## Mental Health Week

Whilst our town was buzzing with tourists on school holidays, on Saturday 9<sup>th</sup> October the Shark Bay Community Resource Centre (SBCRC) and Shire of Shark Bay hosted a inclusive series of events to acknowledge Mental Health Week.

Unfortunately the typical stong winds prevailed and we had last minute changes to the location of some events, but that didn't stop the oval being set ablaze with bright colours and bubbles at our 2nd community Colour Run. Shark Bay's Volunteer Fire & Rescue Service (Firies including Dave, Claire, Tegan & Trish) kept the Colour Run participants cool by showering them with water. We are not sure who had the most fun, the kids or the volunteers including Natt, Judy, Janet, Tiaza, Shaun, Candice, Johnny G and Jamie who bombed everyone with vibrant coloured powder as they ran, crawled, jumped or climbed past them on the obstacle course.

Local market stalls were on site selling their products, showcasing their community groups and St Johns volunteers displayed one of their ambulances. SBCRC staff, committee and volunteers (Corina, George, Katie and Jess) manned the food and drink gazebo selling showbags, cooking the free sausage sizzle and assisting with the bubble station. We also had our youth free lancing photographer Laylah Garner taking fantastic action photos for us.

After a quick shower, events relocated to the town hall away from the wind and cold as the Chapman Valley Men's Shed organised the showing of the movie the "Penguin Bloom". The hall was full of bean bags, cushions, camp chairs and

mattresses as everyone made themselves comfortable for the viewing. The Men's Shed bus, known as a "Shinema" was on display outside the hall, which hopefully we can utilise to watch a outdoor movie in the future (weather permitting).

We wish to thank all the wonderful help received physically and financially from the Shire of Shark Bay (especially Ash) as well as from our amazing community helpers. Over 58 adults and 86 children participated in days series of events and activitites.

# Shire President's Report - November 2021

## Shire of Shark Bay – Local Government Elections

The October local government elections for Shark Bay, were determined by the electoral commission returning officer on 16 October and resulted in Cr Edmund Fenny and Cr Ben Bellottie being returned to Council in the Denham Ward and Mira Vankova elected to Council representing the Pastoral/Useless Loop Ward. Thanks to all the candidates for their desire to serve the community and congratulations to those elected.

At the October Special Meeting of Council, elections were conducted to appoint councillors to the positions of President and Deputy President. The result being, my retention of the Presidency and Cr Mira Vankova's appointment to the Deputy role, for a two-year period.

## Rates Incentive Prize

Cr Vankova drew the prizes for those ratepayers who, having paid their rates in full, were eligible to receive an incentive from the Shire in the form of monetary vouchers to be expended with local businesses. The lucky ratepayers are:

- 1st prize \$500 – Phil Thomson
- 2nd \$200 – John Standring
- 3rd \$100 – Patricia Cox.

## Community Assistance Grants - Round 1 2021/22

Applications for funding in the Shire's recent grant round were received from four local community groups, with Council approving the following projects;

St John Ambulance Shark Bay Sub Centre <i>Satellite phone and Training</i>	\$4840.00
Shark Bay Pistol Club <i>Generator to run equipment and lights</i>	\$3200.00
Boolbardie Country Club <i>Sand Green cups upgrade</i>	\$2013.00
Shark Bay Community Men's Shed <i>Basic Handyman Skills Workshop</i>	\$4863.90

## Grant Funding Applications

Unfortunately, the application for a \$2.5m grant to the Building Better Regions Infrastructure Fund to enable the construction of 12 new aged care units to extend the current Herald Denham complex was not successful.

However, the Shire will receive a \$670 grant from Healthways for a Glow in the Dark Dodgeball Tournament for Children's Week, which will be held on Saturday 30 October.

## Calling All Volunteers!

The Thank a Volunteer Day sundowner and awards ceremony will be held this year at the Boolbardie Country Club on 5th December, so mark it in your diary. Further details will be provided by Ash, the Shire's Community Development Officer, closer to the date.

