Executive Officer's Report

Closure

The Shark Bay Community Resource Centre (SBCRC) will be reopening our office and the Shark Bay Recreation Centre on Monday 10th January 2022. I will be on long service leave into February, so please get in touch with Natt, Judy or Katie if you need any SBCRC assistance during this time.

Government services - closer than you think

At the SBCRC we can help you with Centrelink, Medicare and other government programs and services. We're a Services Australia Agent.

Using our computers, you can log in to your myGov account and do your business on the spot. If you don't have a myGov account, we'll help you to set one up.

There are phones for you to access phone self service or speak to us. If you'd rather use your mobile phone or tablet, we've got free Wi-Fi available 24/7. You don't need a password so you can get online straight away. You can also use the Wi-Fi to download and install the Express Plus mobile apps. We can help you set up your digital services if you're not sure what to do.

You can also lodge forms, get your identity documents certified and pick up brochures.

So next time you need to do some government business, drop in and see us.

We're open Monday to Friday, 9am - 4pm.

Seniors Xmas Luncheon

As we always do, the SBCRC was invited to assist the Shire of Shark Bay, and specifically Ash and Deb, to prepare and host the annual community Christmas luncheon for our local seniors. It was a pleasure working with the ladies and also several students from our local school representing the Shark Bay Youth Group, to wait on our valued seniors.

All seniors were gifted some delicious chocolates donated by our local Shire and a 2022 calendar from us at the CRC. For a bit of fun and a laugh, we missed off the last few days of June

and were impressed that it was picked up quickly. We are more than happy to bind in the whole month of June when we reopen in January.

It was a great day, Carlos played some tunes and Dale the Shire CEO gave an encouraging speech recognising the contributions seniors make to our community. Thank you for allowing us to be a part of this special day!

Australia Day

The Shire has asked us to assist with the organisation of the 2022 Australia Day breakfast. The event will be held at the Bowling Club and we will have an array of delicious warm foods including bacon, eggs, sausages, toast, cereal, wraps, baked beans, pancakes, juice, tea and coffee. It will be a fantastic morning recognising the achievements of locals as the Shire will award the active citizenship awards. Please join us all at this free event.

Better Health Program

The WA Country Health Service is funding the Better Health Program online for children throughout regional WA. The next program starts in Term 1 2022. Registrations have just opened on the Better Health Program website, but remaining places are limited. To register, follow this link: <https://betterhealthcompany.org/>

The Better Health Program is a **free**, online, healthy lifestyle program for 7-13 year olds who are above a healthy weight and their families.

Free fitness tracker & freebie packs

Online activity sessions & resources

One-on-one phone-based health coaching

"With the wonderful help and encouragement from our coach we have made so many positive changes in our diet, in our lifestyle and in our general health and wellbeing."
- Better Health Program Parent

Christmas Markets

A big thank you to everyone in the community that came along to support our community markets in early December. There was a large variety of items for sale including lots of local crafts - resin chopping and grazing boards, resin trinkets, microwave bowl holders, napkin holders, recycled pallet crafts, jewellery as well as plenty of food items including raw products, goat and other varieties of pastries, sausage sizzle, infused oils and other great christmas presents including plants and pots.

WA Country Health had a pop up stall providing mental health information and support as did Circus Challenge who provided fun games and performances for everyone and especially the kids to participate in. Everyone was encouraged to make their own christmas wreath.

Christmas Lights Competition

Drum roll... the Shark Bay Christmas Competition WINNERS for 2021 are:

- 1st prize - Court residence
- 2nd prize - Uszko residence
- 3rd prize - Fitzpatrick residence

Congratulations to everyone who won, and thank you to everyone who entered the competition or voted for our competitors!

**REMEMBER TO
COVER YOUR LOAD**

**PENALTIES APPLY FOR UNCOVERED LOADS
AND LITTERING**

The Shire of Shark Bay employees work very hard to keep Denham tidy.

Please help us to maintain the cleanliness of the town by transporting waste to the refuse disposal site responsibly.

