotland and moved to Australia 9 years ago after leaving the Royal Navy. From there I joined the Police and in my career when not in the country I spent my time working north of the river from Warwick to Two Rocks and everywhere in between. I am very happy to be here and be a part of the fantastic community that is Shark Bay and I look forward to meeting those of you who I have yet to meet.

We would like to thank the community for assisting us by notifying our officers on patrol of the location of a male who

had previously stolen some alcohol from a local business. It is fantastic to see the community take notice of these incidents watching the video which was posted on social media and then alert us when they spot a person matching the image. This male was subsequently charged with stealing by our officers.

This month we were also very happy to have some local school students visit the police station. During their visit they had a tour of the station and vehicles, while also having their fingerprints and mugshots taken. They were all fantastic and a real credit to the teachers, staff and their parents.

A huge thank you to everyone involved who worked so very hard to organise the HMAS Sydney memorial event in paying honour to everyone who gave the ultimate sacrifice that day. It was a very fitting tribute to those individuals and the event as a whole was a real success. From what we could see on our patrols everyone who attended the show on Saturday had a fantastic time which is exactly what everyone wants. On a personal note, having served at sea on many operations including Iraq.

I have lost friends to war and attended many memorial events over the years all over the world. So for me, It was a real honour and privilege to lay a wreath wearing my Royal Navy beret remembering everyone who has given the ultimate sacrifice for their country.

# Shark Bay School News

The staff at Shark Bay School are a team committed to caring about both student wellbeing and student achievement. Like all schools, we work continuously to improve our practice, ensuring we are up to date but not 'faddish'. Our new programs this year have taken a lot of work to implement and have required staff to upskill and work in new ways. Everyone has risen to the challenge. It's always good to get some positive feedback and at a recent Midwest Principals' meeting it was an honour to be asked to speak about our school and the progress we are making, and to be recognized as a school that can inspire others in cultural responsiveness and providing learning pathways to benefit all students.

Miss Chrissy and Mrs Cooper are currently becoming skilled in delivering another new program, MaqLit, linked with our suite of InitialLit Literacy programs and this is planned to provide continued assistance for students moving into middle and upper Primary and beyond.

Thank you all staff members for your great work – it is being recognized across our region.

## Progressive Achievement Testing (PAT)

In term four we conduct PAT tests in Reading Comprehension and Maths for all Year 1-6 students, and Spelling for all Y3-6 students. We have seen AMAZING achievements and improvements that confirm just how much our students are benefitting from our new programs. Our team of teachers and Education Assistants are doing a fantastic job, made easier by the enthusiasm and determination of our students. Well done everyone – you make us proud!

## World Teachers' Day

What a lovely, kind surprise for all teaching staff from all support staff – we were all treated to a fabulous morning tea, with special gifts for all the teachers on Friday 29 October. Thank you!

## Kindy - PrePrimary Excursions

Our KP students have been learning about community members who help us, and ways to stay safe. They have been enjoying a series of morning excursions to the Police, the Ambulance, the Fire Station and the Bowling Club. Thank you to the organisations, staff and volunteers for making them so welcome.

## Bird Incursions with Alice Bishop

On Friday 29 October it was great to welcome Alice Bishop from Birdlife Midwest to talk to our students about shore birds that live or visit our shoreline. It was amazing to hear how far some have to travel to breed and the environmental challenges they face. We learned to identify some birds and coloured outlines of them to assist with identification. Thanks to Alice and to Karen Gidley for organizing this for us.

## Assembly and 'Fashions on the Field' Parade

Tuesday 2nd November was Melbourne Cup Day so a great excuse to dress up in 'Fashions on the Field'. Everyone looked great!

Congratulations to certificate winners:

K-P Jett W, Cason, 1-2 Helena, Pippa, 3-6 Bailey, Miah, Lachy, Myah, Levi P, Kaylee, Mathias, Mitchell, 7-12 Telleisha-Rose, Tiah, Guitar – Brody and Soren

Big congratulations to students who were awarded certificates from the Australian Maths Competition - Brody, Tayla, Finn, Denzel and Jennifer; their SIDE teachers were proud of them all.

## Remembrance Day

At school and in the community, our students were proud to remember those who have made sacrifices for our country and peaceful democracy.

Our Year 6 students represented the School at the official ceremony and found it very moving. Meanwhile our Year 5 students ably led a small ceremony of remembrance at school.

## Remembrance Day Pioneer Park

On the 11/11/21 at 10:15 the year 6s walked to Pioneer Park to remember all the soldiers who had to fight for our country at such a young age.

