# Executive Officer's Report

The 26<sup>th</sup> annual Fishing Fiesta has come to a close with our hard working volunteers catching up on plenty of sleep and finally getting our houses and lives back in order. My floors are mopped and vacuumed so that's a bonus! Our community is drawn together to host this event, running events collaboratively with many items being borrowed from other groups or individuals (marquees, bain-maries, outdoor heaters, banners etc), as well as donations of items for the community auction as well as cash sponsorship for give prizes, provide free entertainment and other social development opportunities and activities. Continued support from our community, local and regional businesses as well as grant funding providers will ensure this Fiesta continues into the future, providing Shark Bay with economical benefits for our community as well as fish research statistics for the Department of Fisheries and Recfishwest organisations.

Its still the early stages of wrapping up the event finances for the Fishing Club but I can tell you that the event was very successful especially for our local community groups fundraising. We have welcomed a gross income of close to \$40,000 this year. Reports of finances and participation results back from community groups and activities include;

- Shark Bay P&C Association - \$967.89 from two money boards, sausage sizzle and a snack bar.
- Shark Bay Bowling, Sport & Recreation Club is still calculating their curry night profits and meal numbers.
- Shark Bay Business & Tourism Association - around \$2,500 which they advised will be donated to St Johns Ambulance, from 14 quiz tables booked (8 per table was encouraged) and their silent auction items.
- Shark Bay Youth Group hosted the 80 seated exclusive long table high tea and had 17 helpers. They are keen to continue with the event in future.
- Shark Bay CRC – around \$500 from our meals and glow party fundraiser.
- Shark Bay Arts Council - \$200 as they assisted to make 20 headpiece creations.
- Biggest Morning tea cancer fundraiser raised \$437.50. 52 people attended with Lisa and Pedro kindly donated plant prizes for a raffle.
- Bogan Bingo sold 52 tickets - \$520.
- 55 kites were made.
- Over 20 markets stalls for the weekend
- 14 participated in the Tuesday Crafters session.
- 60 attended the Wednesday Bingo session.

- 110 Economic Impact Surveys were returned and we are still calculating the results.
- The Shark Bay Fishing Club alone served over 500 meals.
- 36 individuals participated in the fish fileting and cooking demonstration.
- 30 release weights were issued with 120 circle hooks given to fishers to assist and encourage sustainable fishing practices.

These above organisations and groups did an amazing job catering or hosting fundraisers, especially when they can't predict the attendance numbers or the weather. The Fishing Club and CRC appreciates all the hard work each of these groups put in to enhancing our Fiesta and by taking special consideration to COVID rules as well as health and safety requirements for food handling and liquor licencing.

The Fishing competition welcomed 121 fishers this year (only up by 2 fishers from 2019) and included only 35 boats. 6 Junior anglers entered which was fantastic to see as well as 25 kids in the kids "Catch & Release" fishing competition. As you can imagine, the kids had lots of fun, with several decent bream being weigh in, as well as a baby black snapper and baby bluebone. It was a magic day in the Bay and the kids really enjoyed themselves.

# Shark Bay's 26th Fishing Fiesta

This year prizes included cash which we can advise in many cases, came back over the bar or through payments in the community auction. At the end of the day, the more money the event makes, the more money we can put back into our community!

A big thank you to all our sponsors and especially the Shire of Shark Bay, Horizon Power, Gascoyne Development Commission and High Grade Mechanical for all their support, in the way of equipment, advice as well as cash support. Also a big thanks to our 2021 voluntary Fishing Club committee, the Shark Bay CRC staff and committee and during the week volunteers who have gone over and above during busy and in some cases difficult times to ensure this event continued bigger and better than before. Everyone pulled together when we needed you, volunteered their time and even took annual leave from work just to organise this event so I must personally thank all our helpers; Shaun Burton, Joe McLaughlin, Judy Britza,

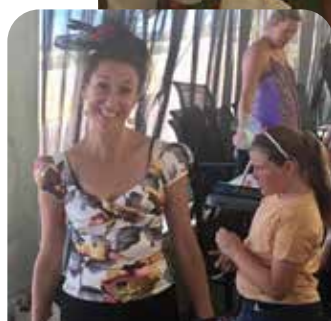

Candice Uszko, Bryan Riddick, Dave Harrower, Claire Harrower, Brian Child, Tegan Tomshin, Natt Dul, Amber Skrjl, George Livesey, Sherry Baker, Jo Wilkins, Jake Musarra, Luke Porter, Tiaza Sellenger, Julie Kent, Julie Robins, Corina Robins, Tish Brown, Sarah Bec, Fiona Oakley.

