Clubs WA invites you to join us for our

Clubs WA Discussion Forum - Shark Bay

Clubs WA's Discussion Forums are part of our Kickstarter Recovery Program

Clubs WA will be conducting a FREE Discussion Forum for clubs and associations in the greater Shark Bay region – giving you the opportunity to chat with our CEO Karen Giles and ask any questions you might have about your organisation's compliance and operations, including confidential individual briefings.

This meeting will provide an opportunity for clubs and associations in the region to come together and discuss the growth of your club during the COVID period, as well as ensuring your compliance requirements are up-to-date.

Date: Tuesday, 21st September 2021
Time: 6pm - 8pm
Venue: Shark Bay Bowling, Sport and Recreation Club

Discussion Topics:

- **Club Development and Future "Kickstarter" Ideas**
Compliance management, membership & volunteer strategies and future planning.
- **Associations Incorporation Act**
Ask your Compliance and Committee/ Board questions. Bring your club constitution along!
- **Liquor Compliance Requirements**
Ask your licensing questions and discuss the Liquor Control Act.
- **Local and Regional Issues**
General discussion on local issues such as shire relations.

Registrations close the Tuesday 14th September.
Spaces are limited so please RSVP early to avoid disappointment.

For information or to register please contact Clubs WA
at projects@clubswa.com.au or on 08 9417 7149.

Shire President's Report

Winter Markets – Sunday 11 July

The markets were extremely successful, with 28 unique stall holders and a total of 49 stalls. In addition to organising the event, the Shire contributed live entertainment, bouncy castles, fairies and face painting, plus a children's sensory play station. It was estimated more than 1,000 people attended this event, with positive feedback from both the community and stall holders being received. From the survey of stall holders conducted, it was clear the event also contributed significantly to the local economy.

Significant Event Sponsorship Funding

As reported earlier, Council has approved funding of \$5,000 towards prize money to support the Shark Bay Business and Tourism Association's January 2022 Wind on Water Festival. This two-day festival will include water sport competitions, a community art project and social community activities. January being the windiest, and therefore the best, month for kite surfing in the Bay is intended to attract visitors during the January school holidays. This Festival will hopefully become an annual event.

Grant Funding Applications

As previously advised, we are still awaiting the outcome of the \$2.5m grant application to the Building Better Regions Infrastructure Fund to enable the construction of 12 new aged care units to extend the current Herald Denham complex. The result of an application to the Department of Communities for \$900 to fund the Thank a Volunteer Day event has yet to be advised.

Shire Budget 2021/2022

A review of the Strategic Community and long-term Financial Plan was undertaken in June with the goal of maintaining consistent rate levels, whilst also continuing to deliver the community's aspirations expressed in the Strategic Plan. In March 2020, Council decided not to increase the rate in the dollar nor increase fees and charges, which resulted in the majority of ratepayers not receiving a rate increase last year. However, the community's expectation was that a high service delivery level and provision and maintenance of facilities and infrastructure would continue. So, I commend the Shire administration for an excellent job in closely monitoring operational costs to still achieve a balanced budget at the end of the 2020/21 financial year.

For this financial year budget, Council gave consideration to the freezing of rates and fees and charges the previous year and also to the rate income which will be required to continue funding future projects, developing additional facilities and providing services for our community. Although a rate rise was inevitable, Council has tried to keep the rise to a minimum, with a budgeted increase in rate rise of 4%.

Capital Works Projects -2021/22

Projects to be undertaken during the current budget period include; upgrades to the existing skate park, solar lighting installation for Stella Rowley Drive and Francis Street footpaths and installation of the Men's Shed at the rear of the previous childcare building in Hughes Street.

Emergency Communication Services

There is an obvious need to ensure that communication services and equipment remain operational in the event of emergencies and natural disasters, as highlighted during cyclone Seroja and raised at a recent LEMC meeting. The Shire's application for grant funding to install fixed NBN satellites for use in emergency situations at both the Recreation/Evacuation Centre and the Emergency Services Precinct has been successful, with installation of the devices scheduled for December this year.

A Warm Shark Bay Welcome to New, and Congratulations to Recycled, Shire Staff

Ashleigh Buchholz, the new Community Development Officer, commenced with the Shire on 14 July. Her predecessor, Candice, is relishing her new role as Coordinator of the Discovery Centre and Dale Chapman is poised to take over the administrative reigns of the Shire in early October. Congratulations and welcome to the Bay!

