WA HAS THE LOWEST PATS FUEL SUBSIDY IN AUSTRALIA

Help improve the Patient Assisted Travel Scheme (PATS) for regional West Australians. The Petition calls for improvements in six key areas of PATS:

- Increased fuel subsidies.
- Increased accommodation subsidies.
- Providing taxi vouchers to allow patients to get to and from medical appointments.
- Improving processing and reimbursement times for patients.
- Expanding PATS to also include dental and allied health services.
- Providing greater recognition and support for patient escorts and carers.

 - Halloween P&C Disco @ town hall, \$2 entry fee

Executive Officer's Report

Dental van visit to Denham

Due to staffing difficulties Dental Health Services has had a reduced capacity to provide dental care to the Shark Bay community.

DHS will be providing dental care at Shark Bay School from 9th October to 3rd November 2023 and will prioritise the provision of care to the eligible school children in the area. There will be limited capacity to provide dental care to the adult population however adult patients requiring urgent

care can contact staff on 0447 854 272 to schedule an appointment for emergency care 25th October on 27th October.

The Shark Bay community are able to access care from Geraldton Midwest Dental Clinic, Shenton Street Geraldton, phone 9956 8790 and Carnarvon General Dental Clinic, Carnarvon Health Campus, Cleaver Street, Carnarvon, phone 9941 6690. Further information regarding the service provided by DHS can be obtained from the DHS web page at www.dental.wa.gov.au or by calling 9313 0555.

Department of Housing

Organisational structural changes have been made in the Department of Communities which means housing applications for Denham will be now be managed through the Geraldton office rather than Carnarvon. Staff at the Shark Bay Community Resource Centre are more than willing to continue to print off any housing applications or correspondence as needed, as well as forward this onto the respective contacts as needed. Just touch base with our team when required.

Events

We have lots of events planned for October which are open to everyone in the community to attend for free.

- 10th - Economic Empowerment for Women Workshop. A free lunch is provided (please register at the CRC).
- 12th - A early risers mindfulness & meditation session on the foreshore. A free breakfast is included.
- 14th - Art Therapy workshops at the Recreation Centre
- 15th - Art Therapy workshops on the foreshore using sand.
- 18th - Get Online Day so bring along your hand held devices to the Bowling Club for tech fun & a free morning tea.
- 21st - 29th - Children's Week with a variety of activities planned all throughout the week, mostly at the Recreation Centre or the town hall.

More information is available on event posters displayed in this Inscription Post edition as well as on community noticeboards displayed around town.

Mental Health Week

Art Therapy Workshops

Art therapy utilises creative outlets to improve and enhance physical, mental and emotional well-being. Art Therapists (courtesy of Art4success.com) are trained to use visual arts such as painting and sand-play under a framework with set boundaries to empower positive outcomes through creative expression.

You don't need to be good at Art! This workshop is about the JOURNEY of being creative, not the final product.

1. Explore your imagination and creativity
2. Develop healthy coping skills and focus
3. Improve self-esteem and confidence
4. Increase communication skills
5. Share in a safe nurturing environment
6. Express feelings that may be difficult to verbalise

Morning of mindfulness & meditation

Join us in a early morning of mindfulness, self care and develop a understanding of how the brain functions under stress. Breakfast included. for participants only.

Thursday, 12th Oct

6:30am - 8am
Foreshore gazebo near jetty
What to Bring: yoga mat or towel & a water bottle

Saturday, 14th Oct

Painting - 10am to 12pm
1pm to 3pm
Shark Bay Recreation Centre

Sunday, 15th Oct

Sandplay - 9am - 10am
Foreshore in front of Tasman Holiday Park
What to Bring: 5 Important Objects
(small things significant to you)

OUR FUTURE A SUSTAINABLE SHARK BAY

SHARK BAY RECYCLING CENTRE: ADDRESSING RECYCLING CHALLENGES

The former Bring Centre on Dampier Road is now the Shark Bay Recycling Centre. The Shire of Shark Bay has partnered with Containers for Change and ABC Foundation to enhance local recycling efforts and ensure eligible containers are sent to appropriate processing facilities.

IMPROVING LOCAL RECYCLING: STAY UPDATED ON FACEBOOK

We are continuously working on improving local recycling processes. Stay informed and connected by following [Shire of Shark Bay on Facebook](#).

4 WAYS TO RECYCLE IN DENHAM

1: GET A 10C REFUND

Return eligible containers to Yadgalah Aboriginal Corporation Mobile Drop Point and receive a 10c refund.

2: DONATE YOUR CONTAINERS

Collect eligible containers and drop them in marked bins at the Shark Bay Recycling Centre. 'Onion bags' are available for free at the Op Shop and CRC to help you collect containers.

3: OUT AND ABOUT

Drop eligible containers into specially marked collection baskets along Denham Foreshore.