Next years Fiesta will hopefully be as great but we always aim to get better. We have learnt several lessons as you do after any event and we look forward to recruiting new valuable volunteers from our community to help plan and run this event in 2022. We can't wait to see you again on the 13<sup>th</sup>-20<sup>th</sup> May 2022 at our 27<sup>th</sup> annual Shark Bay Fishing Fiesta

# Shire President's Report - May 2021

## Shire's Community Assistance Grants - Round 2

These Shire grants are dedicated to ensuring local community-based groups are supported and encouraged, with this round aimed at equipment and/or minor community focused projects. Council considered applications for financial assistance from local community groups at the May meeting and agreed to the following organisations being allocated the funding below;

- Marine Rescue Shark Bay (barbeque replacement) \$1,000
- SJA Shark Bay Sub Centre (volunteer training workstation upgrade) \$2,000
- Shark Bay CRC (community noticeboard, Charlie Sappie Park) \$1,000
- Shark Bay Speedway Club (cool room panels) \$2,500
- Shark Bay School P & C (disco equipment) \$1,500

## Significant Event Sponsorship Funding

Under this funding stream, Council also approved an application from the Shark Bay Business and Tourism Association for \$5,000 towards prize money to support the January 2022 Wind on Water Festival (anticipated to be an ongoing annual event), which is proposed to be a two-day festival including water sport competitions, a community art project and social community activities. January is deemed to be the windiest, and therefore the best, month for kite surfing in the Bay and the event is intended to attract visitors during the January school holidays.

## Dual Use Pathway – Stella Rowley Drive

Council has agreed to commence work on the installation of a dual use path which will extend from Denham to the lookout on Stella Rowley Drive. Future completion of work on the entire path will be contingent on other budget priorities and securing of external funding.

## Grant Funding Applications

As advised in my previous report, the Shire is awaiting the outcome of a \$2.5m grant application submitted to the Building Better Regions Infrastructure Fund. Should this submission be successful, the funds will be used to construct 12 new units and extend the Denham Herald complex. An additional application for \$20,000 from the Department of Communities has been submitted to assist with costs to replace the existing roofs.

## Emergency Communication Services

The need to ensure that communication services and equipment remain operational in the event of emergencies and natural disasters was highlighted during the recent cyclone and raised at May's LEMC meeting. The Shire has therefore submitted an application for an NBN fixed satellite to be located at the Recreation Centre, which will ensure that communication services are available throughout future emergency situations.

## Shark Bay Fishing Fiesta and Denham Triathlon Events

Congratulations to everyone involved in organising,

supporting and participating in these two recent events. It is awesome that there are so many in our local community who are willing and able to give their time and effort to providing activities and entertainment, contributing to our lifestyle and enjoyment of living in the Bay!