Cheers

Cheryl

APPOINTMENT OF CEO FOR THE SHIRE OF SHARK BAY

On behalf of the Council, I am pleased to announce that Mr Dale Chapman has been appointed to the position of Chief Executive Officer (CEO) for the Shire, following a unanimous decision at a Special Council Meeting held on 12 August.

The appointment follows an extensive recruitment process to identify a strong leader to work with both Council and Shire administration to deliver the outcomes identified by the community in our Strategic Plan, which include a robust local economy, responsible management and planning, as well as a safe and connected community.

Dale is an experienced senior business manager, with significant expertise and experience in leadership, people management, business development and financial planning in both not-for-profit and private sectors. He has been a business development manager with the WA Local Government Association (WALGA) for the past 13 years and has a great track record as a high-performing executive with a strong background in management and stakeholder engagement.

Dale and his wife Linda are very familiar with small

regional communities. He, having grown up in Papua New Guinea, and Linda likewise in Newman, as well as both living and working in Wyndham, whilst being heavily involved in these local communities.

In the CEO role at Shark Bay, Dale will deliver leadership, build strong stakeholder relationships, drive growth and service delivery to the local community and continue his proven results in developing new business opportunities.

Dale is keen to establish a sound working relationship with the President and Council in order to progress the strategic aims of the Shire and the local community and will have a strong emphasis on communication with both residents and Shire employees.

Council is looking forward to working with Dale, who will commence in the role on 5th October, and welcoming him and his family into our community. I am confident he will provide excellent leadership for the Shire going forward, with us all working together to make Shark Bay an even more awesome place to be!

Census

10th August 2021 was the Australian Census Night; I trust you have had your say, completed your form and posted it to the Bureau of Statics.

There have been six of us working hard in the town and surrounding areas. This has included long distances travelled, numerous phone calls, texting between us all, early starts and late finishes.

However, we could not have achieved such a great outcome without your participation the help of the Department of Biodiversity, Conservation & Attractions (DBCA) and all the accommodation managers in the area.

I would like to thank the five Field Officers for their dedication and commitment to achieving such a successful outcome. At first the task seemed daunting but with good communication and encouragement it was a great achievement felt by us all. A frequent comment from Field Officers was "I can't believe how many dogs there are in town" as they went from house to house.

A special thanks goes to the CRC, Post Office, Shark Bay Cottages, Shark Bay Hotel, Heritage Hotel, Shark Bay Seafront Apartments, Bay Lodge, Ocean Villa's, DBCA, Gavan and the 4 rangers, who covered Steep Point and Shelter Bay, Dirk Hartog Island and Francois Peron.

Further afield were Shark Bay Resource (Useless Loop) two people completed the great task very well, Dirk Hartog Island Homestead, Nanaga Bay, Hamelin Pool, Hamelin Outback Stays, Overlander, Billabong Hotel, Billabong Roadhouse and Coburn Resources. Included was a visit to some pastoral stations and phone calls to various others in our area to ensure they had all the relevant information to complete the Census on line. Then of course, our very busy Caravan Parks; Denham Seaside, Shark Bay, Blue Dolphin and Monkey Mia. A special road trip on Tuesday night along the main road down to Nerren Nerren and return to ensure we made contact with all the free campers.

I want to express my sincere thanks to you all for a successful 2021 Census complete.

Data will be available mid 2022.

Shark Bay School News

Our last Newsletter was at the end of week 8 last term and so much has happened since then! We said goodbye to Miss Kay, and now congratulate her on the arrival of Kailani. We greatly appreciate Mrs Harrower and Ms Andrade for looking after our Buyungurra block at the end of term 2, and have been pleased to welcome Mrs Rachel Hodgson to our staff team, supporting our high schoolers for the rest of this year. We wish Rachel and her husband Richard a very happy time in the Bay.

I enjoyed a few extra days away at the end of last term, as I had some Long Service Leave I needed to take. Many thanks to everyone for keeping the school running so beautifully to the end of term, and especially Bryan Riddick for taking the Acting Principal role.