## HMAS Sydney II Memorial Weekend

In June 2021, Council approved a grant for the HMAS Sydney II memorial weekend events to be held between 19-21 November. All grant funding has now been secured and advertising for this event is currently being distributed, so

keep an eye out on local Facebook pages, posters, etc. for details of the weekend's program.

Cheers

## Waste Collection Requirements in Denham

*As a community, we want to maintain our reputation as a Tidy Town, and this requires a contribution from everyone. From 1 December 2021 the following requirements must be observed or your bin will not be collected.*

### One Bin Only

Only one bin will be collected per household, unless approved by the Shire prior to collection.

### Incorrect Items

Do not put items such as bricks, heavy timber or steel in the bin. These materials can damage the collection equipment and your bin. The bins are for domestic waste only.

### Overflowing Bins

Bins overflowing with rubbish will not be collected. Ensure that the lid on your bin is able to remain shut at all times to ensure no wildlife can access it.

### Damaged Bins

Bins that are broken, cracked, or missing lids/wheels will not be collected. It is your responsibility to ensure repairs or replacement.

### Rocks On Lids

Bins using rocks to keep the lid secure will not be collected as they can damage the truck. The Shire are currently working on an alternative solution and will update the community via social media.

### Replacement Bins

**RENTERS:** Please contact your agent or property owner to notify them of any damaged bins.

**OWNERS:** Please make sure you arrange to repair or replace damaged bins.

To purchase a new bin or parts, contact the shire on 9948 1218, email [admin@sharkbay.wa.gov.au](mailto:admin@sharkbay.wa.gov.au) or visit the Shire office.

### Windy Season

Our windy season is approaching! Let's take care so our town stays tidy.

# Shark Bay Community Men's Shed

So close to being able to move in. Lots of activity recently as the Shed team have received permission from the Shire to move our gear from our current location to our up-coming address at 29 Hughes Street.

Already a couple of morning teas have been held on the verandah. The first welcomed new Chief Executive Officer (CEO) Dale Chapman and Community Development Officer (CDO) Ashleigh Bucholz from the Shire of Shark Bay to our premises and the second attracted some interested locals.

Hopefully in the near future, we will be open for business and able to welcome many visitors into our shed.

The team would like to thank MSWA for a significant number of giveaways to be given away at the recent movie event organised by the Chapman Valley Mens Shed.

Sadly these arrived after the event so if you are short any magnetic fridge clips, notepads, biro's or stickers drop by the Shed some Monday morning.

Finally the team wishes to thank the Shire for its recent grant to purchase basic handyman tools for the Shed. These will be used to provide workshops for locals in the New Year.

Feel free to drop in a discuss coming activities with the crew at 10am on a Monday morning.

# Shark Bay School News

Staff met for our School Development Day on 11th October, with a focus on reviewing student data and planning for their needs, as well as issues and policies like the Department of Education's Code of Ethics and our Cultural Responsiveness as a school, as these are current priorities of the Department of Education.

## NAPLAN

Back after missing last year, it was interesting and very pleasing to receive our school NAPLAN results this year, confirming our other system and school-based assessments. Due to our small numbers we always struggle to report outcomes while respecting privacy and we also know that statistical significance is reduced for small sample sizes. However, despite those caveats, we are very pleased. Our older students, studying through SIDE, continue to make good progress based on past achievements. Our younger students are easier for us to analyse as we plan, teach and assess them and can correlate NAPLAN with other tests. Our Primary students in Years 3 and 5, the NAPLAN test years, have done extremely well as a group; in most subject areas tested our students are matching or beating both 'Like School' (schools defined as having similar characteristics) and National mean scores for all Australian schools. This is a huge credit to them, their teachers and their families. It's also further encouraging evidence that we are on the 'right track' with our new programs. Congratulations!

## STEM Scholarship

Many congratulations to Laylah on her receipt of a Telstra Tech for STEM Regional Scholarship - a new laptop intended to see her through school and University. Fabulous!