Do the right thing cover or secure your load.
**IF YOU DON'T YOU MAY BE SUBJECT
TO SUBSTANTIAL LITTERING FINES**

A big thankyou to the Denham Volunteer Fire Brigade for assisting with the slippery dip water, as well as SES for providing the plastic and lastly Santa for making the very special trip down under.

The Shark Bay Entertainers

Happy & Safe 2022!

We wish you a very Merry Christmas and Prosperous New Year, filled with Joy & Entertainment!

A tremendous THANK YOU to Graeme Ducas for continuing to store the Entertainers' caravan full of props and costumes on his property. We are so grateful for your help to our little group!

Family Day Care Opportunity

Ngala Family Day Care are seeking expressions of interest for childcare educators to join our team.

Do you like working with children? Looking for flexibility. As a Ngala Family Day educator, you get to:

- Work with a very supportive service
- Work directly in families to meet their childcare needs
- Organise your days to suit the children you work with
- Run your own small business – educators are self employed
- Work the days and hours that suit you (and the families you are caring for)
- Work with children from birth to end of primary school age

To be a Education & Care Educator you need to have the following:

- Hold a childcare related qualification or be willing to studying towards (minimum Certificate III ECEC)
- Hold a Working With Children Check
- Maintain current First Aid Certificate including CPR, Asthma and Anaphylaxis certification
- Criminal History Check - National - current or willing to obtain one (less than 6 months old)

Give Angela a call today on 0408 218 481 or send an email to aclarke@ngala.com.au for further information.

Tuesdays @ the Hall Starts at 1:30pm

\$3 per session

Any enquiries please ring Bron - 0407 310 052

Thanks to Santa, his helpers and donators for the lolly runs over the festive period.

A Month in Town with the Boys in Blue

As another year comes to a close we would like to start this month's boys in blue by wishing everyone in Shark Bay a Merry Christmas and Happy New Year. We would also like to say a massive thank you to all our 000 brothers and sisters in town along with everyone who through 2021 has helped this town be the beautiful place that it is. What you mean to us is not something that can be measured or a value placed on it and we just want to thank you for everything that you do in town and for the community as a whole.

As we drove around town and out on the Highway in December, it was noticeably quiet with not a great deal of cars on the road or people in town. As Kevin Costner said in the field of dreams "build it and they will come." With that in mind we know that with the holidays coming the people will come with them.

Like with every month we have been out on the highway conducting traffic patrols and although it has been quiet we still catch people doing the wrong thing including one person who was doing 163kph which resulted in that persons vehicle being impounded and another who was doing 30kph over the limit. As a result that person was fined \$800 and lost 6 demerits. So when you don't see us driving around town you may think we are out fishing, when in fact the chances are we are on the highway ensuring people are doing the right thing and that the roads are safe for everyone who travels on them.

For anyone who didn't see the photo, we had a visit from Santa this month who asked if he can come back on

Christmas Day and join us on a lolly drop around town. If you see us out and about that morning be sure to give us a wave and if Santa gives us the nod that you are on the nice list we will gift you some lollies.

As we wish a farewell to 2021, we welcome in 2022 and everything that it will bring. However you spend the festive period we wish you all a safe Christmas with your family and loved ones.

Constable Colin

Shark Bay School News

2021 has been a rollercoaster year and seems to have rushed by. Despite the busy terms and the activities we have been able to resume like camps and sports carnivals, our team of educators has never lost sight of our prime aims, to care for your children and to strive for excellence in their learning. How well they have done both is shown in the calm, friendly supportive environment in our classes and playgrounds, and in our academic results. It's lovely to know that our school is being recognized for good practice, good learning and an inclusive, culturally responsive ethos. A school reflects the wider community around it and we say a big thank you to the school's families, friends, supporters and helpers who make it what it is.