School Reports went out at the end of term and what a fabulous set of reports they were. We are seeing positive trends in all areas of the school. Teachers started Term 3 with a full day of professional learning and planning on Monday 19th July so that all our learning programs got off to a cracking start.

Senior Secondary Camp

Our Year 11 and 12 students had a week in Perth with the aim of visiting universities to help with course selection and to gain the knowledge and skills to move confidently to independent living in Perth if/when the time comes. They visited their short-listed universities, met staff and looked around. They also joined a 'City After Dark' tour with the police and a self-defence course, as well as some fun things like a Mary Poppins show.

Winter Carnival

Students attended the Winter Carnival in Carnarvon on Friday 25 June, and we thank Mr Billy Martinez for helping with the driving. Our students had a great day and showed the wonderful sportsmanship that we expect of them.

ABC Haywire

Our High school students enjoyed a series of sessions with ABC video journalist Chris Lewis in the final week of term 2 as part of the Haywire program. You may

have heard their very interesting broadcast on ABC Radio, featuring the students discussing their Speedway driving.

NAIDOC

NAIDOC was celebrated on Thursday 1 July with a joint school-Youth Group event including a bouncy castle, a bucking bronco and kangaroo stew.

Thank you Miss Bec, Miss Chrissy and Miss Debbie and everyone who helped make it such a special day. We have new lettering to mark the occasion and celebrating Gutharaguda on our fence.

At the NAIDOC day Assembly, certificates were awarded to Lahayla, Xavier, Noah, Helena, Charlie, Adriana, Sophie, Isabella, Jai, Emily, Savannah, Tayla and Finn – congratulations to them all.

Scientist-in-School

It was great to welcome our Scientist in Schools partner from CSIRO's Eye on Water research program for a return visit, with our students participating in research that adds to the national database. EyeOnWater Australia (csiro.au)

Hamelin Science Fair

Our Y7 group had a day out at Hamelin Station ahead of the Hamelin Science Fair, where they presented some of their own research posters then enjoyed presentations from

scientists working on Sandlewood trees and the Grass Wren. A big thrill was being taken to see the native bees' claypan nests.

**Year 3-6
Excursion to
Monkey Mia**

Our Wuthuga block students enjoyed a day at Monkey Mia on Friday 6 August with Mr Capewell from Wula Gura

Nyinda Eco Cultural Tours for a wonderful morning walk around the peninsula, learning how to 'read' signs of nature and season in the bush environment and some Malgana vocabulary. The students were thoroughly interested in all aspects and our Year 6 leadership team took good care of the younger students. We were then very ready for the treat of a hot lunch at the restaurant and some beach games before heading home.

NUMERO Club

Back on school grounds, we're also pleased that the Maths enrichment started by Ms Kay is continuing in a new form, with a NUMERO club open to all students being run by Jen Moroney. Jen will be starting a teaching degree with a maths specialization at Edith Cowan University next year and we are lucky to benefit already from her commitment to helping younger students. The Club runs before school on Tuesdays and all students and family members are welcome. Some of our high school students are also keen to start a team to train for the NUMERO contests next year.

School Council

School Council met on 17 August. Members reflected on our very pleasing recent student data and continuing school improvement plans. We welcome new members Jennie

Olszewski and Colin Todd.

During the first week of term staff enjoyed meeting a Collegiate Principal whom we had invited to visit as part of a Department of Education program to facilitate close links and mutual support between schools and principals. It was lovely to hear from such an experienced and respected colleague that our school is demonstrating exemplary practice. Lots of ideas and data were shared and we look forward to keeping in touch.

**Bookweek
Assembly**

Our school community pulled out all the stops for a fantastic Bookweek parade on 12/8/21, as part of the Year 1,2 class Assembly. The costumes were amazing and almost everyone took part. The Year 1,2 students sang beautifully. Congratulations to Certificate winners Troy, Amayah, Aron, Zahra, Chantae, Connor, Myah, Bodhi, Yonten, Soren, Tayla and Finn.

Special congratulations to Sophie, first recipient of a new award from our local police, for displaying good citizenship at school and in the community.

P&C

We celebrated P&C Day on Friday 23 July with our Year 6 student leaders making a point of 'catching' as many P&C members as they could, thanking them and giving them a sticker. We hugely appreciate all the support from our P&C, including the delicious lunches, special events and fundraising to enhance school for all our students. Thank you to all involved and to Nat Dul, our P&C Chair.