We arrived at 10:40 and looked around the park and saw all

# Shark Bay School News

the equipment they used to battle. After that we sat down at the back and waited for more people to come. When everyone arrived we started listening to the preacher praying to God.

When they finished praying, our year 6s laid a wreath while Howard sang some songs, the songs were really good.

When it was all over we were told that there was cake at the town hall but there was nothing when we got there. Isabella started getting low so we called Miss Bec and she said to go to the café and get a small milk shake and a cake each, it was yummy.

After our yummy food we walked along the amazing water back to Shark Bay School and waited till lunch.

## Graduation and farewell to our Y12s

With mixed feelings we said goodbye to our two Year 12 students at their Graduation Party on Friday 12 November. They received certificates and small gifts from the P&C, presented by Chair Natt Dul, followed by a few words from their Mum Bec, our Manager Corporate Services, making it an extra special occasion. Jennifer and Nicole Moroney have both made a great contribution in every aspect of the school – academic, sporting and social. We especially appreciate the ways they have 'given back' to the school community, particularly in support of younger students. It is fantastic to know that both are headed to University to become teachers. We wish them all the very best with their ATAR and future studies. In the meantime, as they both already have Certificates qualifying them in Sport or Education Support, we know where to look when we need extra help at school.

## Introducing our Buyungurra Block Teacher for Semester 1 2022, Mr James

Hello Shark Bay. I'm looking forward to meeting you next year. I'm a HASS and science teacher, but I enjoy sport and arts so I'll enjoy learning the other subjects with you as well. I'm an archaeologist so hopefully I can share some of my

knowledge with you, and I'd like to learn some local history on Malgana country. I love nature so I'm excited to be living in a world heritage area. See you all soon. Mr. James

## P&C

Thank you P&C for all the fun – the Glow in the Dark Disco on Saturday 13 November was great!

## School Council

The School Council met on Tuesday 9 November for our final meeting of the year, reviewing data and looking ahead to next year, which will focus on celebrating our school's progress and our ongoing plans for further improvement. Enquiries about Council membership are welcomed – we would love to involve some more parents.

## Around and about at school

Thanks Miss Tish for helping out with extra cleaning this term, and finding, among other things, our Chess Set! We love it.

## Cricket

Thanks to WA Cricket for the Cricket Clinics they ran on Tuesday 16 November, and their plan to continue to support cricket at our school.

## Safety on the school site

Please help us keep your children safe; closed in shoes, hats, and family familiarity with our Bushfire plan are a great help. We'll provide any key updates on COVID as necessary. We expect all staff to be required to be vaccinated for the start of 2022. Parents/students will not be required to be vaccinated to be on school grounds.

Enquiries welcome at any time.

## Meals on Wheels Term 4

This term SBYG provided a three-course meal for 45 seniors (pumpkin soup, shepherd's pie and a chocolate chip muffin) AND youth prepared a two course meal for their families. A yummy feed was had by all!

Thanks to Jo for helping with the cooking and to Jess and Julie for deliveries.

## HMAS Sydney Memorial Weekend

Shark Bay Youth Group were honoured to have been a part of the HMAS Sydney Memorial Weekend. We stayed up all night on Friday and Saturday night to keep the equipment safe, we did 4 hours of face painting during the concert and we provided Flag Marshals for the Service on Sunday. Congratulations and well done to all our youth who participated.

With a few regulars away from the Bay, starting fields have been a little on the light side during November. However, the usual suspects have continued playing regularly in our Wednesday and Saturday 9-hole events. The following lists the winners and runners-up for the past month.

Event – Stableford	Winner (Score)	Runner-Up (Score)	Nearest the Pin*
Wednesday 27 October	Peter Llewellyn (18)	Jill Deschamps (16)	Peter Llewellyn
Saturday 30 October	Colin Ashby (22)	Peter Llewellyn (15)	Peter Llewellyn
Wednesday 3 November	Jill Deschamps (16)	Peter Llewellyn (16)	Peter Cope
Saturday 6 November	Peter Llewellyn (12)	Jill Deschamps (9)	-
Wednesday 10 November	Peter Llewellyn (17)	Jill Deschamps (14)	-
Saturday 13 November	Jill Deschamps (17)	Lyn Harding (13)	-
Wednesday 17 November	Peter Cope (20)	Jill Deschamps (11)	-

\* Nearest the Pin second shot on Wednesdays.

Although drying out, the course remains well grassed and is playing long especially when playing downwind with the aid of the southerlies. The greens have recently had some care and attention and are playing true although a little slow at the moment, they are expected to speed up over the summer months.