4. NON-ELIGIBLE RECYCLABLE ITEMS

Bring non-eligible plastics, glass, and cardboard to Shark Bay Recycling Centre and sort them into marked yellow-top bins. The Shire is working on securing recycling partnerships for transport and processing.

WHAT HAPPENS WHEN I DONATE MY 10C CONTAINER?

When you recycle through the Shark Bay Recycling Centre or marked collection baskets:

- 5c is donated to ABC Foundation for important social programs in remote communities.
- 5c is used by the Shire of Shark Bay to fund future local recycling and sustainability efforts.

Waste Collection Requirements in Denham

The Shire of Shark Bay is now providing the Roadside Rubbish Collection service. The route is currently being optimised and pick up times may have changed. Now is also a good time to familiarise yourself with Waste Collection Requirements in Denham.

One Bin Only

Only one bin will be collected per household, unless approved by the Shire prior to collection.

New Pick Up Route

The Shire of Shark Bay is now providing the Roadside Rubbish Collection service. The route is currently being optimised and pick up times may have changed.

Please put your bin out the night prior to ensure your bin is collected.

Overflowing Bins

Bins overflowing with rubbish will not be collected. Ensure that the lid on your bin is able to remain shut at all times to ensure no wildlife can access it.

Incorrect Items

Do not put items such as bricks, heavy timber or steel in the bin. These materials can damage the collection equipment and your bin. The bins are for domestic waste only.

Rocks On Lids

Bins using rocks to keep the lid secure will not be collected as they can damage the truck.

Look up Bin Lid Closers online for ideas on keeping your bin lid closed.

Damaged Bins

Bins that are broken, cracked, or missing lids/wheels will not be collected. It is your responsibility to ensure repairs or replacement.

To purchase a new bin or parts, contact the shire on 9948 1218, email admin@sharkbay.wa.gov.au or visit the Shire office.

It is the property owners responsibility to arrange bin repairs & replacements. Renters, please contact the Owner or Property Manager.

High Winds

Let's take care so our town stays tidy.

Waste Disposal Local Health Laws

All owners and occupiers are responsible for your bins and what goes in them

Bin Receptacles

- keep your bin lid closed, except when depositing rubbish or cleaning it
- except for a reasonable period before and after collection time, keep your bin on the premises and located either behind the street alignment as close as practicable to the street alignment of the premises but so that it does not obstruct any footpath, cycle way, right-of-way or carriage way,
- ensure that the premises is provided with an adequate number of receptacles.

For more information visit

<https://www.sharkbay.wa.gov.au/services/council-services/waste-collection-disposal>

What should NOT go in your bin

- more than 70 kilograms of rubbish or refuse,
- hot or burning ash,
- oil, motor spirit or other flammable liquid,
- liquid paint or other solvent,
- bricks, concrete, building rubble, earth or other like substances,
- drugs, dressings, bandages, swabs or blood samples unless placed in a sealed impervious and leak-proof container,
- hospital, medical, veterinary, laboratory or pathological substances containing blood unless placed in a sealed impervious and leak-proof container,
- syringes, needles, surgical hardware, broken glass, sharps or other sharp objects unless placed in a sealed impervious leak-proof and impenetrable container,
- cytotoxins, radioactive substances and dangerous chemicals,
- sewage, manure, nightsoil, faeces or urine,
- any object which is greater in length, width, or breadth than the corresponding dimension of the receptacle or which will not allow the lid of the receptacle to be tightly closed, or
- rubbish or refuse which is or is likely to become offensive or a nuisance, or give off an offensive or noxious odour, or to attract flies or cause fly breeding unless it is first wrapped in non-absorbent or impervious material or placed in a sealed impervious container

Congratulations to Cayden Niese on his efforts this year. Cayden is part of Shark Bay Charters Junior youth project, an Initiative that teaches young people to use their virtues in a work environment in hope that they can transfer that experience to home and school. Cayden has shown excellence, enthusiasm, thoughtfulness, Initiative and caring in his interactions with crew and clients.

Cayden is an awesome fisherman and diver and is one of two youths we are currently working with.

Congratulations again mate we are very proud of you.

The Crew in Blue

We have noticed that a number of people are leaving cars and houses unlocked. This practice is unsafe and allows crooks easy access to your possessions. We do not know our visitors that come in day to day and we ask that you bare this in mind the next time you don't secure your house or car. This is a timely reminder with the school holidays are now here.

We again encourage you all to continue reporting to us anything that you feel is suspicious or any offences that occur, including hoon driving. Record any information you can regarding these, including videos, and we will take action towards resolving it as quickly as possible.

There are a lot of ways to be involved in this great community, with mental health week approaching in October we encourage you all to continue or think about getting involved. This year's theme is Mind, Body and Environment. Also don't forget Act, Belong and Commit.