Student Support

We welcomed Headspace for a days of workshops with our Highschool students on 29 July. The aim is to be proactive in assisting young people to be resilient and forward-thinking, and better able to cope with whatever challenges inevitably come their way.

Artist-in-Residence Program

We are delighted to have welcomed Angela Rossen, Artist and Biodiversity Educator, as artist-in-residence at school through weeks 5 and 6 of term, and to be benefitting from her community activities as well, as part of a collaborative project planned by Wendy Payne, Parks and Wildlife, as

Shark Bay School News cont.

part of the Return to 1616 project. Angela is spending weeks 5-6 of term working with students to create a fabulous triptych based on the local flora and fauna, and other activities involving story-telling and video-making. Don't miss our Art Exhibition opening on 3rd September!

New lunchtime self-care club for girls

The Self-Care Girls' Club is run by Jennifer and Nicole Moroney, with Miss Bec supervising. Jennifer and Nicole are year 12 students who attended a mental health camp run by zero2hero in the April school holidays this year. This club's program over 4 weeks will focus on the self-care aspect of mental health, which is learning how to take care of your own and others' mental health and resilience in an age-appropriate way.

Bushfire Plan

As a school listed on the Bushfire Zone Register, with a 'Very High' Risk Rating, we have developed a Standalone Bushfire Plan with the help of consultation with local emergency authorities and agencies. We appreciate their support. At school we will ensure that fire safety is part of the curriculum and also run emergency drills. Families, we appreciate your help in our state of continual readiness, by your being aware of our Bushfire Plan and by keeping your contact details up to date and the ClassDojo app active on your phone, to facilitate rapid communication of messages when required. There are copies of the current Standalone Bushfire Plan for Shark Bay School available in Reception.

Dentist

Dental Health Services will be at Shark Bay School from 1-22 September and 13-27 October. Messages can be left in the week prior to visits by phone 0047 854 272 or email ltin1Central@health.wa.gov.au.

Enquiries welcome at any time

Shark Bay Youth Group – Meals on Wheels Saturday 28th August 2021

Youth prepared, cooked and delivered meals to 44 of our deserving seniors.

They were treated to Leek and Potato Soup, Moroccan Lamb with Lemon Couscous and a Tangy Lemon Slice.

Well done to; Jennifer, Nicole, Laylah, Tiah, Telleisha-Rose, Ella, Tayla, Kealee, Savannah, Ashayah-Lilly, Katie, Jai and Brody. You did an amazing job and should be very proud of yourselves!

Thanks to Jess, Danielle & Cath for helping with deliveries.

A BIG thank you to Jamie from Denham Meats for donating the lamb and to Jayda from Shark Bay Cleaning for donating the takeaway containers.

We would also like to thank Horizon Power for the generous grant of \$1000.00 that allowed us to purchase larger pots, bowls and baking trays.

POWER**

Conservation Matters

August has been an exciting month with a range of activities for the Biodiversity Festival 2021 happening.

The Celebrate Shark Bay Photographic Competition has now closed and a range of spectacular photographs celebrating the 30th Anniversary of Shark Bay's World Heritage Area listing have made a tough job for the panel of judges who have been working hard to choose the winners.

In addition to the photo competition, biodiversity artist Angela Rossen has been in town conducting free nature study art classes with community and the Shark Bay School, focussing on the biodiversity of Dirk Hartog Island National Park. All artwork and photographs will become part of the "Biodiversity of the Bay" Art Exhibition for the month of September.

The Biodiversity Festival 2021 has been generously supported by the Shark Bay Arts Council, World Heritage Area Advisory Committee, Shire of Shark Bay, Shark Bay School, Shark Bay Community Resource Centre, Shark Bay Aviation, Dirk Hartog Island Eco Lodge, Ocean Park Aquarium, Perth Zoo, and many other Denham community members.

Join in the fun and come along to the exhibition opening on Friday 3rd September at the Rose de Freycinet Gallery to

discover the winners of the photo competition, be the first to see the art produced by Angela Rossen, the Denham community and Shark Bay School and be serenaded by Denham's very own Katie McKay, a professional violinist who plays violin for the WA Symphony Orchestra.