Daily handicap movements this month have seen Colin Ashby out 2 strokes to 18 and back 2 strokes to 16 with some good rounds at Serpentine Golf Club. Peter Llewellyn lost a shot down to 16 and Peter Cope initially out one stroke to 18 and after a good couple of rounds down to 16.

Club competitions are 9-hole stableford events played every Wednesday and Saturday with a 1:30pm registration for a 2:00pm tee-off. The bar at the 19<sup>th</sup> Hole is open following the game.

Visitors are welcome at any time. Visitor green fees are \$5 for 9 holes (honour system) and cards are available at the clubhouse.

Sets of clubs are available on club competition days or by prior arrangement at any other time. Motorised buggies are available for hire on competition days at \$5 for 9 holes for non-members and \$3 for members.

Boolbardie has sand greens and conforms to the Golf Australia sand green rules where the player is able to smooth the putting surface with a provided smoother/rake prior to putting. (For more information see <https://www.golf.org.au/special-rules-for-sand-greens/>). Also, preferred lies and teeing up on fairways is permitted under our local rules.

Boolbardie Country Club wishes everyone a Merry Christmas and a prosperous 2022 and we hope to see some new faces in the new year to come out and enjoy a round of golf and the great facilities on Australia's most westerly golf course.

## Night Sports

Badminton and Basketball, have been cruising along with good numbers attending both sessions on a weekly basis. On Wednesday the 17<sup>th</sup> of November there was a ripper game with at least 20 players all subbing on and off through out the session. The game ended up being a cliff hanger right till the end, when in the last 10 seconds (extended time) the blue team managed to win by 1 point! Thanks to Kim for umpiring and the crew from Youth Leadership Camp with Capesy who were all the way from Karalundi Mission for joining in to make it an awesome game. Thanks to Sean McNear for all of his assistance with getting the numbers up for basketball.

## Kindy Gym

We had a lovely first birthday celebration for our only twin members, Filipe and Nina. We all enjoyed the cake but no one did more than these two. We are looking forward to our Kindy Gym Christmas party on the 14<sup>th</sup> of December when we will celebrate with a morning tea, Christmas craft, a visit from Santa, presentation and a little graduation for our Kindy kids that will be moving up into Pre Primary at school. All the best to our members Xavier, Troy, Lahayla and Jett in their big school journey. Again, a big shout out to The Shark Bay Hotel for gifting SB CRC with a \$600 financial contribution towards Kindy Gym from their community meat raffle proceeds. Thank you in advance also to our brave Santa and the Shark Bay Firies for bringing Santa to us in style.

## Closed

The Rec Centre will be closed over Christmas from the 17<sup>th</sup> of December to the 10<sup>th</sup> of January. We will be reopening on weekdays 9am to 1pm with Open Courts and general table top activities along with Night Sports with Vivian.

# Shark Bay Community Men's Shed

Really positive news to share this month.

Tony and Carlos have been working flat out to relocate our gear from our old location to 29 Hughes St Denham. The team was even lucky enough to have CDO Ashleigh along to help supervise the operation. The Shed team are very grateful to the different owners of the old shed who have allowed the team to use the shed rent-free for many years. This has helped form a basis for the gathering of equipment and materials ready to be moved to Hughes Street.

The Shed team is also grateful to the Shark Bay Hotel (Old Pub) for the funding grant to help pay the Shed's Public Liability costs.

The decision to increase the fund amount and share the funds between all groups who submitted applications was a fantastic decision for community groups in the Bay. It is a requirement of our new lease with the Shire that the group has Public Liability Insurance of \$40million dollars. It is important that members and anyone involved with courses operated by the Shed are covered in case of accident or misadventure. This is a considerable expense. It is hoped in the future that the Shed will become such a useful resource to the local community that the Shed will be able to become financially self-supporting.

Hopefully in the near future, we will be open for business and able to welcome many visitors INTO our shed.

Feel free to drop in and discuss coming activities with the crew at 10am on a Monday morning.

On behalf of the Mens Shed team may we wish all members, future members and the entire Shark Bay Community  
**A VERY MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR**

# Shark Bay P & C Association

Here we are looking at the end of another productive year for our school community. The P&C has been ticking along nicely... Our team of volleys have carried out a bunch of various fundraisers and activities this year not dissimilar to the past few years. With this team of community members, businesses, school staff and parents, we have been able to provide services such as the school uniform shop, host various activities and fundraisers which have been facilitated in the form of raffles, grants (SB Shire) donations, money boards, footy tipping comp, two disco's, Mother's and Father's Day stalls, school lunches and the Lego Club. We have been able to support other community events like the Fishing Fiesta with a snack bar and sausage sizzle on the Kid's Comp day.