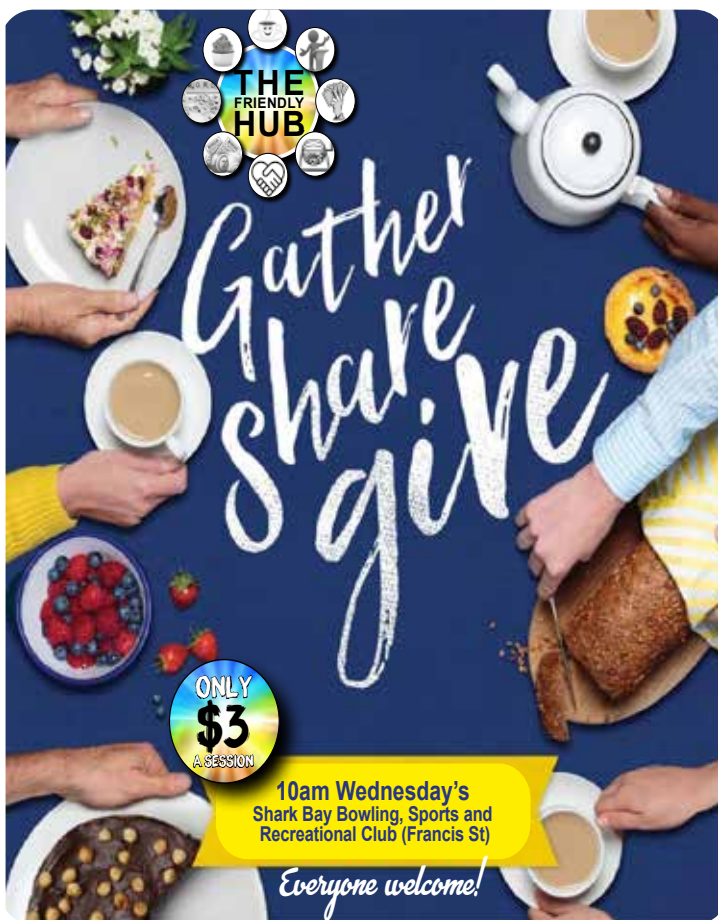

Cheers

## Denham turns out for first Triathlon

On an unexpectedly cold Sunday morning, 28 entrants turned out bright and early to swim, cycle and run in Denham's first Triathlon.

The Shire of Shark Bay and the Geraldton Triathlon Club began planning last year, after the Denham community expressed interest in having a triathlon in our picturesque world heritage region.

On Sunday 2 May it all came to life when the Geraldton Triathlon Club travelled up to Denham and finalised a course that included a 10km cycle past Little Lagoon with a final run along Denham's popular foreshore.

The organizers were delighted with the great turn out and thanked the local police and volunteers who assisted with marshalling the course and enthusiastically cheering on all the competitors.

Special mention to the local Denham participants who were a standout in their categories:

- Team Cool Kids (sprint course team)
- Sharna Timmer (short course – female)
- Tyler Harries (short course – male)
- Duncan Heyes (long course – male)
- Team Three C (long course team)

The community of Shark Bay are grateful to the Geraldton Triathlon Club for hosting such a professional and fun event.

Denham Triathlon participant, Fiona Jol said "this event highlighted Shark Bay's great community spirit and provided a social and competitive opportunity. I am looking forward to next year's event".

## Upgrading of town TV Transmission

The town's TV transmission (for WIN, GWN and the TEN network) needs to be upgraded from an MPEG2 to an MPEG 4 system. This is a required upgrade to ensure the continuity of the service, but unfortunately many older TV's are not able to decode the MPEG4 signal, and so will not be able to receive pictures and/or sound once the upgrade is completed.

For those residents and visitors who do not want to buy a new TV, a set top box (cost between about \$40 - \$70 from most reputable electronics stores) should be sufficient to decode the upgraded signal.

To give everyone time to get ready for this change, the Shire has arranged to delay the upgrade of the system until 30 June 2021.

If you have any questions or queries, please contact the Shire for more information.

## Pump Track

The Shire received an overwhelming positive response from the Denham community regarding the idea to upgrade our skate park to a pump track. Community consultation was held in early May at the Shark Bay Recreation Centre and Shark Bay School, enthusiastic comments was also received via the Shire's website and social media. The Shire Administration is now liaising with Parkitect Australia regarding the Modular Pump Track construction in Denham.

Below is the proposed upgrade from Shire Park to Pump Track.

# Shark Bay School News

Hello from school, nearly half way through our second term. It's been a challenging year so far for the Department of Education of WA, supporting schools in multiple regions through bushfires, COVID and cyclone effects. We had an easier start to term 2 than many other schools, and spare thoughts for Kalbarri, Binu and others who were badly affected. It has been impressive to see how efficient the Department has been in response – strong proof that all schools, including regional ones like ours, are valued, known and individually supported where needed. In less dramatic fashion, our school also accesses support, resources and advice from our regional centres to ensure that we have the best programs and advice to meet our students' needs. We're a proud government school, caring every day about every student's achievement, safety and well-being.

## Final Day Fun for Easter

Thank you Miss Bec and helpers for running an afternoon of Easter Fun on the last day of term 1, with egg hunts and lots of games. Congratulations to our Raffle winners Wynter and Cason!

## Easter Holidays

It was great to hear that our students and their homes were safe and well through Easter and their stories of their holiday activities. Here are Recounts from two of our younger students.