Volunteer Support Officer

SES Shark Bay

A warm welcome into our units new members Sherry and Steve. Learning new skills and helping others out in stressful times is very rewarding.

One thing for sure, as members of SES you never know when or where you might be deployed to, and for what reason!

We had four requested deployments during August. Each situation was very different.

- ❖ At approximately 4.30pm on a Tuesday afternoon Police asked for two air observers to fly to Woodleigh Station to conduct do a SITREP as an EPIRB had been activated. Due to the timing, daylight hours were limited. Chris our pilot, made our flight very comfortable and ensured we were on the ground before the sun went down. Visibility was very good, other than cows, sheep and goats no distressful situation or people were observed from the air. SES ground support was also required with the assistance of Shark Bay and Northampton Police. They all searched into the late hours of the night but found nothing. Many thanks to Shaun, Terry, Bryan, Joe and Judy for attending.
- ❖ Another request the unit received, was to fly to Meekatharra to help search for a missing prospector. In due course it was decided (as the plane would have to refuel), members were to drive because the vehicle was required for the search. Logistics were an issue, as it would have been a nine-hour drive to get there because of recent rains and road conditions, as well as fatigue management. Crews would be required to immediately join in on the search. In the end our unit didn't attend. Thanks

to Terry and Joe for putting your hand up for this deployment.

- ❖ Then there was a request for air observers to fly to the top of Dirk Hartog Island to locate a boat that was overdue. Thankfully the boat was located before members left the SES headquarters. Thank you, Jamie, George, Terry and Joe.
- ❖ Our final deployment for August was to participate in the Shark Bay Marine Search and Rescue Exercise that was held on 21st August. We united with other DFES units/brigades in our region and external agencies. Over 40 people were involved, each group specialized in their particular area of search and rescue. We were required to fly air observers over a certain GPS position looking for a particular boat, people (dummies) and debris in the water. Scott our pilot was outstanding, we searched using a one-mile grid pattern. Objects observed from the air included life jackets floating and a deployed life raft. Natt, George and Judy were the observers.

In August some of our members also attended a 4WD off-road and recovery training course in Kalbarri. Photo's are below.

Upcoming events is the WAFES conference being held 9th September at the Crown Hotel in Perth and our AGM that is being held 6th October 2021.

If you would like to join us, just turn up at the Emergency Service Precinct building. We meet the first three Mondays of the month at 5pm. Or call Unit Manager Joe Mclaughlin on 0419 902 895.
SES Shark Bay

Shark Bay Community Men's Shed

Its amazing to see our new shed erected on our site at 29 Hughes Street Denham. The shed will form part of a hub for community groups. As you can see there is plenty of work for a gardening group to help landscape the area around and behind the shed.

The Mens Shed this week signed a Memorandum of Understanding with the Shire of Shark Bay. The MOU sets out the conditions under which the group can occupy and operate out of these new premises. The Shire has offered very favourable conditions which will help the team re-establish in our new premises.

While we hope to be in our new premises very soon it might be as long as six weeks before we will be able to relocate. In between times the shed crew will be operating from our usual premises in 4 Poland Road.

Feel free to drop in a discuss coming activities with the crew at 10am on a Monday morning.

David Lergessner
SBC Mens Shed
Secretary/treasurer

The Gascoyne Games is a regional multi-sport event aimed at building intra-regional spirit and providing sporting opportunities by uniting the Gascoyne and wider community through a long weekend of participation in various sporting competitions.

The inaugural event was first held in 1994 in the Exmouth township and the Shire of Exmouth is excited to revive the event in 2021 after a six-year break! The best news is, you don't need to be an athlete superstar to participate; the Gascoyne Games feature a variety of sports, rounding out the program. There is truly something for everyone!

The Gascoyne Games' Opening Ceremony will be held at Federation Park on Friday, October 22 from 5pm.

Sports will commence the Saturday through to Sunday, and individual sports presentations will take place Sunday afternoon.

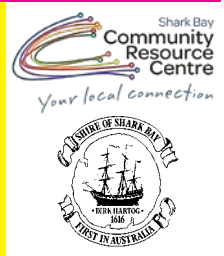

More information about the 2021 Opening Festivities and Gascoyne Games will be available shortly or by visiting <https://www.exmouth.wa.gov.au/gascoyne-games.aspx>.