In 2021, through these initiatives mentioned above, the P&C has been able to fund Kindergarten welcome packs, year 12 and year 6 graduation gifts, new school hats for all students at the start of 2022, get new Disco equipment, provide morning teas at school events and have sponsored the Courtesy and Consideration awards at the EOY concert in 2021. We are also happy to present a novelty cheque to the school during the EOY concert coming up on Wednesday 15<sup>th</sup> of December. Over the course of next year, this funding will be distributed in order to develop personal and social attributes for the long term wellbeing of our students at Shark Bay School.

On a personal note, I would sincerely like to thank certain individuals that have gone above and beyond to assist the P&C over the course of the year. It literally couldn't happen without them. You all know who you are. Thank you also to our wonderful executive committee: Rebecca Moroney (Secretary/Treasurer), Tiaza Sellenger (Vice), Celia Elissegaray (Ex Officio), Sarah Robinson, Claire Harrower and Tish Browne (Exec. members). Of course, there are too many volunteers to thank here but we are grateful for each and every one of you that contributed your valuable time and energy.

The P&C committee would like to express our appreciation for all of your support over the year.

We would especially like to thank the following people, organisations and businesses for their generous donations over 2021.

# Marine Rescue Shark Bay

Marine Rescue Shark Bay have responded to several calls for assistance recently. A broken down vessel was towed back from Shelter Bay and a fuel delivery was made to five men fishing at Sandy Cape. They had left from the homestead campground on Dirk Hartog Island and blamed an inaccurate fuel gauge for their mistake.

Our new committee has held its first meeting and are looking forward to next year and continuing to progress our newer members through the training pathways. We have appointed Ian Ruck as our training officer, and Chris Rewi as appliance officer responsible for maintenance. Next years training calendar should be finalised before Christmas.

Members took part in the HMAS Sydney 2 Memorial march and laid a wreath as part of the fantastic weekend of commemoration put on by the Sydney Association.

We will hold a Christmas party in December for all our volunteers and their families. An email will be sent out shortly once the date, time and venue have been finalised.

DFES and the Dept. of Transport are set to introduce a new state-wide log on/log off, (LOLO) service through a smart phone app named Deckee. The app currently offers boating safety information such as local weather information, detailed boating guides and lots of other useful information as well as fishing spots uploaded by users.

A one day workshop in Geraldton will see Marine Rescue volunteers from the eight Midwest/Gascoyne groups come together to have input into how the LOLO service will be managed. The app can be downloaded to use now, and once the new service is introduced it will be of great benefit to the safety of the boating public.

Marine Rescue Shark Bay would like to wish the people of Denham and all our visitors a safe and happy time out on the water throughout the Christmas/New Year period.

# St John Ambulance Shark Bay

On Thursday 11<sup>th</sup> November, the St John Ambulance sub center was a hive of activity when we were greeted by 7 very excited little kindy and pre primary students from Shark Bay School. They arrived with their teachers and favourite teddy bears in tow and were very eager to learn what our sub center was all about.

They were given a full tour of the inside office area and training room, before going out into the shed where they were able to climb aboard into the back of the ambulance, as well as sit in the driver's seat. The kids were then given the opportunity to strap their classmates onto the stretcher and wheelchair and take each other for a little ride. We practiced bandaging their teddy bears, which presented with all sorts of weird and wonderful injuries courtesy of the children's imaginations! Our visit was wrapped up with some colouring in and the more important practicing what number to dial when you're in an emergency and need an ambulance.

The kids had as much fun as us Ambulance officers and we thank them kindly for visiting.

## Wellness branch visit

It was great to see in excess of twenty Shark Bay DFES volunteers take advantage of a recent visit from the Wellness Unit. Chaplin Dennis did not preach religion, he highlighted to us all that when any of us are deployed to an incident it not only effects those who attend. It involves family and friends etc. We need to look after ourselves and our volunteer mates. Take a step back if needed and it's OK to say no, I am not available or want to go. The Wellness Brach is here to help us, not only in an incident issue but also for relationship and financial advice.

## HMAS Sydney weekend

Our unit members decided to be involved with this memorial event by showing the public what equipment is used for vertical rescues. We had Spit's girlfriend (they are our training rescue dummies) strapped into a Stokes Stretcher whilst suspended by ropes through the Larkin Frame. Other information on show was the latest news on cyclone preparedness and PLB's (Personal Location Beacons). This information is also available at the CRC just ask their friendly staff for it.