We thank Sharna Timmer, our outgoing Council Chair, and wish her and her family well in their move. We farewell Ms Hodgson as she completes her semester's contract and returns to Albany and also say goodbye to Ms Crowley who has been at Shark Bay School for 7 years. Nicole tells us she has enjoyed her time here and will miss everyone, but has family and friends in Perth and it is time to make the next step in her career. Next year we welcome Ms Gabi de Oliveira Andrade to the teaching team, along with Mr Michael James, both of whom are very excited to be joining us. A new year is always an opportunity to try new things and we look forward to implementing some ideas for continued improvement in our programs and practices, including ways of involving parents more in student learning, and enhancing our commitment to sustainability.

We are also planning ahead to minimize the risk of any disruptions for health, weather or other reasons, as the opening of borders, while welcome, could bring some challenges for which the Department of Education is determined to be ready. Staff return on January 27th and we'll look forward to seeing the children on their first day, Monday 31 January. Happy and healthy holidays to you all until then!

Robotics

Our students benefitted from Coding/Computer Science coaching organized through Marita Cheng, 2012 Young Australian of the Year, a committed STEM ambassador. Video tutorials were provided for all our Year 1-6 students without charge, funded by the International Youth Foundation. Thanks to Mr Riddick for coordinating the sessions.

Clontarf Visit

It was great to have social and sporting interaction with a big team from Geraldton on Tuesday 23 November, brought by the Clontarf Foundation. Our students were proud to welcome them and everyone had a good time.

After School Swimming and Paddleboarding

Maybe we take it for granted sometimes.... our lovely town with its beach setting. I wish

I'd been to a school that took us to the beach after school. Thank you Mr Riddick, Mrs Harrower, Miss Parsons and Ms Brennan for running the program after school this term.

Transition Morning and planning for 2022

On Wednesday 1st December it was great to have our new Kindies for next year come along and explore their learning area and get to know everyone. All the students enjoyed the morning of getting a taste of 'next year', whether moving from PP to Year 1, or Y6 to High School.

Year 6 Graduation

Our Year 6 leaders all have done a fantastic job this year – cheerful, helpful, kind and reliable. We're very proud of them all and were delighted to celebrate their graduation with them and their families on Friday 10 December with an Assembly and presentations from Natt Dul on behalf of the P&C, followed by a Morning Tea and an excursion to Monkey Mia. Our current Year 5 students have been stepping up to learn the ropes and we are confident we will have a great leadership team in 2022 as well.

Carol Service

Thank you to Bill and Jocelyn Ross and their helpers for running a carol service for our students and families on Monday 13th December.

School Psychology Service

Our School Psychologist is a close support for families and the teaching team and is trained to assess learning needs, using special assessments to help advise teachers on learning adjustments. The School Psychologist can also help support individual students and families, and can offer training for staff and parents such as Triple P Positive Parenting. The first step if you have concerns about your child, academically or socially/emotionally, is always to talk to their teacher and the school can then put further assistance in place where needed. We will have a new School Psychologist appointed for 2022.

Reports

I hope we have lots of proud parents out there! We have seen some very pleasing growth in achievement this year. Well done everyone. Early in the new year we will run parent information meetings, open classrooms and interview sessions so that parents can get to know their child's teacher, understand the classroom and learning programs and how to work with the school to support their child.

Primary: Yonten Jamtsho
Secondary: Ella Ricetti

Aboriginal Education Award

Mathias Cross

P&C

Thank you to our wonderful P&C for their sterling support again this year. The students enjoy their lunches and special events and the school staff greatly appreciates the feeling of support and involvement from our parent community. The cheque for \$3,000 presented at the Concert will be a wonderful boost for special resources next year. Thank you, and thanks again to Natt Dul for her leadership of the P&C.

School Council

The School Council will hold its first meeting, the AGM, on Tuesday 1st March, which will incorporate Council Training.