## Midwest Education Award

Congratulations are also due to our nominee for the Midwest Education Awards 2021, Miss Crowley. While our staff works as a team and all contribute to the excellent progress we are seeing, Nicole Crowley has been instrumental in leading introduction of our new Literacy programs in the younger classes, setting students up for continued success throughout their future schooling. The InitialLit programs were implemented from the end of last year, with professional learning, organisation of resources, assessing students to place them in the correct level at the start of 2021, and explicit group teaching by the team of teaching and education assistant staff this year. Well done and thank you to the whole team for the growth we are seeing in student literacy achievement. We are all proud to nominate Nicole on behalf of the team.

## Interschool Carnival

Early Thursday morning the 16th September 2021 at 5:00am an excited group of athletes from Shark Bay School headed off to Carnarvon to compete in the Interschool athletics carnival.

After a welcome from the school all the year groups headed off to their events which included long distance, throws, long jump and triple jump.

After all the events were finished we were glad to have a break, so we stayed at the park for an hour and a half. After our lunch and play we went to the fruit loop. When Mr Riddick and Mrs Brennan hopped off the bus to get some fresh fruit.

After the fruit loop we went to PCYC which is like a place that you play basketball, soccer, videogames and to paint your nails. We spent quiet a lot of time at PCYC but sadly we had to leave and check into the hotel so we can get ready for a buffa dinner.

At 6:30pm we went to have dinner at the place we were staying at. Dinner was really good and there was a variety of options to choose from.

When we woke up and got ready for the carnival we hoped on the bus and went to the One-Mile Jetty.

When we got back from the One Mile Jetty we were once again welcomed by all the schools competing against us. On the way to our bay we had to march down the sprint track and sat down to wait for the Year 1/2 class to follow beside us.

After all the events the combined school that included Shark Bay School, Gascoyne Junction, Useless Loop and School of the Air ended up coming 3rd places all up. After all the school placements were announced we were instructed to go to the school gym to announce the runner ups and champions. The runner ups from Shark Bay School were Jake Powell, Keesi Sadler, Isabelle Sellenger and the champion was Bodhi Garner.

By Yonten Jamtsho, Kaylee Francis and Bodhi Garner

Special Congratulations to  
Year 3 Girl Runner Up: Keesi Sadler  
Year 3 Boy Runner Up: Jake Powell  
Year 4 Girl Runner Up: Isabelle Sellenger  
Year 6 Boy Champion: Bodhi Garner

## P&C

We appreciate the wonderful ongoing support. Thank you committee, members and helpers! Looking forward to the Disco.....

## New garden

You'll notice we have a new citrus garden, which is an outdoor sitting space for staff, supporting everyone's wellbeing as a good place for a few moments of unwinding, chatting and taking the air, while also soon producing more fruit for our students, to go with the pineapples, figs and dragon fruit that are doing so well. We thank Cath Fitzhardinge, whose Dad was Principal in the 1980s for making a gift to the school to support this project in memory of him and his great fondness for the school, staff and students of this town. Many thanks also to Rick Moroney for creating it and to the Sellenger family for the pavers.

## COVID vaccinations

You may have seen that from the start of next year, all school staff will be fully vaccinated against COVID-19, unless medically contraindicated for them. Contractors visiting the school site will also require to have been vaccinated. There is currently no requirement that students must be vaccinated, except those who have part time jobs that may require it. Parents visiting the school site in the normal way will not be required to be vaccinated. There are still some details to be clarified about other groups using the

# Chip Shots Boolbardie Country Club

With a few regulars away from the Bay, starting fields have been a little on the light side during October, However, the usual suspects have continued playing regularly in our Wednesday and Saturday 9-hole events. The following lists the winners and runners-up for the past month.

Event – Stableford	Winner (Score)	Runner-Up (Score)	Nearest the Pin*
Wednesday 29 September	Peter Llewellyn (17)	Jill Hill (15)	Chris Galvin
Saturday 2 October	Jill Deschamps (18)	Peter Llewellyn (15)	-
Wednesday 6 October	Jill Deschamps (18)	Peter Llewellyn (17)	-
Saturday 9 October	Peter Llewellyn (19)	Jill Deschamps (18)	Jill Deschamps
Wednesday 13 October	Peter Llewellyn (20)	Peter Cope (19)	Jill Deschamps
Saturday 16 October	Colin Ashby (19)	Peter Llewellyn (17)	-
Wednesday 20 October	Colin Ashby (17)	Peter Cope (16)	Peter Cope
Saturday 23 October	Peter Cope (17)	Peter Llewellyn (17)	Mick Parry

\* Nearest the Pin second shot on Wednesdays.

Although drying out, the course remains well grassed and is playing long especially with the aid of the seasonal winds that are now picking up. The greens have recently had some care and attention and are playing true although a little slow at the moment but are expected to speed up over the summer months.

Twelve visiting golfers played the course during October.

Daily handicap movements this month have seen Colin Ashby out 2 strokes to 18, Peter Llewellyn down to 16 and Peter Cope out one stroke to 18 and after a good couple of rounds back to 17.

Club competitions are 9-hole stableford events played every Wednesday and Saturday with a 1:30pm registration for a 2:00pm tee-off. The bar at the 19th Hole is open following the game.

Visitors are welcome at any time. Visitor green fees are \$5 for 9 holes (honour system) and cards are available at the clubhouse.

Sets of clubs are available on club competition days or by prior arrangement at any other time. Motorised buggies are available for hire on competition days at \$5 for 9 holes for non-members and \$3 for members.

Boolbardie has sand greens and conforms to the Golf Australia sand green rules where the player is able to smooth the putting surface with a provided smoother/rake prior to putting. (For more information see <https://www.golf.org.au/special-rules-for-sand-greens/>). Also, preferred lies and teeing up on fairways is permitted under our local rules.

So, come on out and enjoy a round of golf and the great facilities on Australia's most westerly golf course.

# Marine Rescue Shark Bay

## Commanders Report 2021 AGM

The past twelve months has been a great time to be involved with the Shark Bay Marine Rescue group. A global pandemic has been affecting millions of people around the world but has left us relatively unscathed. Travel interstate and overseas was restricted so thousands of West Australians flocked to Denham resulting in a massive spike in vessel numbers out on the water.

## Group Operations and Achievements

Over the past 12 months we have responded to 21 callouts involving 5 epiRB activations, a triple 0 call where we pulled 2 people and a dog from the water, a tragic boating accident which resulted in 1 fatality and 1 critically injured as well as the usual breakdown recoveries. We responded to all calls for assistance thanks to the willingness of our volunteers to stop what they were doing and contribute their time to help others.

The group took delivery of our new vessel Cape Rose in January this year. I would like to commend the Rescue 3 replacement committee for the work they put in to achieve an excellent result. It is an outstanding vessel, and it will serve the group well for the next 15 years. The sale of Rescue 3 was an interesting exercise which saw bids coming in from all around Australia. The highest bid of \$90,000 came from a buyer in Melbourne. Thanks to Damien for his help in the process.

DFES have advised that Tamala Rose is to be replaced in the 22/23 financial year with a purpose built 10-12 metre boat. A vessel replacement sub-committee has been formed to make it happen.

## Committee

I would like to thank the outgoing committee members for their contribution to the smooth running of the group over the past 12 months. Quoin and Ed are going to be busy with children and work commitments and Marty has taken on the post office as well as his other duties at Monkey Mia. We welcome Patrick, Ian, and Leon aboard as committee members and I look forward to working with them at keeping the group moving ahead.

## Membership

We have had 4 new members join the group in the past twelve months. We now have 16 qualified skippers and crew and 13 members on DFES training pathways. Total number in the group is 34.

## Training

We continue to send members away to various training opportunities as well as conducting on the water training locally. Five members are currently enrolled to obtain their radio operators certificate through online learning. There will be a basic navigation course in Denham during November for members to become qualified crew. Next years training calendar will be finalized before Christmas to allow members to plan ahead.

We ran a large Marine Search and Rescue exercise out of Denham in August that simulated a charter vessel with 14 people on board catching fire and sinking. Agencies involved included Police, Border Force, Fisheries, SES, St Johns Ambulance, Shark Bay Aviation and Marine Rescue volunteers from Denham, Kalbarri and Carnarvon. Over 40 people were involved on the day, followed by a debrief and a bbq at the shed. Exercises such as this help us identify ways we can continue to improve as emergency services.