*On the holidays I went to auntie's and to Wynter's. We went in the pool and on the trampoline. I saw my nan and my cousin. I went to the jetty and saw a shark. Finally I went to have a sleepover at my nan's and Wynter came to my house. By Arlee*

*When the school holidays began there was a cyclone. We went inside to the bottom of the house. It was fun because we had popcorn! Firstly, after the cyclone we played a pirate game where we had a spaceship. It was fun. After that we played with the Lego. I made a ski-slide for a water skiing robot! Finally, we had a movie. It was my best holiday ever! By James*

## Shaun Tan Exhibition

Thank you to the Discovery Centre for inviting us to the recent Shaun Tan Art Exhibition. Our upper primary and secondary students all had excursions to view the art.

The Y3-6 students were inspired to do their own version of what to do in summer..... This is Yonten's.

## High School Scholarship

Congratulations to Laylah on receiving a James and Rose Coombe Scholarship for 2021. We're proud of all students who undertake ATAR courses for university entrance. A lot of support is provided, with specialist ATAR tutors at SIDE, but individual determination and effort are critical. We know that our graduates will start university with study skills that surpass most other first year uni students. Good luck to our current Y11 and 12 students in their next rounds of exams.

## Assembly 26 March

Thank you KP students for your song reminding us all to brush our teeth! Certificates were awarded to Caleb, Liam, James, Marley, Phoenix, Connor, Soren, Tayla, Emily and Chloe.

## Mothers' Day

We enjoyed a lovely morning on Friday 7 May in honour of all Mums, Grans, Aunties and other loving carers, with our quadrangle full of people enjoying the sunshine, activities and pancake breakfast.

## Swimming Carnival

We took a team to participate in the swimming carnival on Wednesday 31 March in Carnarvon. All our students were a credit to us and made a huge effort. Our team came second on handicap. Particular congratulations to Keesi, Belle and Champion Boy, Bodhi. It was great to see so many parents there in support.

## ANZAC Day

Thank you Y6 Leaders for running our school ANZAC service on Friday 23 April. It was a lovely reflective start to the day.

On ANZAC Day we were pleased to see so many students attend one of the services at the Pioneer Park. Year 6 student leaders Isabella and Kaylee represented the school, marching and laying flowers.

**Mental Health Incursion**

It was great to welcome Mike FitzPatrick from Youth Focus to the school on Friday 30 April. He gave a workshop for parents/staff before school and then for lower and upper secondary students.

**School Camps**

Last year we were disappointed to have to cancel most of our travel plans for overnight stays and camps. While COVID precautions continue, camps are complex to plan and have to include contingencies for unexpected changes or lockdowns. The process of re-thinking camps for this year has strengthened our sense of purpose and of the risk/benefit ratio and specific needs of different age groups. Our Year 6 cohort always enjoy

a 3-day camp centred on developing skills for getting along and leadership, featuring lots of outdoor games and challenges and this year's camp was no exception, but we have changed our thinking from a one-size-fits all secondary camp, to separate smaller camps. We plan to take mid-upper secondary students to Geraldton to explore TAFE/University options for the future, especially in our region, as well as having some fun and visiting Northampton DHS for some friendly games, and our ATAR students will have their own camp to Perth to prepare them for university life.

**COVID**

We follow all current guidelines and know that the situation could change at short notice - please be alert for messages. Enquiries welcome at any time. <https://myschool.edu.au/school/48507> [https://www.det.wa.edu.au/schoolsonline/overview.do?schoollID=5418&pageID=SO01&resetSearchType=ONE\\_SCH](https://www.det.wa.edu.au/schoolsonline/overview.do?schoollID=5418&pageID=SO01&resetSearchType=ONE_SCH)

## Expressions of interest called for membership of the Shark Bay World Heritage Advisory Committee

Members have knowledge or background in conservation, heritage, local government, fishing, tourism, Aboriginal matters and park management, or qualifications relevant to the protection and conservation of the property.

The committee comprises 11 members; three local community, three science-based, two indigenous, two broader community and a chair. Vacancies currently exist for science/technical, broader community, indigenous and local community positions.

Members will be appointed in their own right and not as representatives of organisations and will serve terms of two or three years with eligibility for reappointment. Where appropriate, members will be paid sitting fees and allowances.

The role of the committee is to provide advice on the protection, conservation, presentation and management of the Shark Bay World Heritage Property from a local and broader community viewpoint and also from a scientific management and research perspective.