## Personal Locator Beacons. (PLB)

PLB's are very important for your safety if you plan to travel Bush, off road or go prospecting. It has recently been highlighted of their importance with the family with two young children bogged in the middle of Australia for quite some time alone. Thankfully they were able to be found safely and helicoptered out. This was possible because they had a PLB in their vehicle. If you are looking for a great Christmas present for your loved one our Unit has several for sale, just go to the CRC and they are available there.

## Vertical Rescue training

The unit recently had confirmation that we will soon be the proud recipients of a dedicated vertical rescue training facility. This will allow our members to continue to maintain vertical rescue skills. We feel that this will be a great asset for the community as more people visit places such as Dirk Hartog Island and Steep Point that have high risk areas.

If you would like to join our band of volunteers, just give 0429 481 218 a call or come along to our training nights, 5.00pm on the first three Mondays of the month at the Emergency Service Precint, cnr of Durlacher and Dampier Road.

Don't forget as we head into the busy time as far as cyclones and fires go, if you need to get the most up to date advice on any incident to visit [emergency.wa.gov.au](http://emergency.wa.gov.au)

Keep your premises cyclone prepared and your personal cyclone preparedness up to date.

We wish you all a happy and safe Christmas period, don't forget the PLB if you go bush or even to your local secluded beach getaway.

# Shark Bay Speedway Club

Although our season wrapped up in August the club has been a hive of activity recently. The final stage of our post and panel project is well under way with the project to be completed ready for the start of the 2022 season. This has been a major undertaking by the club and wouldn't have been possible without all the sponsors who have bought a panel. We are still in need of a few more sponsors so if you are keen to get on board feel free to contact the club. A massive thank you also needs to go to the Shire of Shark Bay, Oakley Earthworks, Grayt Maintenance Solutions, R&L Couriers, Shark Bay Freightlines and all the volunteers who have helped during the duration of this project.

With the 2022 season calendar locked in, next year is looking to be another great year for speedway in the Bay. It will see 5 meets held here with the club reaching a huge milestone at the 35<sup>th</sup> Far Western Championships. There will also be trophy divisions at each meet for all club divisions, and with interest being shown from other divisions there could also be some extra inclusions during the season.

This Saturday will see our AGM at 3pm followed by our annual community Christmas party. There will be a slippery dip for the kids, (and adults if anyone's keen), sausage sizzle and who knows Santa might even make an appearance. The club is always looking for help so if you want to get on board, step up and help the committee or just get involved and help out please come along and support the club. The growth that the club has been through over the past few seasons and the support from our travelling members is proof that speedway is alive and well in the Bay and we are excited for what the future holds.

On behalf of the committee I would like to take this opportunity to thank everyone that has helped the club during my time as president over the last year. From all our

sponsors to the volunteers that help around the club and on race day, we couldn't do it without you. We wish everyone a safe and merry Christmas and all the best for the new year. See you on the track in 2022.

## HMAS SYDNEY Memorial Weekend 19<sup>th</sup> - 21<sup>st</sup> November 2021

A fantastic tribute to all those brave sailors who lost their lives on the warship "HMAS Sydney" 80 years ago. Also acknowledging those on the German Ship "HSK Kormoran". A extremely memorable time for all who attended the events over the weekend.

The weekend events started of with a live screening of the service that was held in Geraldton at the HMAS Sydney Memorial. The major highlight of the weekend was on Saturday, the "Memorial Concert". What an event! It was great to see aprox 400 people relaxing on their camp chairs/bean bags/picnic blankets etc (old fashion style), enjoying each others company, having a quiet beverage and singing (or dancing) to the fantastic music and dancing put on by the entertainers. Many photos taken, many memories made.

How proud we all should be to be able to sit in our chairs on the Denham foreshore and watch entertainers and bands at a free event including; Red Ochre, Coral Coast Dance

Academy, Royal Australian Navy Band WA Reserve, The Troupadores, Johnny Young and the Strangers and the one and only Normie Rowe and friends. All playing and performing at the one beach side venue here in our home town on the same day. This day will remain in many of our memories for years to come.

On Sunday, over 200 people came along to participate and watch the Memorial March, the Final Chapter ceremony, prayers, guest speakers addresses, Ode, Last Post, Reveille, National Anthem and a song sung by our own Howard Cock. Everyone was then invited to walk to the end of the jetty to lay a sprig of rosemary in the water, remembering those souls lost at sea.

Many different organisations contributed and came together to make this event such a success, and we thank you all.

*We will remember them  
Lest we forget*