Safety on the School Site

Please help us keep your children safe; closed in shoes, hats, and family familiarity with our Bushfire Plan and Cyclone Plan – available from Reception - are a great help. Please ensure we always have current contact details for you and updated medical information for your child/ren and that you monitor ClassDojo for updated information, including over the holidays as the return to school approaches. We'll provide any key updates on COVID or other potential disruptions as necessary. All staff are required to be vaccinated for the start of 2022. Students are not required to be vaccinated, but the Department of Education works with the Department of Health to facilitate vaccination for families who make this choice. Parents will not be required to be vaccinated to be on school grounds unless involved in a regular activity; please discuss with us if you are unsure.

Enquiries welcome at any time. <https://myschool.edu.au/school/48507> https://www.det.wa.edu.au/schoolsonline/overview.do?schoolID=5418&pageID=SO01&resetSearchType=ONE_SCH

Flag Marshal @ Remembrance Day Service

As is usual for the time of year as the winds and heat starts to bite, starting fields have been a little on the light side during December but the usual suspects have continued playing regularly in our Wednesday and Saturday 9-hole events. The following lists the winners and runners-up for the past month.

Event – Stableford	Winner (Score)	Runner-Up (Score)	Nearest the Pin*
Wednesday 1 December	Peter Llewellyn (15)	Jill Deschamps (14)	-
Saturday 4 December	Peter Llewellyn (18)	Jill Deschamps (12)	-
Wednesday 8 December	Peter Llewellyn (17)	Jill Deschamps (14)	-
Saturday 11 December	Lyn Harding (19)	Peter Llewellyn (15)	Lyn Harding
Wednesday 15 December	Peter Llewellyn (19)	Jill Deschamps (10)	Jill Deschamps

* Nearest the Pin second shot on Wednesdays.

The main handicap mover this month was Colin Ashby who lost 2 strokes down to 14 as he keeps playing very good rounds at the Serpentine Golf Club.

Club competitions are 9-hole stableford events played every Wednesday and Saturday with a 1:30pm registration for a 2:00pm tee-off. The bar at the 19th Hole is open following the game.

Visitors are most welcome at any time and visitor green fees are \$5 for 9 holes (honour system) with cards available at the clubhouse. The Club appreciates the fact that the vast majority of visitors respect the honour system and pay their green fees. These fees contribute to course maintenance which is continually required to keep the fairways from being overgrown and eroded and the greens in satisfactory condition.

Sets of clubs are available on club competition days or by prior arrangement at any other time. Motorised buggies are available for hire on competition days at \$5 for 9 holes for non-members and \$3 for members.

Boolbardie Country Club wishes everyone a Merry Christmas and a prosperous 2022 and we hope to see some new faces in the new year to come out and enjoy a round of golf and the great facilities on Australia's most westerly golf course.

Peter Llewellyn

The Friendly Hub

Fifteen very special regular Friendly Hub attendees were invited to a thank you Christmas luncheon waited on by the ladies from the CRC office. We were treated to a delicious three course meal of prawn cocktails and crackers, roast beef and pork as well as pavlova and fruits for dessert. It was a delicious meal with all the trimmings and pleasantries that come along with Christmas (lollies, dried fruits and vegetables, crackers and jokes).

A big thank you to Rosemary and John for the lovely gifts we received (hand made shell jars) as well as the CRC for putting on this very enjoyable luncheon. Lastly a big thank you to the Shark Bay Bowling, Sport and Recreation Club for allowing us to hold our weekly gatherings in your venue.

We hope to see you all when we return to our morning teas from Wednesday 12th January 2022. Bring along your \$3 and support our group by putting your hand up to donate morning tea one week.

Cheers

Happy New Year!

Year of the Tiger

SES wishes everyone a Happy and Safe 2022

Don't forget, if you're travelling around our vast state it is wise to carry a PLB (Personal Locator Beakon) in your vehicle or on your body if you are hiking, bike riding etc. The Community Resource Centre in Denham is selling them on our behalf, go and see their friendly staff and they will assist you with your purchase. It is a great gift for birthdays, anniversaries, or special occasions.

Farewell

Sadly our Unit has to say farewell to our newest members Sherry & Steve. These wonderful people are relocating from our beautiful piece of paradise over to Tasmania. We wish they all the best in their new adventures and hope they will fondly remember their time here in the Bay.