Please detail qualifications, experience, expertise and/or background in the relevant category of appointment and address your application to:

# FATHER / SON EVENT

On Sunday 23<sup>rd</sup> May Shark Bay Youth Group hosted a FREE Father/Son Event for Fathers of boys aged 10 - 12 years old.

The day was designed to support the evolving relationship between Father and Son and was formulated to keep their relationship strong whilst having fun, learning new skills and working together.

They discussed the benefits of good hygiene, getting enough sleep, too much screen time and having a healthy diet. Working together, they created a box kite. Unfortunately, due to poor weather, our kayaking trip was cancelled!

A very big THANK YOU to Mr Riddick for facilitating this event. Your participation in the day was appreciated by everyone in attendance.

Well done to our Father/Son teams; Brian & Brody, Penjor & Yonten, Marty & Denzel, Jack & Mitchell, Billy & Levi and John & Bodhi. Your commitment to ensuring a strong relationship with each other is to be commended. We thank you for driving all night (by land and by sea) to make it back for this event!

This event was made possible with funding from Parenting Connection Gascoyne. This event was proudly supported by Shark Bay School and the Shire of Shark Bay.

# MOTHER / DAUGHTER EVENT

On Saturday 29<sup>th</sup> May Shark Bay Youth Group hosted a FREE Mother/Daughter Event for Mothers of girls aged 10 - 12 years old.

The day was designed to support the evolving relationship between Mother and Daughter and was formulated to keep their relationship strong whilst having fun, learning new skills and working together.

We had some great discussions on getting your period, how to be prepared and the importance of good hygiene. Working together, Mum and Daughter created earrings and a bracelet, a lovely symbol of their connection and togetherness!

A very big THANK YOU to Shae Brennan for her support and assistance with the Jewellery Making. Although you missed the actual event, your set up and organizing was very much appreciated.

Well done to our Mother/Daughter teams; Sharna & Kaylee, Claire & Shakira, Tegan & Ashayah-Lilly, Tamala & Adriana, Mandy & Maddy, Janet & Isabella, Danielle & Savannah, Siobhan & Sophie, Jamie & Tayla, Cath & Katie. By participating in this event, you have confirmed with each other that you are always open and willing to have those difficult conversations.

This event was made possible with funding from Parenting Connection Gascoyne. This event was proudly supported by Shark Bay School, the Shire of Shark Bay & Shark Bay Hotel.

# Shark Bay Speedway Club

Carnarvon Speedway Club held night 1 of their ladies "Queen of the Clay series" on May 14<sup>th</sup> which included supported club racing divisions as well as the "lady drivers" division. Representing Shark Bay and doing our community proud driving borrowed junior drivers cars for the night (thanks Tayla and Chayse) was Sharna Timmer and Nicole Mettam. Both drove incredibly well, and will compete for the Queen of the Clay trophy at night 2 later in August. Nicole has had years of experience driving Speedway as a junior and well done Sharna for giving the sport a fair crack!

Although the community was busy with the Fiesta on the 14<sup>th</sup> in Denham, a group of speedway enthusiast still made the trek up to support this race meet and our fellow Club Carnarvon. Drivers included juniors Ella Ricetti, Kaylee Francis and Tayla Burton as well as adult drivers Michael Ricetti, Dave Harrower and Mick Reynolds. Myself and Bryan Riddick also joined to assist in the pits as did Paul Mettam and Rhonda, who was busy chief stewarding the race meet.

We will all make the trek up to Carnarvon for the June long weekend to support their Northwest Speedway Championships (the equivalent of our Far Western) which is held over two nights. It will be a fantastic weekend as the Carnarvon community has 2 other big events that weekend including Eventide (similar to the past Gascoyne in May projects) as well as their fishing competition the Carnarfin.

## Next Race Meet

Our next race meet locally will be held on Saturday the 12<sup>th</sup> June followed by the Far Western on Saturday 10<sup>th</sup> July. We will be hosting a busy bee in the coming weeks to tidy the venue, clean and prepare for the events. The 12<sup>th</sup> June will welcome our Street Stocks perpetual trophy day as well as Production Sedans.

Our events would not be possible without the help from our Club committee, members, the Shire of Shark Bay and Bobby from Oakley Earthworks. A big pat on the back and "cheers" to you all.

We have very committed volunteers but to save our group burning out such individuals we are keen to recruit a few more. If you are willing to put your hand up, please do not hesitate to get in touch with myself. Its rewarding helping run a community event so why not put your hand up!

We also need event sponsors, so for a small fee of \$300 you can sponsor one of our Perpetual Trophy days!

## Wandering Weeds!

It's been a good year for rain in the bay and although drenching rain brings life, it also brings weeds. Weeds have an amazing ability to spread rapidly. Some weeds, however, are worse than others.

Native to America, it was first noticed in one Perth suburb in 1984. In the space of only four years, it had spread as far north as Geraldton.

*Above: Golden crownbeard (Verbesina encelioides) is highly invasive.*

Golden crownbeard is toxic to humans and poisonous to stock and other animals if they eat it. It is an amazing survivor and its ability to tolerate a wide range of conditions and breed up quickly following rainfall makes it able to spread out across the landscape and cover all other vegetation like a blanket until all you can see is golden crownbeard.

With all the recent rain you'll see vast yellow carpets of crownbeard as you travel through Geraldton. All of these attributes make it one of the more invasive of weeds and place it high on the list of priority weeds to control. Seeds can survive in the soil for several years, missing them one year can result in several years work to remove them.

Although golden crownbeard has now made a home in Denham, numbers are still low making it possible to control and eradicate with a concerted effort from everyone.

Be on the lookout and remove seedlings before they flower.

*Above: Golden crownbeard is now in Denham in numbers low enough to be able to control with the help of all residents.*

## Lunches Fundraiser:

Our last Lunch fundraiser was hosted on the 5<sup>th</sup> of May. Thanks to Sarah, Chelsea and Tianna who did an amazing job getting out all those delicious pasta dishes. The ladies have got straight back into it and have organised another lunch order for the 16<sup>th</sup> of June. On the menu will be cookies, fruit cups, chicken and mayo rolls, sausage/hot dogs in a bun, icy poles and milk drinks. If anyone has some spare time to assist, please contact Sarah Robinson.

## Mother's Day Raffle/Stall:

On Friday the 7<sup>th</sup> May, P & C drew the prizes for the Mother's Day raffle. The lucky winners were

- 1st - Alison Maclean
- 2nd - Belle Sellenger
- 3rd - Josh Emery
- 4th - Beau Morgan

Thank you too all the sponsors of this raffle: Shark Bay Hotel, Old Pearler Restaurant, Salty Bay Fitness, SB CRC, Surf n Dolphin, SB Fishing Club, Burton Family, Kerrie O'Neill, Red Earth Gallery (Shae and Catherine Mcmillan), Kath Gibbs, RAC Monkey Mia Resort, Eileen Mcmillan. Also a massive thanks to Ms Bec for organising the fabulous stall and Dannielle for helping wrap up all those presents. We hope all the Mum's and Nana's enjoyed their Mother's Day and their carefully selected gifts from the kids at school.

## Blind Footy Tipping:

Well done to Mrs H for getting to the top of the ladder in round 10.

## Fishing Fiesta:

The P & C supported the Fishing Fiesta event this year on the kids day Saturday 15<sup>th</sup> of May by hosting a sausage sizzle and snack bar. We also did two money boards on separate Friday nights which was very successful. The winner of the \$250 board was won by a stoked visitor but our very own Claire H was lucky enough to win the \$500 with the number 82. We raised a happy \$967.89 from these initiatives. I couldn't have done it with out the help of some amazing humans: Tish, Joe, Judy and Nicole. Bless all of your cotton socks. Thanks also to the Fishing Club for the opportunity to raise some \$\$\$ and selling our Seafood Cookbooks.

## Lego Club:

Lego Club is ticking along nicely with a regular crew attending these sessions. Lego Club is run every Thursday straight after school to 3:45pm and are run by a handful of our amazing parents. Children in Kindy and Pre Primary must be accompanied by a parent. It has been great to see all the wonderful lego masterpieces being shown in our private P&C group on Facey.

## Coming up in Term 2:

Lunch Fundraiser 16<sup>th</sup> June  
Lego Club - Every Thursday 2:45pm - 3:45pm

Thank you for your support.

# Kindy Gym, Rec Centre, Bub's Sanity Saver

## Kindy Gym Fundraiser at the Fishing Fiesta

On Saturday the 15<sup>th</sup> of May, SBCRC/Kindy Gym hosted a meal fundraiser and our very first Glow party. A massive thank you to all of our awesome helpers on the night: Judy, Tamala, Tish and Sarah. We learnt pretty quickly how to sort out the hungry crowds by serving up hot meat and gravy rolls, hot chips, pumpkin soup with bread - all of which we sold out of in no time.

The catering was followed by the Glow party products going on sale. Everyone looked super colourful under the black UV lights once in the marquee. We raised approximately \$500 from both of these initiatives. Thanks to all who came along to support this fun activity.

## Mums and Bubs at the Fishing Fiesta

Fourteen participants enjoyed a lovely morning tea down at the Fishing Fiesta marquee on Friday the 21<sup>st</sup> of May.

## Community Art Project at the Fishing Fiesta

Each year Denham has the opportunity to showcase local talent and our beautiful region to the thousands of people visiting Yagan Square in the Perth CBD. #showCase in Pixels is WA's biggest community arts project, featuring designs from Councils all over the state. The designs are displayed on the digital screen in Yagan Square, during the annual Local Government Convention each year.

Shark Bay Arts Council President, Claire Cooper collaborated with the SBCRC to start a project that can potentially be an entry for Showcase in Pixels. This included making a paper collage of the sea grass glass mural that has been done previously by both Carnarvon and Shark Bay residents. Thanks goes out to Claire and to all those that participated in the Project so far.

## **Suicide - You cannot address a problem without talking about it!**

It does not matter what the issues are in our life, we must have a conversation and talking to someone about the situations we find ourselves in will relieve pressure and help us to normalize our own response to these issues. The challenge for all of us is to recognize where we are at, and then work through it.

As a society we have perhaps come too politically correct about what we talk about and how we talk about it!

Conversations around suicide are a classic example of this!

When we consider that 75% of suicides in Australia are men, it is important to develop an understanding of life problems in our own lives and in the lives of others around us. Suicide does not have a set of risk factors that you can refer to and suicide ideation is not necessarily a mental illness. Suicide prevention is everyone's business.

There is a lot to talk about when we are discussing suicide, and it is essential that we all learn more, but three key points summarizing what we know about suicide are:

1. A distressed (suicidal) person does not want to die. They want to stop the pain.
2. It is safe to talk about thoughts of suicide with at risk people.
3. Suicide is not usually a complex decision. The reasons (layers) behind the suicidal thoughts are complex, and usually need professional help.

We also know that a lot of completed suicides happen to people that are under extreme distress (what we call situational distress) and not from a mental illness. We do not have to have a diagnosed mental illness to complete suicide.

People quite often ask, when should I be concerned? Be observant about any changes in a person's situation, anything that is out of the ordinary for that person. Some experts spend all their time talking about indicators of risk, and higher risk groups (men for example). However, we all should be deemed at risk if we have 'shit' going on in our life. Suicide can happen to anyone, anywhere, anytime. Knowing individual human capacity is the unknown factor!

We should never underestimate the power of ordinary people to make a difference and the important role we can have supporting someone through a difficult patch in their life. This can

be in the three areas of our life where we often connect with people - our family, workplace and/or community group.

We must always remember a conversation can change some-one's life. Sometimes this is confused with, a conversation can save someone's life (only that person can save their own life).

We do not know if someone is suicidal unless we ask. If we have that gut feel about the person, we must ask. It's not easy and we do not need formal training and your 'language' is up to you. We do however need awareness, empathy and the ability to listen. If the answer is 'yes' put in place an immediate plan for both support and follow up ensuring the safety of all. We need to be prepared to act. There is plenty of help out there (refer to useful contacts below), your local mental health team, local doctor, and other support services in your area. Be prepared by becoming informed. Remember before it all gets too much Talk to a Mate!!@

When we talk about suicide, it always presents material that some people may find distressing. If you know of someone feeling depressed or suicidal please contact one of the following services:

# Shark Bay Men's Shed

## 1. Dreams Really Do Come True

Seeing is believing. Clearing has been completed by Council on the site behind the Day Care Centre. The land has been levelled and soon the foundations will be poured. As with many buildings in Denham, the Shed will be arriving in pieces on the back of a truck. One day it won't be there and the next day it will :)

This will begin an exciting new chapter in the history of the Men's Shed as we partner with other community groups especially the War on Waste team to provide a wide range of services to our community.

Watch this space or better still watch the space behind the Day Care Centre.

## 2. Committee changes

Covid hasn't been helpful and it may be a long time before life in Denham returns to 'normal'. The Men's Shed team were not expecting a grant to come through so quickly BUT the team is on the ball.

There have been changes to the team to accommodate changes in the local community. Some positions require people on the ground while some can, only for a while, be

done remotely.

The current Admin team of the Men's Shed is

Tony Shkardoon     Chairman  
Carlos Elissegaray     Deputy Chairman  
David Lergessner     Secretary / Treasurer

Tony and Carlos are the people on the ground and I am participating remotely from Queensland. It works well until we need to pay bills. We are working with our Bank ( which bank?) on streamlining this procedure.

## 3. Future developments

When I typed the heading for this report, I typed 'Shark Bay Community Shed'. Took me a couple of seconds to see the error BUT we need to remember the plans the team has for future use of our Shed. Last year the team foreshadowed the Shed being open to women at certain times to share skills as well as being open to local students to also share skills. These future developments are still on the drawing board. I am sure, in time, these plans will bear fruit for the benefit of all in Denham.

## MIDWEST COURIERS

*Providing your transport solutions from Geraldton to Denham and Surrounds*

For the past 6 ½ years Kalbarri Express Freight has been servicing Kalbarri and surrounding areas. After enquiries were made we are going to offer our same services to Denham, with a once a week service, delivering on a Friday. Hence Midwest Couriers was born.

As Kalbarri has grown to know our reliable, efficient and friendly service we would like to offer Denham the same reliable, efficient and friendly service.

We are a small business with a hard-working team to give you the best possible service we are able to give.

Find us on our Facebook Page as well <https://www.facebook.com/Midwest-Couriers-185206275526497/>

Please call 0459 499 230 to discuss your requirements

# CRC EDITORIAL POLICY & ADVERTISING

## EDITORIAL POLICY

The Inscription Post is produced monthly by the Shark Bay Community Resource Centre in good faith as a means of providing information to the community and to promote the Shark Bay area positively.

An Editorial Management Committee of the Inscription Post has been delegated the

responsibility of the editorial role of the Inscription Post and is supported by the Management Committee. All materials submitted by the community are to be factual and non discriminatory. The Editorial Management Committee has the right to edit any items submitted for print, including abbreviating, spelling, grammar and also may

withhold or not print at all, any material considered unsuitable or offensive with no explanation needed.

We are more than happy to accept articles free of charge (subject to the Editorial Management Committee's approval), but limited space is available, so please keep submissions short – a maximum of one page unless

prior approval is granted by the Editorial Management Committee. The author's name must be supplied for any contribution. The articles printed in the newsletter do not necessarily reflect the views of the Editorial Management Committee, staff or volunteers or management committee at the Shark Bay Community Resource Centre.

*The Inscription Post is available for purchase from:*

# Country Ambulance Cover

Protecting your family and supporting local ambulance and first aid services.

Should you need ambulance transport, even a short trip could cost you hundreds of dollars.

Become a member today and save.

#### Terms and Conditions:

1. Your subscription covers ambulance transport to patients in the following categories: i) Emergency: People who are seriously ill or severely injured. No authorisation necessary for these journeys. ii) Non-emergency: People who need medical/surgical convalescent stretcher transport. Shark Bay Sub Centre will certify that the ambulance transport was 'justifiable'.
2. Country Ambulance Cover is designed to safeguard every member of the family as well as individuals. Family Membership covers your spouse/partner and all dependent children until they turn 18.
3. Membership is not transferrable or refundable.
4. Benefit is not payable if the patient has a right to claim fees from another person as damages or under Third Party Insurance, Worker's Compensation or other Statutory provisions.
5. The subscription coverage is restricted to ambulance transport in country areas provided by St John in WA and ambulance services in other States who have a reciprocal agreement with St John WA.
6. A member is deemed unfinancial immediately following expiry date. Renewal notices are mailed approximately one month prior to expiry date, however the responsibility rests with the member to ensure address details are correct and the contribution is paid by the due date.
7. The qualifying period is 7 days from receipt of application.
8. St John Ambulance reserves the right to cancel membership or refuse renewal of membership if the subscriber is found to be abusing the service by misuse or unauthorised transport.

The information collected is for use by St John Ambulance and will not be passed onto third parties.