## Conclusion

Marine Rescue Shark Bay continues to be a vital organisation for the town of Denham. Once again, this year we have proven to be a dedicated and professional group of volunteers. The keen young members we have coming up through the ranks should ensure we remain effective well into the future. I would personally like to thank everybody who has contributed to the success of the group and to encourage everybody to remain actively involved. As I have said in the past, by being involved, you will make a difference to peoples lives.

**SPEED eNEWS**  
EDITION 186 | 8 OCTOBER 2021

**Welcome to the 186th edition of Speedway Australia's Speed eNews.**

Speed eNews is a weekly communication aimed toward keeping clubs and organisations up to date on current events, handy tips to improve competition and safety, as well as any changes that may be taking place within the sport. Clubs are also encouraged to distribute this newsletter to members. Feel free to get in touch if you have any questions or require a copy of one of the previous editions.

## **PRE-EVENT SCRUTINEERING CHECKS**

As we warm up to a new season, now is a timely reminder to all competitors to keep up to date with the current Speedway Australia Rules and Regulations regarding the appropriate safety equipment and apparel for their respective division.

In previous seasons, it is not uncommon to see competitors turned away at scrutineering for not having safety apparel that met the safety standards of their division, or in some cases, apparel that was significantly worn and not suitable for competition.

Our track visits over the past 12 months have shown us Scrutineers are doing an excellent job educating competitors and spotting inappropriate or unsuitable apparel pre-event, but the odd competitor is still slipping through the cracks (see window net, and boots in photos). If possible, we encourage scrutineers and officials to spot check cars and competitors where necessary to ensure what rolls through pre-event checks, is what in fact rolls onto to the racetrack.

This can be said not only of competitors apparel, but also vehicle safety items (e.g., Window Nets) and Pit Crew Apparel (e.g., Quad Bikes and Helmets) both of which remain significant safety concerns for several Sedan and Open Wheel divisions.

More information on the minimum standards for your division are [available here](#) or in the rulebook link in the Speedway Australia app.

If you have any further questions, don't hesitate to call, or email us using the contact details below.

## **PIT GATE OFFICIALS**

The pit gate is often one of the more interesting places to be at a Speedway event – with officials getting up close with cars as they roll on and off the racetrack. Unfortunately, it's also one of the most dangerous should the gate attendees not stay alert and be wary of their surroundings.

Frequent reminders from the Chief Steward and Clerk of the Course to gate staff can greatly reduce the risk of an incident occurring, with simple tips such as keeping a close eye on cars entering and exiting the track and ensuring the gate locking mechanisms are secured before racing commences. Also, under no circumstances should anyone be making physical contact with the pit gates, be that leaning or resting against them, whilst vehicles are circulating on track.

# Shark Bay VS Kalbarri Games Day

On Saturday 16th October Shark Bay, once again hosted Kalbarri for our annual football match. Which has been running and alternating since 1980!! This year's game was shadowed in grief however as the town on the same day mourned the death of Jenny Bellottie. Firstly, condolences to the entire Bellottie family, they have been enormous contributors to the game for its entire existence. With their blessing the game went ahead.

It was run a little different this year with the softball ladies putting their game off until the following day as to not clash with the funeral. This meant the only game on the day was the football. Thank you to the Shark Bay Youth group who provided free face painting for kids plus novelty items for sale at a small price. The Shark Bay CRC were champions again helping to keep the crowd well fed with their delicious sausage sizzle and snacks. A huge shout out to the CRC team who also managed the sale of the shirts too on the day.

Kalbarri arrived strong with about 24 players who were ready and eager for a good contest. Contrasty Shark Bay had plenty of players at the pub on Friday night but were only able to scrounge up 17 players about 20 minutes before the first bounce due

to funeral and work commitments. The weather turned it on nicely for the game and there was about a two goal breeze to the northern end which suited us and when we won the toss our captain Chase Clarke opted to kick with the wind in the hope we could get a few goals before running out of fitness.