Don't forget it's that time of the year again!

"CYCLONE SEASON"

Are you prepared?

Do you have a cyclone plan in place? If not put one in place.

Are your precious documents in a safe place and updated?

Have you thought about your pets safety?

Is a grab bag ready to go? (medications, phone charger, book etc)

Join Us

Why not join us at one of our training nights. We meet at 5pm on the first three Mondays of the month at the Emergency Service Precinct – Cnr of Durlacher and Dampier Road. For more information you can ring the Duty Phone 0429 481 218.

FOR YOUR SAFETY

Emus are wild animals and are part of the natural environment.

Some emus are demonstrating aggressive behaviour towards people and dogs. This behaviour has been encouraged by unlawful feeding.

You can help protect yourself, your children, your pets, and the native emus by:

- **Not feeding the emus.**
- Keeping your dog under control.
- Storing dog food and water out of sight
- Not approaching or harassing emus.
- Storing your food out of sight.
- Guarding your food in BBQ areas and on tables.
- Supervising children with food.

The emus are actively looking for opportunities to steal food and may enter your campsite.

Please report incidents to staff. Your cooperation is most appreciated.

Denham 0837
@bcwa.gov.au
Phone: (08) 9948 2228
Information current at 9/12/2020

EMU FACTS

Emus normally eat seeds, native fruits, and green leaves. Most of their water requirements come from eating these foods.

Emus are a source of interest to many visitors who take photos of them walking through campgrounds and strolling on beaches. Sometimes they are observed wading in the shallow waters of the ocean.

Emus have a strong instinct to protect themselves and their chicks from any real or perceived threats. Dogs are often seen as a threat.

Feeding emus can make them sick, aggressive, and dependant on people. Emus can become a serious nuisance and threat to the public. These emus cannot be easily relocated or safely handled.

It is not unusual for dogs to be chased by emus. This is an unsettling experience for dogs and their owners as emus can be intimidating.

Feeding fauna without "lawful authority" is an offence under the *Biodiversity and Conservation Act 2016* which attracts a penalty.

Shark Bay Fishing Club

Yes its happened again, local 14 year old Seth Burton just speared himself another pending state record, this time a cobia weighing 18.95kg. It was caught straight out the front of Dneham Seaside Caravan Park, half way to the moorings on a site the kids call "the wreck".

It proves that fish of all sizes can be seen and caught anywhere in the Bay. Congratulations Seth.

A reminder to all residents in Shark Bay that our Fishing Club scales are callibrated so if you catch yourself a whopper and want to weigh it in to contest a state or national record, or just for bragging rights, give us a call. We are more then happy to help as well as show off your fish on our social media pages!

GOVERNMENT OF WESTERN AUSTRALIA

Business Workshop Series
Sponsorship and Marketing workshop series
for state sporting associations, peak bodies and regional sporting associations

These workshops upskill your staff with sponsorship and marketing strategies, equipping you with workable templates, resources and the knowledge to attract, report and retain sponsors and skilfully market your sport or recreation organisation.

Workshop overview

Three workshops over three evenings will focus on the following topics:

- How to create a simple marketing strategy.
- Activate your community using social media.
- Sponsorship strategies.

Presenter

Nicolle Jenkins is the Managing Director at The Hub Marketing Communications, possessing a wealth of knowledge and experience in sponsorship and marketing.

Three **in-person** and **online** (hybrid) workshops are available. Applicants must be able to attend all three workshops in the series.

Tuesday 15 February 2022
6.30pm – 8pm

Tuesday 22 February 2022

Shark Bay Rec Centre, Kindy Gym

Kindy Gym Christmas Party

On Tuesday the 14th of December, Shark Bay CRC held the annual Kindy Gym Christmas and Graduation Party. Twenty three children and twenty six adults enjoyed Christmas craft, bouncy castles, obstacle courses, a morning tea, graduation and a very special visit from Santa. Thank you to everyone that came along to enjoy the festivities, it was lovely to see all the smiles.

This event could not have happened without the assistance of some special helpers. A massive thanks goes out to Judy, Tamala, Laylah, Jess, Sarah, Brad, Adam and Claire. Thanks Denham VFRS (Trish Moroney) for delivering Santa safely to us and to the the Shark Bay Speedway for the red suit. Thank you to Shark Bay Boat Hire for the use of the big bouncy castle. Lastly to the Shark Bay Hotel and Eileen McMillan for the financial contribution from the Meat Raffle Community funds. THANK YOU! You all helped to make this day memorable for the families here in the Bay.

Closed

The Rec Centre will be closed over Christmas from the 17th of December. We will be reopening on the 10th January on weekdays 9am to 1pm with Open Courts and general table top craft activities along with Night Sports with Vivian.

Shark Bay Speedway Club

2021 President's report - for AGM on 11th January 2021, 5pm.

2021 had been another successful season for the club. We hosted 4 meets in the Bay this year with high nominations for all meets.

- The season started in April with the Gascoyne series which welcomed over 60 car nominations and great racing throughout the weekend. This 2 day meet is becoming hugely popular with the drivers and we look forward to its return in 2023 as unfortunately it can not be run in 2022 as Carnarvon will be hosting the Sprint Car state title that weekend. The only downside to this annual racing weekend is our Club barely breaks even due to the lack of bar sales to compensate expenses due to racing in Carnarvon the following day. I hope that in the future our Club's committees can work together to alleviate this issue.
- At our June meeting we hosted Legend Cars for the first time with 5 cars travelling up from the southwest to compete.
- This years Far Western was one of the biggest in recent years with 94 nominations and over 800 people through the main gate.
- The season finished up in August with our last meet and our windup which continues to be well supported by our huge travelling member base.

The Club has seen a lot more improvements during the season. Our kitchen is now equipped with a commercial grade oven which has helped our kitchen team churn out some amazing food. Huge thanks to Eileen and Macca for their assistance with this and also to Eileen and her crew for all her hard work during the year. We have also purchased a cool room for our bar to replace our old fridges. It will be installed in time for the start of next season. Thanks to CDH Electrical for all their help with this and to all the bar staff, Tegan, Jamie, Judy and Brian for taking on many of the bar duties.

One of the biggest achievements the Club has reached is our post and panel project. This was started by the Club in 2018 and during this off season will see the completion of stage 4 and the final stage of the project, with the Club receiving a \$17,000 grant to complete this final stage (thanks to Joe for all the grant application work). The amount of work that has gone into this has been huge and wouldn't have been possible without all the sponsors that have bought a panel. Also to Oakley Earthworks and Concrete, Shire of Shark Bay for the use of plant and equipment the committee and all the volunteers that helped to either pour concrete, make our posts or erect fence panels. Once completed this will be a huge step forward for the Club in bringing our track back up to a modern standard.

This season saw 4 new drivers at our Club. 2 productions and 2 juniors. The continuing increase in junior drivers each season is great for the club and ensures we will have racing members into the future. The Clubs driver member base is rising every year and with more interest from around town could see a few more added next year.

Racing this season wouldn't have been possible without all of the clubs sponsors that provide cash or in kind support to the Club. Also to all the volunteers who help on race day, whether it be in the tower, on the infield, on a gate or in the canteen, the club wouldn't run without you. Also to all the local businesses and everyone who helped to keep the Club and grounds maintained throughout the year.

I'd also like to say a massive thank you to the 2021 committee. The amount of positive feedback I got this year for our club is overwhelming and is all thanks to your hard work and dedication. I would especially like say thanks to Greg Hewitt for all he has done for the Club. There isn't a project around the Club he hasn't had a hand in and I couldn't have done my job without his support

As I am taking a step back from the committee this year, I would like to again thank everyone for their support to me during my time as President and I wish the Club and the new committee all the best for the future.

Shaun Burton - President

Preparation a community effort when it comes to disaster season

nbn has launched its 2021 Emergency Preparedness campaign by reminding Australians to put safety measures in place this disaster season and follow some simple tips to help maintain communications during emergency events.

Disaster season provides an opportunity to refresh contingency plans and make sure family members are aware of what to do.

nbn has these top tips for households:

1. Stay Mobile

Keep a charged mobile phone and portable mobile battery pack ready to use in a power outage, or if your nbn™ connection is disrupted in an emergency event. Consider turning off mobile data on unnecessary apps to save battery.

2. Stay Updated

Local radio is a good source of information during an emergency, so include a battery powered radio in your emergency communications kit. Also follow emergency services, including your state Fire and Rescue and Police Services, as well as utility companies and nbn (@NBN_Australia) on social media for updates.

3. Back up

To make sure you can access important information and essential documents from anywhere, including insurance policies and financial documents, consider creating a digital back up on a USB or in the cloud.

4. Alternative Power

If there is a power outage, equipment connected to nbn™ services will not work. For home needs during these times, you might want to consider investing in an alternative power source, like a generator. Unfortunately, alternative options like generators will not bring back home internet if the nbn™ network is also experiencing a power loss.

nbn is continuing to roll out the nbn™ Disaster Satellite Service and units are being installed at designated emergency management sites and evacuation centres across regional Western Australia.

The nbn™ Disaster Satellite Service services provide a back-up communications connection using satellite technology and will be switched on during an emergency event, providing free full satellite broadband functionality, including Wi-Fi and video streaming.

“Emergency preparedness is truly a community effort; we are prepared with our contingency measures and if households are prepared with those tips, we can work together to manage the impacts of emergency events and stay connected.”

To organise an Emergency Preparedness Briefing for your Shire or Community Group, please contact:

Jenny Thomas

Community Engagement Manager, nbn - Gascoyne, Midwest & Wheatbelt

Email: jenniferthomas1@nbnc.com.au

Office based in Mingenew

The poster features a blue header with logos for the Department of Biodiversity, Conservation and Attractions and Parks and Wildlife Service. The title 'Newborn Dolphin Calves at Monkey Mia' is centered. Below the title, a paragraph explains the critical first 6-8 weeks for the survival of newborn calves. A bulleted list of three guidelines follows: 1) Stay out of the water when a mother and calf are on the beach. 2) Leave the water completely with minimal disturbance if approached while swimming. 3) Follow the directions of Parks & Wildlife staff. A photograph of a dolphin calf is shown. The bottom section states that these steps are integral to the calves' safety and includes a thank you message. Footer information includes the Gascoyne District Parks and Wildlife Service contact details and a phone number.

Agent

At a Services Australia Agent you can:

use our computer to access **my.gov.au** and other government programs and services and to search for jobs

use the telephone to access our self service options or speak to us

access free Wi-Fi 24/7 to connect to government services. No password required

scan, fax and photocopy documents

have your confirmation of identity documents certified

lodge forms or pick up brochures

Agents can:

- respond to general questions on payments and services
- show you a quick and easy way to do your business using self service
- help you complete forms and other paperwork, and
- arrange referrals to specialist services.

Agents can't:

- make, review, assess or vary your payments, or
- issue Electronic Banking Transfers (EBTs), concession or Medicare cards.

Agents aren't Services Australia staff.

Your local Agent is:

Shark Bay Community Resource Centre

Address:

10 Denham Road, Denham WA 6537

After Hours Emergencies

EMERGENCY

If you call the Shark Bay Health Centre after hours you will be transferred through to Health Direct where a Registered Nurse will ask you a number of questions to determine whether you need further emergency assessment by the Shark Bay nurse. If you require further assessment, your call will be put through to the local nurse.

Examples of an EMERGENCY include:

- Breathing difficulties
- Chest pain
- Severe abdominal pain
- Bleeding that can't be controlled with first aid
- Convulsions and fits
- Deep lacerations
- Eye or ear injuries
- Uncontrolled high fever
- Loss of consciousness
- Pregnancy – bleeding or onset of labour
- A very sick child