Final Race Meet - 7th August

Although we didn't get the car numbers to support our Modified Perpetual trophy day, we were still able to run our Sprint Car and Wingless sprints trophy day as well as our first annual push bike race. 211 individuals coming through our main gate for our last race meet for 2021.

The kids and grown ups had a absolute blast hitting the track to compete during the intermission on their push bikes. We witnessed a variety of bikes including bmx's, racing bikes, trikes and balance designs race with many incorporating baskets, baby seats, trainer wheels and horns. A fun way to end our season.

Congratulations to our perpetual trophy day winners. Sprint Cars - sponsored by Shark Bay Aviation
1st Blake Jackson
2nd Mick Reynolds
3rd David Guy

Wingless Sprints - sponsored by Burton Tiling Maintenance & Renovations
1st Robbie Clarke
2nd Kyle Beard
3rd Kevin Bissaker

Season Windup

2021 racing is now done and dusted here in the Bay allowing some needed respite for our drivers and crews. The work will still tick over slowly in the off season by our volunteers as we work towards the final phase of our track wall upgrades, creating tyre walls to stop erosion as well as replacing sections of wire on our safety fence.

We would not have been able to achieve any success without the continued financial support offered by our many event sponsors who come on board from all across the region and community. Special recognition must be made to the ever supportive staff and councillors from the Shire of Shark Bay, for providing event financial assistance - cash incentives to racers, which gets them here in our community spending money as well as assisting with the use of their equipment and machinery. The hard work maintaining, preparing and guiding our track maintenance volunteers comes from our track curator Bobby from Oakley

Earthworks. The ladies at the Shark Bay Community Resource Centre also must be mentioned as they continue to manage a large amount of our administration as well as handling our advertising.

118 drivers competed on our track, with 1,410 people recorded coming through the main gate (not including any that came after volunteers left the station) and we had 126 financial members.

2021 Season Winners:

No 1 ticket holder 2022 - Leah Ricetti
Race Day Volunteer of the Year - Drew Wassman
Most Improved Driver - Tayla Burton
Best Presented Car - Ella Ricetti

Blind Footy Tipping:

It was pretty much a 3 horse race for the second half of the footy season with Ella, Mrs H and Seth all battling it out for first place. Congratulations Ella on winning by one point... so close Mrs H! Enjoy your cash prizes of \$92.50 to Ella and \$55.50 to Claire H as runner up. Thanks to the organiser Mrs H and her offsider Rick Moroney for this awesome fundraiser.

Athletics Carnival Day:

What a fabulous carnival for 2021. It was an exciting competition with Sharks winning by 7 points. Well done to all the participants.

Thank you to everyone that contributed to the morning tea and to the helpers on the day. A special thanks to Mandy and Michelle for manning the raffle ticket table for most of the day. Winners of these fantastic raffle prizes were:

- 1st Tony Court
- 2nd Ella Ricetti
- 3rd Debbie Bellottie
- 4th Shae Brennan
- 5th Jennie Olszewski

The lucky winner of the \$250 money board Kathy Rock. Congratulations to all of our lucky winners! Raffles such as these would not be possible without the support of our sponsors so a big thanks goes out to Surf n Dolphin, Trudy Grant and The Heritage Resort.

Father's Day Raffle/Stall:

Ms Bec has organised another amazing Father's Day stall to be held during school on Thursday 2nd of September. All gifts are less than \$10 (mostly under \$5) so make sure the kiddies get in on the action and get something special for the males in their life. On Friday the 3rd of September during the Father's Day Breakfast, P&C will be selling raffle tickets for \$2 each. Winners of the awesome prizes will be drawn at the conclusion of the breakfast. Thanks to the Old Pearler Restaurant, Shark Bay Speedway, Salty Bay Fitness, Shark Bay Fishing Club, Shark Bay Hotel and Surf n Dolphin for all of the generous donations. Good luck and Happy Father's Day to all our Dad's here in the Bay.

School Lunches:

Nicole and Tianna are on fire this term with another lunch order happening on the 2nd of September. We are all looking forward to yummy burgers, milo/white chocolate balls, brownies and fruit cups. Superb, thanks ladies.

If you would like to coordinate a school lunch, see one of our executive committee members for more information.