The first quarter was competitive with neither team really taking ascendancy. However, we didn't take the advantage of the breeze we needed to. I kicked one goal for Shark Bay and Liam Cater kicked a couple for Kalbarri.

The second quarter saw Kalbarri with the wind advantage and their leg speed and fitness came to the forefront and they kicked out to a handy lead. Their young players, coming fresh off a season led them well in the middle and Liam Cater up forward continued to kick goals. For Shark Bay, the back line held up strong under constant pressure with Ash and Pickle standing strong more often than not.

Heading into the third quarter we knew we would have to claw back the lead if we were any chance to get the win. We gained a few extra players and Chase kicked two quick ones out of the middle but we couldn't stop Kalbarri from

kicking a few of their own.

As the last quarter started, Shark Bay received a few more reinforcements from the funeral however, it was too little too late and again Kalbarri's fitness shone through, and they ran away 13 goal winners. The best player was awarded to Ross Weaver who won a couple of nights accommodation and breakfast at RAC Monkey Mia. The best under 18 player was awarded to Cohen Fletcher who took home the game ball.

As always, after the game we put on a feast, often more popular then the game itself! This year, it was held at the Shark Bay Bowling Club and the catering was provided from the Shark Bay Hotel and the Heritage Resort. From all reports the food was fantastic. Once again, I must say a huge THANK YOU to the softball girls who put in a tremendous effort in serving the food and organising the clean-up! Without you ladies, the night wouldn't have run as smoothly as it did.

The game is a fantastic tradition that has been running now for over 40 years! There are some old pictures with the likes of Benny Bellottie, Dennis Houlton and Shane Guthrie all pulling on the jumper at some stage years ago.

It is always played in fantastic spirits and as evident by the crowd is well supported in Shark Bay. Like always these events don't

happen without volunteers and donations from the community businesses so I would like to thank The Shark Bay Shire, Shark Bay CRC, RAC Monkey Mia Dolphin Resort, CDH Electrical, Shark Bay Boat Hire, Burton Tiling and Maintenance, Denham IGA, Wula Gura Nyina Eco Adventures, Outback Coast Automotive, Ocean Park and Yadgalah for their support in keeping this game running.

Thank you to everyone who ran out onto the field from the players to the umpires, coaches and the water kids. Without the huge amount of support from all of our vollies this game would not be able to occur. A special thanks to everyone who came down to support the Shark Bay Sea Eagles. Unfortunately, we didn't walk away with the trophy this year but looking forward to claiming it back next year in Kalbarri!

## Tech Topper Fundraiser

Are you looking for a stocking filler for Christmas? Look no more as Shark Bay School P&C have a solution for you and the kids will love it!

What are Tech Toppers?

Tech Toppers are removable vinyl decals to decorate laptops, computers, tablets, and mobile phones. There are 18 designs to choose from, and each pack contains 100 interchangeable stickers, including keyboard embellishments. They are brilliant fun, leaving no residue when removed, so the kids can mix and match to show off their unique style.

How much?

\$14.95 each for a pack of Tech Toppers (each pack contains 5 sheets of vinyl decals).

How to order?

Fill in the quantity of each Tech Topper you would like to order on the Student Order Form along with your name etc. in the box at the bottom of page 2.

## Lego Club

Due to lack of supervisors for the after school Lego Club, Tish will be doing Lego Club during Lunch time on Friday's in the School Library. Thanks Tish.

## Glow In The Dark Disco

Shark Bay P&C will be hosting a Disco at the Shire Town Hall on Saturday the 13<sup>th</sup> of November. We have purchased

new equipment for ongoing disco's thanks to the Shire of Shark Bay's Community Financial Assistance Grant. The grant enabled us to purchase the UV black lights that create the whole 'Glow in the dark' experience, an ipad and itunes songs for music, an esky and a 15 litre drink container. Start planning your costumes now for maximum glow effect. Thanks to our volunteers Jenny, Nicky, Celia, Bec, Tish and Jade for putting their hand up to help at the Disco.

Thank you for your support.

# The Friendly Hub

On Wednesday 27<sup>th</sup> October we hosted a Halloween themed Friendly Hub morning tea session at the Bowling Club. Decorations were scattered around the building and Corina organised some fun games including pin the nose on the pumpkin, halloween questionnaires and hoops around the witches hat. John Sentenellar was a master at pinning the nose on the pumpkin (a bit of a fluke as he always seems to win) and everyone shared in quiz prizes and won themselves some delicious chocolate carmamello koalas.

Our Halloween theme flowed into the food as we organised some delicious chocolate crackle spiders and pumpkin scones, as well as a double layered strawberry and cream cake, covered in scary snakes and black spiders. Everyone brought along their \$3 to go towards morning tea supplies and Margaret Hoult kept us entertained singing her little heart out all morning.

Anyone is welcome to come along to our morning tea catch up sessions, just bring along \$3. We wish to also thank those that put their hand up to bring along morning tea each week.

*Julie Robins*

On behalf of the Shark Bay CRC, we wish to thank Julie & Corina Robins for their continued voluntary assistance to run these weekly sessions. Thanks ladies!!!

## TUESDAYS @ THE HALL STARTS AT 1:30PM, ALL WELCOME!

## Training

For a sleepy little hollow with more or less than 1,000 permanent residents, our SES unit has been busy that past month. Whilst our in-house training has taken up the normal amount of time on the first three Mondays of the month, our members have also fitted in some regional training in Carnarvon. Some took part in a Storm and water damage operations course and others completed a safety upgrade to their vertical rescue qualifications.

major point he raised concerned the amount of damage to structures rises substantially as the wind speed increases especially at cat 3 and above.

As the "official" cyclone season has kicked off, we again urge all residents to review their cyclone plans and importantly have a clean up of their yards. Objects that usually stay in place during our summer breezes can be converted into destructive missiles during a cyclone. If you are unsure of just what to do, please contact our unit and we can advise of measures you can take to make your castle as safe as possible. Don't forget to plan for your furred, feathered or finned friends.

As a last note, please, please, please advise the police if you note any suspicious things or activities in the search for Cleo Smith.

SES Shark Bay

Rufus one of our dedicated volunteers who works for Parks and Wildlife in town had a blast down in Kalbarri recently on a Off-road 4wd training course. He was by far one of the most entertaining and hands on members on the course and was awarded the "Mudflap award" for tearing the protective flap off the Kalbarri vehicle whilst out driving. Gave us all a good laugh anyway!

## Land Search

Late in the month, unit members were involved in the heart wrenching search for Cleo Smith. Shark Bay SES members spent several days searching without the desired result. Our thoughts are with Cleo's family as they deal with the horrendous possibilities her disappearance may entail.

Staff members from BoM visited and gave a presentation of their predictions for the forthcoming cyclone season. They informed us that it was likely to be a similar pattern as last year with a similar number of cyclones and the same probability of weather events such as tropical lows.

James Ashley reminded us that it was not necessarily the number of cyclones we should concentrate on but whether they pass near us. If Seroja had turned left just an hour or so sooner, Shark Bay would have experienced a real serious weather event. He emphasised that a storm surge would have a major impact on Denham if a cyclone passed by, not necessarily overhead. Another

# A Naval Weekend to Remember in Denham

The weekend of 19-21 November will be a busy one in Denham as the town and visitors commemorate the 80th anniversary of the loss of HMAS Sydney II off the WA coast in 1941.

This event will honour and include past and serving personnel from all Sydney warships, and descendants and families of those of HMAS Sydney II.

There will be a large contingent of defence personnel in town and everyone is welcome to take part in this weekend event that will kick off on Friday 19 November at 5pm, with a live stream from the memorial service in Geraldton. You will be able to view this at the Shark Bay Heritage Resort or Shark Bay Hotel and on Facebook.

Next day at Saturday's Memorial concert at George Wear Park there's a great line up of entertainment for all tastes. Beginning at 3.30pm with a local elder performing a Welcome to Country, it will be officially opened by Minister Paul Papalia - who is himself a former Lieutenant Commander in the RAN and awarded the Conspicuous Service Cross in 1994 - who will fly into town to do the honour.

A local band will then get the show under way, followed by young dancers from Shark Bay's Coral Coast Dance Academy who have been practising hard to hit the stage with some funky moves to all Australian music - very fitting for this occasion!

You will be treated to the big band and contemporary sound of the Royal Australian Navy Band WA, as they get your feet tapping, and old favourites the Troupadores as they display their great vocal harmonies with well-known and much loved songs from a big catalogue.

Johnny Young and the Strangers will round things off before

a grand finale with all entertainers coming together to close the concert around 8.30pm.

Hall of Fame inductee (Logies and ARIAs) and Vietnam veteran, Johnny Young, best known for television show, Young Talent Time in the 70s and 80s; and penning number one hits for the likes of Russell Morris, Ross D. Wylie, Lionel Rose and Ronnie Burns, is sure to get you to your feet and singing along.

Sunday begins with the memorial march assembling at the Shark Bay Heritage and Discovery Centre at 8am. Commanding Officer HMAS Perth III, Commander Anthony Nagle, CSC RAN (ex HMAS Sydney IV, 2002-03 2nd Gulf War), representing the Fleet Commander Rear Admiral Mark Hammond AM, RAN, will lead the march; joined by Commodore Ivan Ingham, AM RAN, representing the Chief of the Navy, Vice Admiral Mike Noonan AO, RAN. Royal Australian Air Force Wing Commander Andrew Brandham and Warrant Officer Michal Mikeska will represent the Chief of the Air Force, Air Marshal Mel Hupfeld, AO, DSC, RAAF.

At the conclusion of the march, past Lieutenant Commander, Ross Halsall, will welcome you to The Service by the Sea - The Final Chapter, with Chaplain Glenn Mercer from Port Hedland offering a prayer, and a few words from distinguished guests. Shark Bay's own Vietnam veteran and Elder, Howard Cock will sing the moving song he wrote for HMAS Sydney II, Found, to close proceedings.

The HMAS Sydney Memorial Weekend team would like to sincerely thank the HMAS Sydney Association Australia (Victoria Branch); Federal and State Governments; Shire of Shark Bay and Shark Bay community for your support and belief in bringing this event to Denham. We look forward to seeing you all.

## JOIN US AT THE Memorial Weekend for all HMAS Sydney warships, 19-21 November, 2021, Denham, WA.

Commemorating the 80th Anniversary sinking of  
HMAS Sydney II on 19 November 1941, and honouring  
personnel from all HMAS Sydney warships.

## MIDWEST COURIERS

*Providing your transport solutions from Geraldton to Denham and Surrounds*

For the past 6 ½ years Kalbarri Express Freight has been servicing Kalbarri and surrounding areas. After enquiries were made we are going to offer our same services to Denham, with a once a week service, delivering on a Friday. Hence Midwest Couriers was born.

As Kalbarri has grown to know our reliable, efficient and friendly service we would like to offer Denham the same reliable, efficient and friendly service.

We are a small business with a hard-working team to give you the best possible service we are able to give.

Find us on our Facebook Page as well <https://www.facebook.com/Midwest-Couriers-185206275526497/>

Please call **0459 499 230** to discuss your requirements

# CRC EDITORIAL POLICY & ADVERTISING

## EDITORIAL POLICY

The Inscription Post is produced monthly by the Shark Bay Community Resource Centre in good faith as a means of providing information to the community and to promote the Shark Bay area positively.

An Editorial Management Committee of the Inscription Post has been delegated the

responsibility of the editorial role of the Inscription Post and is supported by the Management Committee. All materials submitted by the community are to be factual and non discriminatory. The Editorial Management Committee has the right to edit any items submitted for print, including abbreviating, spelling, grammar and also may

withhold or not print at all, any material considered unsuitable or offensive with no explanation needed.

We are more than happy to accept articles free of charge (subject to the Editorial Management Committee's approval), but limited space is available, so please keep submissions short – a maximum of one page unless

prior approval is granted by the Editorial Management Committee. The author's name must be supplied for any contribution. The articles printed in the newsletter do not necessarily reflect the views of the Editorial Management Committee, staff or volunteers or management committee at the Shark Bay Community Resource Centre.