*Sergeant Dave Gannaway - Shark Bay Police
Tel: (08) 9915 9100*

Conservation Matters

Western Grasswren Surveys

Many locals will be familiar with our beloved Western Grasswren, *Amytornis textillis*, pictured below. More so, many birding enthusiasts from around Australia and even overseas visit Monkey Mia to catch what is sometimes just a fleeting glimpse of this hard to see bird. Why Monkey Mia? At least one family of birds has become accustomed to the bustle of visitors, going so far as to remove dead insects from the radiator grills of cars!

Apart from those at Monkey Mia, the species, and their relatives spread across arid and tropical Australia, are usually very difficult to find, as they sprint across the ground between the cover of bushes, rarely taking flight. Even worse, their contact calls are so highly pitched that a significant portion of the human population cannot hear them.

Within the Shark Bay Heritage region they are found in two distinct populations, those from Hamelin Station and nearby lands as far north as Gladstone, and those from the Peron Peninsula. Importantly, they were once found on Dirk Hartog Island prior to loss of suitable habitat and so have been included as the only bird in the list of DBCA's 'Return to 1616' species.

An exciting and ground-breaking translocation occurred in 2022, with 85 Western Grasswren captured from Hamelin and Peron, and released into carefully chosen locations on Dirk Hartog. Without knowing the careful science behind this, one could be excused for thinking that's a large number and worry what effect it might have on the mainland populations.

As with all of the translocations, post-monitoring is conducted on the source populations, as well as on the new arrivals. There is good news on both fronts.

Some 9 months after the translocation, banded individuals have been captured on camera and heard by researchers on the island, and of course that monitoring will continue. Equally important, monitoring of all the source sites on Hamelin and Peron was undertaken in August 2023.

*We're working for
Western Australia.*

Observers visited capture sites and known 'control' family sites, recording whether Grasswrens were present within 100m of the GPS point during a 10-15 minute walk. Obviously, observers had to be able to hear the contact calls, the longer duration songs, or even better, catch glimpse of the birds themselves. Return to 1616 fauna team members Kelly Raynor, and Aline Gibson Vega, led the monitoring, ably assisted by Malgana and local DBCA personnel, Bush Heritage Hamelin staff, and volunteers.

The results- monitoring detected an occupation at 76% for Hamelin and 79% of Francois Peron National Park known Western Grasswren territories. These results are comparable to what was detected pre-harvest across the board. There seems to have been minimal adverse effect on the source populations, and equally important, the populations on the mainland seem to be stable, with estimates ranging from 2000 upwards.

For those with good hearing, a visit to Dirk Hartog may be rewarded with the sound of Grasswren song!

*Steve Reynolds - Conservation Operations Officer,
Gascoyne District, Parks and Wildlife Service, Department
of Biodiversity, Conservation & Attractions*

Student progress and achievement

We continue to be thrilled with the progress students are making across the curriculum and have particularly been noticing strong improvements in Writing. Well done everyone!

Fathers' Day Assembly and Breakfast

Thanks to everyone who came to our Fathers' Day event on 1st September. Our Kindy and Pre Primary students performed for us and did a great job. All the dads and 'special-someone's' got right into the spirit of things and were gamely painted, shaved, and joined in lots of activities. We all enjoyed beef and gravy rolls and chocolate cake for Morning Tea. Thanks to Miss Bec for organizing such a wonderful morning.

Congratulations to certificate recipients:

Ella, Finley, Ruby, Liam, Eyrie, Jett, Jake, Keesi, Isabelle, Helena, James, Wyatt, Noah, Miah, Connor, Bodhi and Charm.

First Aid

Congratulations to Ms Barber and her team of high school students who successfully completed First Aid certificates, funded by Real Futures.

Interschool Sports Carnival

Our team travelled to the Interschool Athletics Carnival in Carnarvon over 14-15 September, led by Miss Bec, Miss Tish, Ms Parsons, Mrs Harrower and a team of parent helpers. The students were an absolute credit to us all, wonderfully behaved and displaying great sportsmanship and teamwork. Shark Bay came Third overall and Jake was Champion Year 5 Boy. Well done all the students who competed and thank you to all the

adults who helped. Special thanks to Mrs Harrower for all the training leading up to the Carnival.

Music at Shark Bay School

We have been glad to increase musical opportunities for students through 2023, and plan for this to continue to improve. Students have options to participate in small guitar groups, free of charge, and both junior and senior groups are making great progress with their volunteer teacher, Carlos Elissegaray. The Year 3-6 classes have time-tabled music lessons with Ms Barber and their understanding of musical norms has increased enormously and we plan to increase opportunities for choral singing.

Bike Safely Back to School

We will be holding a 'Bike back to School' event on the first day of next term, Tuesday 10th October, to celebrate the start of the new term and safe travel to and from school by bike. Students will be welcomed to bring their bikes into the school quadrangle over recess, and encouraged to practice safe riding, wearing helmets. One of the stops along the route will be a pretend bakery shop which will have muffins for students. Although we usually encourage parents and other family members to attend events, on this occasion we won't, as we want to students to focus on 'back to school' and on safe riding, without toddler siblings. We acknowledge funding for this event from the Department of Transport, RAC, West Cycle and WA Bike Month.

P&C

Our P&C has a Healthy Schools grant and is preparing a recipe book for publication, as well as installing some new art in our native fruit garden. Watch this space! The P&C's active membership has grown this year and it is fantastic to have so many families involved. Meetings are held at the Bowling Club and everyone is welcome.

School Council

The Council met on September 12th to provide input into ongoing school improvement and review of policies. A key policy under revision is our Student Engagement Policy, which is designed to promote happy and effective engagement of every student in their learning, minimising behavioural distractions. The Council is fully supportive of staff's ideas for further improvement, and we appreciate the guidance and feedback. We hope to have the new policy to share with all families during Term 4.

Health and Safety on site

The Bushfire season is starting again, and we ask everyone to be aware that we have a Bushfire Plan, as well as plans for cyclones and other emergencies. All of these depend upon us being able to contact parents quickly and easily. Dojo is our first line of communication. Please check that you have the App.

Headlice continue to recur. We continue regular checks to help out, please check your own children and let us know if you need help or advice. COVID-19 is still very much around. Please monitor your child/yourself for symptoms. <https://www.healthywa.wa.gov.au>. WA Health 1300 316 555. Further help is available:

Silver Chain Shark Bay

Normal business hours

Monday to Friday

(excluding public holidays)

9.00am to 12.30pm

& 1.30pm to 4.00pm

Telephone: 9948 1400

*Silver Chain provides
AFTER HOURS health services
for EMERGENCIES ONLY*

If you call the Shark Bay Health Centre after hours you will be transferred through to Health Direct where a Registered Nurse will ask you a number of questions to determine whether you need further emergency assessment by the Shark Bay nurse. If you require further assessment, your call will be put through to the local nurse.

Examples of an EMERGENCY include:

- Breathing difficulties
- Chest pain
- Severe abdominal pain
- Bleeding that can't be controlled with first aid
- Convulsions and fits
- Deep lacerations
- Eye or ear injuries
- Uncontrolled high fever
- Loss of consciousness
- Pregnancy – bleeding or onset of labour
- A very sick child

After Hours Emergencies

Marine Rescue Shark Bay

Volunteers at Marine Rescue Shark Bay have had a variety of events that kept them busy during September.

Our main vessel Tamala Rose has been sold and left town to take up a new role with a marine innovations company in Perth. She has served the group well since 2010 and been involved in many callouts, some quite ordinary recovery tows and some other more dramatic jobs where lives were at stake.

The air-berth has been moved to a storage yard and is also looking for a buyer as our new vessel will come with a new air-berth when we take delivery later this year. We are still seeking input from the local community for suitable names for our new vessel. Suggestions can be sent to vmrsharkbay@westnet.com.au.

A couple of members travelled to Geraldton for a weekend Seamanship 2 training course. Other members travelled to Perth for the annual DFES conference, gala ball and awards presentation weekend. These events are a great opportunity to meet and mingle with other volunteers and career personnel from around the State. There is always a good lineup of keynote speakers and interesting displays.

The group was visited by Border Force Officers for a well attended information session and social gathering in light of events around the Western Australian coast involving international smuggling operations. Members of the public are urged to contact authorities if they see or hear of any suspicious activity. Early intervention could potentially avoid placing our volunteer members in harms way through contact with organised crime syndicates.

One of our own members had to call for a tow when their outboard motor decided to turn itself into scrap metal.

Our AGM is to be held on Sunday the 5th of November at the Bowling Club. All members and any interested members of the community are invited to attend.

Nominations for committee positions will be called for 4 weeks prior to the date. New members are always welcome to join and can enquire by phoning 99481376. Hope to see you there,

Thanks in advance, *Marine Rescue Shark Bay*

Gascoyne Chiropractic is visiting Denham at the Shark Bay Community Resource Centre. Our next visits are;

2nd October

To make an appointment please call 9941 1490

ARE YOU PREPARED?

As summer approaches, nbn is urging communities to prepare for a potential loss of nbn services during an emergency event and test their residential evacuation and business continuity plans.

While the nbn® network is built and designed to be as resilient as possible, it's important to remember that the majority of outages on the nbn® network during emergencies are caused by power outages. That is why it is important for households and business to prepare in case of disrupted connectivity. nbn is urging the community to prepare by taking four simple steps:

- 1. Stay mobile:** Keep a charged mobile phone and portable mobile battery pack ready to use in a power outage, or if your nbn® connection is disrupted in an emergency event. Consider turning off cellular data on unnecessary apps to save battery.
- 2. Stay updated:** Local radio is a good source of information during an emergency, so include a battery powered radio in your emergency communications kit. Also follow emergency services, including your state Fire and Rescue and Police Services, as well as utility companies and nbn (@NBN_Australia) on social media for updates.
- 3. Back up:** To make sure you can access important information and essential documents from anywhere, including insurance policies and financial documents, consider creating a digital back up on a USB or in the cloud.
- 4. Be Prepared:** Test residential evacuation and business continuity plans, including considering investing in alternative communication and power options to keep your business or community group operating – these need to be tried and tested regularly as part of your Business Continuity Plans.

If you would like further information regarding nbn in your area, please visit www.nbnco.com.au

Shark Bay State Emergency Service Unit

Two of our unit members attended the 2023 Western Australia Fire and Emergency Services (WAFES) conference at the Crown complex in Perth during September. Volunteers from all across the state in units including the State Emergency Service, Marine Rescue, Fire and Rescue Brigades and Bush Fire Services attended this joint conference with 7 individuals representing Shark Bay. These included Brian Child & Dave Harrower from our local Fire Brigade, Jayson McFarlane from our Bush Fire Service, Jay Hayes & Greg Ridgley from Marine Rescue and lastly Natt Dul & Jamie Burton from SES.

Kicking off the event our attendees participated in a variety of workshops they pre-nominated for on Friday and for our SES delegates they joined in a session focusing on Recruiting volunteers for our Future. The workshop allowed any volunteers across any emergency service organisation to attend and network regarding their recruiting procedures. It was educational to hear in metro areas there are wait lists to join organisations as their organisations are quite large. On the complete other end of the scale, and similar to our sourcing volunteers issue, Esperance for example SES unit has joined with their Marine Rescue unit. All their volunteers assist in either aspects and one week will train in SES practices followed by Marine practices training the following week.

The evening concluded with a Sundowner at the Burswood Yacht Club with exhibits outdoors displaying the latest emergency vehicles, marine rescue vessels, equipment and technology. Several information stalls were also indoors providing information on uniforms, youth cadet programs, mental health support, DFES public information branches as well as recruitment and other relevant information and support agencies. The RAC Rescue helicopter conducted a fly by whilst the event was in session which was a welcoming edition during the sunset.

The latest Marine Rescue vessel Neptune from the Two Rocks unit was on display for attendees to inspect and check out its impressive latest technology and build design.

Photo above: Shark Bay Emergency Services team representing our units at the WAFES conference Sundowner in Perth during September. The photo was photo bombed (and we didn't even know until after the photo) by the Minister for Emergency Services; Innovation and the Digital Economy; Science; Medical Research; Minister Assisting the Minister for State and Industry Development, Jobs and Trade - honourable Stephen Dawson MLC

A visit from several of the SES Canine unit dogs and their handlers was also a enjoyable addition as each dog is trained in operational search area capabilities as well as scent specific tracking.

On Saturday the days conference started with guest speakers Australian international cricketer Justin Langer and Humanitarian lawyer Rabia Siddique giving moving insights into their careers, struggles and achievements in life. Both of which were very captivating and incredibly moving presentations.

That evening the 7 representatives from Shark Bay DFES groups joined many volunteers from across our great state as we celebrated at the WAFES Awards Gala dinner. It was a fantastic opportunity to acknowledge the outstanding achievements of volunteers and DFES staff and personnel from all across Western Australia.

The weekend as a whole was very educational and provided valuable opportunities to network as well as reward our local volunteers with a all expenses experience at the Crown in Perth.

Maybe its time to start considering how you can help your community and what volunteer role you are capable of being able to provide here in Shark Bay. Any help is better than none!

Singles & Pairs Championships

Its been a bowling battle over the last few weeks between 8 club members of various ages and abilities as they have competed for our 2023 Singles lawn bowls Club Champion. Males and females each competed against each other in 7 games over the weekend.

Greg Bell pulled away at the start as a favourite however was unable to keep up his winning form going down to undefeated Club Captain and now 2023 Club Champion Robert Skelton (Skeltz) going down by 3. A great competition that welcomed sunshine, smiles, beers and comradery.

The Club will now be focusing on our 2023 Pairs Championship competition early in October. With 5 teams nominating the event which will be run over 2 weekends welcoming 5 teams.

Social Bowls options

Back by popular demand is our Barefoot Bowls competition kicking off on Thursday 26th October. Teams of 3 required for a 6 week competition which will end the 30th November. \$50 per team nomination. We are chasing some paid bar staff to relieve the pressure for this competition and to allow our volunteers themselves a chance to compete. If you are interested in making some extra money, please touch base with the Club. You might not be able to do it every week, thats ok we will create a roster.

Otherwise if you are interested in other social bowls games then come on down to the Club for scrungers on Saturday's from 2:30pm. It costs \$5 per person to play with winners given vouchers to the Clubs bar.

A big thank you to all our competitors and to Skeltz for continuing to organise all our bowling games and events.

Venue hire

We are more then happy to assist with venue hire requirements for birthday functions, meetings or christmas parties etc and can assist with bar service if needed. The cost to hire our venue is currently \$250. Please touch base with our club by sending an email to sharkbaybowls@westnet.com.au to enquire about hiring the venue.

Melbourne Cup

Unsure where you can head to watch the race that stops the nation on Tuesday 7th November? The Bowling Club will be happy to accomodate your needs on Melbourne Cup day and will be;

- Selling \$1 raffle tickets into our Calcutta horse sweeps (from mid October)
- Holding a Calcutta auction (5pm, Sunday 5th November)
- Horse Sweeps (\$2, \$5, \$10 & \$20 options available on 7th November)
- Crown & anchor from 1pm on the 7th November
- Two up from 1pm on the 7th November

Everyone is welcome. The Bowling Club is the most family friendly licenced venue in Denham, whats better is it also has the cheapest drinks! Support you local sporting club.

Sweeps, Two Up, Crown & Anchor

Chip Shots

The Club now has EFTPOS facilities available at the clubhouse on competition days. The course continues to enjoy a run of good fields of players as well as a good stream of visitors playing on non-competition days. The fairways remain fairly bare of grass and the greens are in good condition.

The club welcomes a new member, Ash Byrnes to the 1st tee and hope to see him hitting off frequently.

The following shows the winners of the \$50 vouchers provided by the SHARK BAY FISH FACTORY for September. The big winners this last month have been Mick Parry and Jill Hill who have been cleaning up with Peter Cope trailing not far behind.

SHARK BAY FISH FACTORY STABLEFORD	Winner (Score)	Runner-Up (Score)	Nearest the Pin*
Saturday 2 September	Mick Parry (20)	Jill Deschamp (14)	Mick Parry
Saturday 9 September	Jill Hill (17)	Peter cope (16)	-
Saturday 16 September	Jill Hill (21)	Tim Winship (15)	-
Saturday 23 September	Mick Parry (19)	Peter Cope (19)	Peter Cope

Wednesday Stableford Competition winners for the past month are listed below.

Wednesday Stableford	Winner (Score)	Runner-Up (Score)	Nearest the Pin*
Wednesday 30 August	Jill Hill (18)	Peter Llewellyn (16)	Peter Llewellyn
Wednesday 6 September	Mick Parry (17)	Peter Cope (17)	Jill Hill
Wednesday 13 September	Jill Hill (17)	Tim Winship (7)	Jill Hill
Wednesday 20 September	Peter Cope (18)	Jill Hill (15)	Jill Hill

* Nearest the pin shot on Wednesdays.

Most handicaps remained fairly static during the month although Tim Winship and Mick Parry both went out a shot to 16 and 12 respectively.

Club competitions continue with 9-hole stableford events played every Wednesday and Saturday with a 1:30pm registration for a 2:00pm tee-off. The 19th Hole bar is open following the game.

Visitors are welcome at any time and visitor green fees are \$6 for 9 holes (honour system) with cards available at the clubhouse. For those who want to have a hit after work, some shorter rounds (4 or 5 holes) are available.

Full sets of clubs (ladies, men, left and right-handed), balls and tees are available at no cost on club competition days or at any other time – ring Peter (0418 193 735) to get the combination for access to the loan clubs. Motorised buggies are available for hire on competition days at \$6 per player for 9 holes for non-members and \$4 each for members.

Peter Llewellyn - Club Captain

The Friendly Hub

Fancy a cuppa, morning tea and good conversation for just \$3? Well each week volunteers from the Shark Bay Community Resource Centre (SBCRC) open up the Shark Bay Bowling, Sport & Recreation Club on Francis Street at 10am and welcome guests for a weekly catch up and or create a chance for new comers to meet people. A popular gathering for all ages.

We will be participating in Get Online Week events & Seniors Week during October and November.

Hamelin Science Fair

Sending out a belated yet heartfelt THANK YOU for all of your support and contributions to making this year's Hamelin Science Fair a success! It was quite a feat and it could not have been done without you.

Ruth and Marc, two of our stellar volunteers from the weekend, kicked things off over Friday's campfire with the question, "what is it that sustains you?" For me, it's spending time in nature with others that share my awe, excitement and enthusiasm. This to me was the Hamelin Science Fair weekend - people coming together to share, learn and celebrate a mutual care and curiosity of the natural world.

Each of you contributed in a unique way to the success of the Science Fair and to list you individually would not do justice to the impact of your generosity. I appreciate all of the effort, time and energy that each of you have contributed, as well as that from the groups that some of you represent (eg. Shark Bay School). Unfortunately, I don't have email addresses to everybody that helped out including the Shark Bay Arts council, Jay Hayes for driving the bus, each of the Malgana Rangers and Vicki Oakley for her Welcome to country. If you notice anybody that I have missed, please feel free to forward this on to them.

I don't like to single people out for thank-you's, however I would like to recognise the massive effort that our volunteers put in over the weekend! They worked tirelessly hosting

conversations, preparing food, cleaning, creating and keeping the cogs turning for the event. Thank you volllies!!

To conclude the Science Fair dinner, I asked everybody to exchange three takeaway words to reflect their weekend. Mine were community, collaboration and culture. I would love it, if you remember them, if you could share yours with me.

Lastly, I would also love, if you feel inclined, any feedback from the weekend; what worked, what didn't, ideas, suggestions etc.

I have attached a few photos from the weekend for you to enjoy.

Once again, THANK YOU!!

Sarah (Gilly) Gilleland (She/her)

BUSH HERITAGE
AUSTRALIA

The Shark Bay Salt Group is proud to have received accreditation as a White Ribbon Workplace. This acknowledges the Group as an employer that is committed to providing a Workplace that promotes respectful, safe and inclusive cultures by taking active steps to prevent and respond to violence. In the Workplace, we recognise that violence can impact the safety, wellbeing, attendance, productivity and the performance of all employees.

We are proud of the steps we have taken over the last 18 months to achieve accreditation which have included:

- Reviewing policies and procedures to strengthen support for staff experiencing domestic and family violence.
- Conducting staff awareness and education sessions about family and domestic violence.
- Training our Managers in how to Recognise, Respond and Refer in cases of domestic or family violence.
- Supporting Women's refuges through providing care packages.
- Supporting the White Ribbon campaign through fundraising events.

Being accredited requires Shark Bay Salt to take targeted actions to contribute to a reduction of violence against women starting with an increase in awareness of the issue and its impacts, as well as creating a culture of gender equality.

Through ongoing participation as an accredited Workplace the Shark Bay Salt Group will be able to educate, raise awareness, implement prevention strategies, and highlight and support the positive role men play in this.

The Shark Bay Salt Group will continue to support the campaign to stop violence against women.

Shark Bay P&C

Proudly supporting and promoting Shark Bay School

2023 Meeting Dates

Term 4 2023 - Wednesday 29th November 2023 - 4.30pm

All our meetings are held at the Shark Bay Bowling, Sport and Recreation Club, Francis Road.

Meals on Wheels - Saturday 9th September 2023

Shark Bay P&C, with the financial support of Real Futures and Shark Bay War on Waste were successful in completing another Meals on Wheels. Adult volunteers and Secondary Students prepared, cooked, served and delivered 45 meals to our local seniors. Unfortunately we had lots of students sick this day so we powered on through with a very small team! Thanks to Lore, Lou, Phil, Isabella, Vee, Janet and Julie.

Halloween Disco

SAVE THE DATE - Friday 27th October 2023

Thank you to Janine for changing Karate, Shire for free use of the hall and Sarah and Laura for Coordinating!

Variety Club WA - Hay Stack Muster

Shark Bay P&C had a very successful fundraising weekend with Variety Club. We served hotdogs for lunch, manned the bar for their final night of celebrations and recycled all their 10c containers. Thanks to Tish, Tiaza, Rick, Celia and Brad. A great TEAM EFFORT!

Consumer Watch

Scammers target seniors with fake WA Seniors Card website

- Scammers stealing money and ID from seniors
- WA Seniors Card membership is free of charge and only available via www.seniorscard.wa.gov.au
- Contact ID Care immediately if you gave out your ID or your bank if you paid a fee

Western Australian seniors are being targeted by scammers through a fake WA Seniors Card website requesting money and multiple forms of personal identification.

The fake website seniorsportal.au claims to be “officially approved” and charges WA Seniors Card applicants a fee of \$29.

The WA Seniors Card is free of charge and applicants are never requested to pay a fee, or disclose personal identification such as bank or credit card details in exchange for membership. WA Seniors Card does not accept Seniors Card applications made by third party organisations.

Commissioner for Consumer Protection Trish Blake is concerned for seniors that have been targeted by these cyber criminals and handed over their personal identification such as bank details, driver’s licence and passport.

“If you have provided any form of ID to this fake website, make sure to contact ID Care on 1800 595 160 or visit their website www.idcare.org,” Ms Blake said.

“If you have already made a payment to this fake website, contact your financial institution and report that it is a fraudulent transaction.

“There is only one website where a WA Seniors Card is available. Only use www.seniorscard.wa.gov.au to get your card or visit WA Seniors Card in person at Level 2, 140 William Street, Perth 6000.

“Remember, any time you are looking for a WA Government service online, always make sure the website address ends in a ...wa.gov.au to confirm it is legitimate. Be aware that the first listing on an internet search may not be a legitimate website and not the service provider you are searching for.”

To report this scam or receive further advice, contact WA ScamNet by phone 1300 304 054 or email consumer@dmirs.wa.gov.au.

For further assistance contact the WA Seniors Card team on 1800 671 233 or email info@seniorscard.wa.gov.au.

Don't get caught in a subscription trap

Whether it’s a gym, streaming service, or dating site you’re signed up to, it can be tricky keeping track of how much money is leaving your bank account each month to pay for subscriptions and memberships.

These small, but regular, costs can soon add up and contribute to cost of living pressures, so it can be worthwhile taking the time to see which services are worth keeping and which ones aren’t.

In the past 12 months, almost 300 consumers have come to Consumer Protection with complaints about subscriptions and memberships – nearly a third of which involved issues cancelling fitness services.

Under WA’s Fitness Code, consumers are allowed to cancel their fitness service electronically, with direct debits to stop once the last payment due under the contract has been paid. Prior to the end of the initial term of an agreement, fitness providers must also notify consumers before automatically renewing their memberships, thus giving them the opportunity to cancel without penalty.

Subscriptions traps are one of the many so-called ‘dark patterns’ that may be deceiving consumers online by tricking them into parting with more money than they intended to.

A subscription trap may occur when an online retailer or service provider treats a single purchase or free trial as consent to sign consumers up to a paid subscription without adequately disclosing that ongoing fees are involved. Deceptive design patterns are often built into the interface, such as pre-ticked checkboxes, trick questions and redirection.

To avoid getting caught in a subscription trap, make sure you’ve read and understand the terms and conditions before signing up to see whether any ongoing fees are involved.

If you sign up for a free trial with the intention of cancelling the subscription before the billing date, it can be helpful to set yourself a calendar reminder.

When reviewing existing memberships and subscription services, look through your bank statements to see what you’re paying for, then think about which services you use and check whether there’s a better deal, cheaper plan or low-cost alternative. Cancel any subscriptions or memberships you’re not using or getting value from.

If you’re struggling to cancel a subscription, or believe you’ve been misled into paying for one, contact Consumer Protection on 1300 30 40 54 or email consumer@dmirs.wa.gov.au

Country Stargazing

Stellar Stargazing

October is a great month to be out under the stars! Jupiter and the Moon appear together, there's a meteor shower plus Halloween to celebrate!

A great time to see Jupiter is after 9.30pm on the 2nd October. Jupiter will rise in the north east with the almost full moon rising below it just 10 minutes later. The pair will be bright and stunning!

This year the Orionids Meteor Shower will have almost perfect viewing conditions. Stargazers can expect to see up to 20 meteors per hour. The Orionids Meteor Shower is generated from Halley's Comet and peaks on the night of the 21st/22nd of October but can be viewed several days either side of the peak. The best views will be after 1am when the quarter Moon has set and the sky gets darker.

When to look: From midnight/1am to early morning, 21st/22nd October

Which direction to look: Toward the northern horizon.

Will you be trick or treating this Halloween? If you are, from sunset onwards keep an eye out for the gas giants! Jupiter will rise in the northeast, appearing as a bright star. Saturn will be overhead, as a slightly dimmer looking bright star. Happy stargazing!

WANTED

Items to reuse for our Mental Health Week Art Therapy sessions

- ice cream tubs
- yoghurt tubs
- meat trays
- egg cartons
- magazines

Items are needed by the 14th October & can be dropped into the CRC office

Living with History - Army Life

After returning from leave in early 1945, together with about one hundred volunteers from various units, I was sent to the Atherton Tablelands in Queensland. We were to receive basic paratroop training, and besides physical fitness, we were all required to be experienced in jungle operations. As usual, the army was short of equipment. Most of the training consisted of jumping off twenty five foot towers with full pack and weapons. Although there were plenty of base wallahs swaggering around Brisbane in highly polished, calf length, American style, paratroop boots, we could not get them. As the ordinary army boot did not give enough support, there were a high percentage of broken and sprained ankles.

There were two DC3's from which most of us managed to get at least one practice jump. The instructors never had any trouble getting anyone to bail out. It seemed a lot safer outside those old planes than in them!

After four weeks of pretty strenuous training, without any explanations, we were all returned to our units. Sometime later we were told that the original plan was to drop us into Borneo to free Australian prisoners held there by the Japanese. The plan had a fair chance of success as at that stage of the war, Japanese forces in that area were spread pretty thin and were low in moral and condition.

The reason the plan was abandoned, was that MacArthur, the supreme Commander in the Pacific, refused to release the necessary planes. All his resources were concentrated on his much publicised return to the Philippines. Australian forces were relegated to so called mopping up operations. Because of this decision, several thousand Australians died of disease, starvation or were murdered.