Coming up in Term 3:

- Father's Day - Raffle 3rd Sept and Stall 2nd Sept
- Lego Club Tuesdays 2:45pm - 3:45pm
- Lunch order day 2nd of September

Thank you for your support.

Natt Dul - On behalf of the P&C Executive Committee

Kindy Gym & Bub's Sanity Saver

Bub's Sanity Saver and SING&GROW

During August, in collaboration with Parenting Connection, Ngala and the SBCRC, families in Shark Bay have had the opportunity to join in weekly Sing&Grow sessions with coordinator Jess via zoom. These sessions are run as part of Shark Bay Community Resource Centre's Mum's & Bub's Sanity Saver weekly morning tea with the Sing&Grow program starting at 10:30am. Thanks to the Shark Bay Bowling, Sport and Recreation Club for allowing us the use of their venue.

What is the Sing&Grow program?

Sing&Grow is a national, evidence-based music therapy program providing services for young children and their families. Group programs focus on strengthening family relationships, building capacity in parents to support their children's development in the early years of life, and supporting children's transition to school.

Through the sharing of both traditional and non-traditional children's songs, Sing&Grow provides families with a safe space to interact in new and positive ways, to increase their confidence to use music and play at home, and to learn new ways to support child development. Services encourage children and parents together to explore, learn and play in a developmentally stimulating, fun and musical environment.

Group programs are held in accessible venues in collaboration with community organisations. Up to 10 families attend half an hour - 1 hour weekly sessions (generally over 6 weeks), participating in hands-on music activities that assist children with developmental skills and extend the repertory of parenting skills in relating to children through interactive play.

Known song material, original compositions, singing, movement to music, relaxation and instrumental play are all incorporated into an established session plan, and a resource CD and booklet is made available to each family and the host organisation, further supporting families' capacity to use the musical activities at home.

Marine Rescue Shark Bay

Marine Rescue Shark Bay has had a busy August. Three calls for assistance were received from people who required a tow back to Denham and two calls from Water Police to help locate overdue vessels. All jobs resulted in successful outcomes.

One of the overdue vessels was located fifteen nautical miles southwest of Carnarvon by the Challenger search and rescue jet. This was a very frustrating job as the people on the vessel involved could not read their chart plotter well enough to give us their position. They had run out of fuel and drifted a long way. They had no VHF radio and the epirb they activated had a very weak signal and was not picked up until the search aircraft was directly above their position.

Saturday the 21st of August was the day of a large MARSAR, (Marine Search and Rescue) exercise out of Denham. The exercise scenario was that a charter vessel with fourteen people on board had caught fire and sunk about ten miles West of Denham. Three Marine Rescue vessels from Denham and Kalbarri, marine rescue volunteers from Carnarvon and Denham DBCA staff joined the Fisheries and Border Force patrol boats to carry out

a search for deployed life rafts and jackets, search and rescue dummies, and other debris.

All items were located and the “injured” dummies were treated on board and conveyed to shore to be met by St John Ambulance and Fire and Rescue volunteers. Shark Bay Aviation contributed greatly to the exercise by taking off with three SES Air Observers and were the first unit to spot debris in the water.

The exercise was organised by our regional DFES manager and run by Shark Bay Police from their radio base at the station. Over forty people were involved, and a barbecue and social get together was held at the marine rescue shed after the debrief at the end of the day.

Valuable lessons are learnt from exercises such as this and help us to identify ways we can further improve our systems to make sure we are ready to respond effectively should the situation ever arise for real. Thanks to all the people and agencies for taking the time to participate.

Marine Rescue Shark Bay

PARENTING 101

FOR PARENTS OF CHILDREN AGED 18 MONTHS – 10 YEARS.

JOIN US FOR AN INFORMATIVE AND PRACTICAL WORKSHOP TO HELP YOU TO SUPPORT YOUR CHILD'S GROWTH & DEVELOPMENT

YOU WILL LEARN:

- Why set limits and boundaries?
- Building a set of emotional brakes in our children.
- Parents can be great teachers.
- Is parenting from the same page possible?
- Strengthening relationships.

Where: Shark Bay School, 55 Francis Road, Denham WA
When: Monday 6th September 2021, 6pm-8pm
Cost: FREE, Courtesy of Parenting Connection Gascoyne

The Friendly Hub

The Friendly Hub was a buzz of excitement as once again Corina came to light with one of her popular weekly quizzes. She is entertainment at its best while doing all the actions of some of her questions. The motto is, if you don't know the answer, make one up, a prize for to the funniest. John once again has proven that he is the master of quizzes. A big welcome back to June Lysle whom hopes to stay until January. Looking forward to seeing her on a regular basis at the Friendly Hub.

The Friendly Hub runs every Wednesday morning from 10am at the Shark Bay Bowling, Sport and Recreation Club (Bowling Club) Francis Street. \$3.00 gets you morning tea and lots of fun and laughter.

MEDIA RELEASE

Virtual family and domestic violence support extends to Shark Bay

Specialist regional domestic violence organisation DVassist is set to extend its support services to Shark Bay from September this year.

It means people living in the Shire will have access to a domestic violence telephone helpline and webchat staffed by qualified counsellors with experience in regional, rural, and remote communities.

DVassist's website and online information hub will also be updated with geographically relevant domestic violence support services and resources which can be searched via location.

Expansion of the service to Shark Bay for the next 12 months have been made possible through the NAB Foundation Community Grants program which supports local projects that help communities prepare for natural disasters, support long term recovery and build resilience against future disasters.

NAB State Business Banking Executive WA, Jeff Pontifex, said with more Australians being impacted by natural disasters, it's vital that local support is available to help communities before, during and after a natural disaster.

"As a bank, we know we have a vital role to play to support our customers and local communities when they are impacted by natural disasters. In the immediate aftermath of Cyclone Seroja, NAB provided \$450,000 in customer grants to help the local community with their immediate needs and our bankers will continue to provide on the ground support for the long term," he said.

"Through the NAB Foundation Community Grant program, we're providing funding to local projects that help communities better prepare for natural disasters and assist in their long term recovery. That's why we're getting behind DVassist to support them as they extend their vital services to more West Australians."

DVassist Chief Executive Officer, Esther Schwald said up until now the non-profit organisation had only been able to service 16 regional pilot areas in Western Australia.

"But we need to extend our support and communities at risk of natural disasters are a priority as they have added challenges and pressures which can compound relationship violence," she said.

"We are extraordinarily grateful that NAB Foundation has recognised the critical need to support us as we extend our services to some of the smaller and more

remote towns where people can be socially isolated, physically distant from services and live in fear of stigma or retribution."

Ms Schwald said as a virtual service DVassist can provide confidential and anonymous help to people living in Shark Bay without compromising safety or privacy.

"Whether it's you or someone you love who's experiencing family or domestic violence, we can talk to you no matter where you are or what you are doing."

DVassist's helpline and web chat is available Monday to Friday, 10am to 10pm.

Free-call 1800 080 083 or visit dvassist.org.au

CONTACT: Emma Sammarruco @ The PR Collaborative on 0437 733 373.

After Hours Emergencies

If you call the Shark Bay Health Centre after hours you will be transferred through to Health Direct where a Registered Nurse will ask you a number of questions to determine whether you need further emergency assessment by the Shark Bay nurse. If you require further assessment, your call will be put through to the local nurse.

- Examples of an EMERGENCY include:**
- Breathing difficulties
 - Chest pain
 - Severe abdominal pain
 - Bleeding that can't be controlled with first aid
 - Convulsions and fits
 - Deep lacerations
 - Eye or ear injuries
 - Uncontrolled high fever
 - Loss of consciousness
 - Pregnancy – bleeding or onset of labour
 - A very sick child

Regional Economic Development Grants

Round 4 Information Roadshow

The Regional Economic Development (RED) Grants program is a State government initiative that invests in community driven projects to stimulate economic growth and development in regional Western Australia. Eligible applicants can apply for RED Grants funding of up to **\$250,000** for individual projects.

Applications are assessed on a competitive basis with consideration given to alignment with the Gascoyne's regional priorities and demonstration of an economic diversification and employment growth outcome. The Gascoyne regional priorities for Round 4 are:

- Growing primary production
- Aboriginal economic development
- Growing tourism
- Workforce development and accommodation
- Vibrant communities and innovation

Come along to one of the events listed, or make an individual appointment by contacting:
