Executive Officer's Report

Training

The government has recently announced several training courses available through Central Regional TAFE in Geraldton which could be free depending on your situation and certain criteria, including individuals on JobKeeper or JobSeeker. These courses include;

Operating a Small Business - If you're currently operating or thinking about starting up a small business, or would like to get job ready for an administrative support position in a small business operation, this is the skill set for you! There is no requirement for eligibility for this course, the only requirement is participants must complete all six units. This course is free!

Customer Service Skill Set - You'll learn to communicate effectively and provide quality service to both internal and external customers, and how to deal effectively with people from a range of social and cultural groups with respect and sensitivity. You'll also gain negotiation, conflict management and problem solving skills.

Business Ready - The Business Ready skill set will give you the skills and knowledge required to deliver all aspects of customer service including how to create a relationship with customers, identify their needs, deliver services or products and process customer feedback. You'll also learn how to use business technology and produce business documents, follow work health and safety (WHS) and emergency procedures and instructions, and use computer software and organise electronic information and data.

Certificate IV Business - This course will give you a practical foundation to take you into a number of business and corporate careers: office management, start-up business planning and marketing, and customer service. You will gain the skills and knowledge to manage customer needs and feedback, develop and promote products and services, and play a supporting role in the recruitment of staff. You will acquire valuable experience in making presentations to groups, working in effective teams, and with workplace health and safety.

Recreation Centre

On Monday 15th June, the Shark Bay Sports & Recreation Centre reopened after being forced into closing due to COVID 19 restrictions. 35 local children and adults, along with 7 tourists enjoyed the courts for free play. Kids and adults happily rollerbladed, played basketball and hockey whilst still practicing their social distancing. The Rec Centre will remain open to everyone on Monday and Tuesday's from 2pm – 4:30pm for free play, during the school term. We welcome Caroline Baldwin to our team. Caroline will

be opening the Rec Centre for night time sports which include Badminton and Soccer. Gabbi will continue to provide all equipment for Tennis every Wednesday 4pm – 5pm on the outside courts located behind the Bowling Club. So please come, enjoy our beautiful winter weather and have some fun! All sports are free of charge and we welcome everyone. Rec Centre activities are subject to change, so watch this space in the IP next month or follow the Shark Bay Community Resource Centre Facebook page to keep updated.

Grants

Mental Health Week - Small event funding grants (up to \$1,000) are now open to host an event or community project for Mental Health Week (10 – 17 October 2020). This year's theme: 'Strengthening Our Community: live, learn, work and play'. Applications close 7 August.

For further information, please visit Mental Health Week's website: <https://mentalhealthweek.org.au>.

Horizon Power - If you're part of a group or organisation that helps make regional communities more vibrant, you could be eligible for a community partnership between \$1,000 and \$50,000. Please ensure you read the guidelines prior to applying. Applications are open from 20 July to 4 September.

For further information, please visit Horizon Powers website: <https://horizonpower.com.au>.

Lotterywest - funding is now open for the second phase of grants aimed at assisting individuals experiencing hardship; communities wanting to reconnect; and organisations needing to become stronger for the future.

More details on the Lotterywest COVID-19 Relief Fund can be found here - <https://www.lotterywest.wa.gov.au/grants/grant-opportunities>.

Apprenticeship and Traineeship Re-engagement Incentive - to support WA businesses, and employers of apprentices and trainees, the new Apprenticeship and Traineeship Re-engagement Incentive (the Re-engagement Incentive) has been introduced by the State Government.

The Re-engagement Incentive will assist businesses to employ an apprentice or trainee and help WA build a pipeline of skilled employees as we move into the economic recovery phase post COVID-19. Businesses will receive a one-off payment of \$6,000 for hiring an apprentice and \$3,000 for hiring a trainee. The payment is available until June 30, 2021.

For further information please visit Job & Skills WA website: <https://www.jobandskills.wa.gov.au>.

Shire President's Report - July 2020

Current Economic Conditions

During a recent budget workshop, councillors endorsed the Shire's 2020/21 financial budget which has been developed after careful consideration of the economic

conditions associated with the past six months during the Covid-19 pandemic and which are likely to continue for some time to come.

In March, Council resolved not to increase the 2020/21 rate in the dollar nor increase any fees and charges for that period. This means that ratepayers will not see an increase in their rates for the forthcoming financial year. To achieve this objective, without significantly reducing the services provided to the community, we've focused on operational expenditure and ongoing maintenance commitments to infrastructure and plant, which will assist us to maintain service delivery levels to the local community.

The Shire has also received some State and Federal economic stimulus funding related to the Covid-19 recovery package, so expect to see some new capital works projects commencing in the next few months, such as;

- o New and extended footpaths
- o dual use pathways
- o upgrade to lights at the multi-purpose courts
- o foreshore adventure park fence replacement
- o signage at Little Lagoon, as well as
- o site works and building at the new Child Care centre.

Influx of Visitors

The proactive approach taken by the Shire Discovery Centre staff prior to the July school holidays with radio, social media and television promotions and marketing, certainly paid off with record numbers of visitors during the holiday period – for many, their first time to the Bay.

Accommodation bookings in both Denham and Monkey Mia are already fully booked for the September school holiday period and beyond. The vast majority of local business have experienced a much busier than usual July trading period and some welcome economic relief.

Shark Bay Community

Our local Shark Bay community continues to do an awesome job with following the rules and regulations to avoid contracting Covid-19 and keeping our community virus free. Please keep up the good work so we all stay safe. We've seen elsewhere what can quickly happen if we become complacent and stop social distancing and regular hand washing.

Strategic Gascoyne Outdoor Recreation Review Workshop

The Department of Local Government, Sport and Cultural Industries is hosting a series of workshops to review the draft Gascoyne Outdoor Recreation Strategy.

The draft strategy is open for public comment and you are invited to have your say.

The purpose of the strategy is to facilitate a regional approach for the provision of accessible, high-quality, outdoor recreation opportunities in the Gascoyne and to guide the development of infrastructure, programs, events, and services to support these opportunities.

This workshop will give you the chance to find out more about the draft strategy and give your feedback.

Who should attend?

Representatives from:

- local government
- regional development
- government agencies
- industry providers
- community and not-for-profit groups
- recreation clubs
- educationists
- people interested in outdoor recreation

If you can't attend the workshop below, you can still submit your feedback via the department's [website](#).

Barefoot Bowls

Our Barefoot Bowls competition has come to an end. The competition which started in February did abruptly come to a halt due to COVID-19 restrictions. Exactly 3 months later we were happy to re-start the game for the last three nights. Some teams could not finish the competition as some businesses were suddenly pretty busy and some people left the area. Fortunately The Shark Bay Youth Group was very willing to have a crack at bowls and could fill in to replace a team. It was a great effort and they had a bit of fun. We sincerely hope to see them back on the green one day.

The results are as follows:

| Final Results Barefoot Bowls 09-07-2020 | | | | | |
|---|------|--------------------|-------|--------|-------|
| Ranking | Team | Team name | Games | Points | Shots |
| 1 | 6 | Roll in Over | 8 | 13 | 43 |
| 2 | 1 | Speedway | 8 | 12 | 48 |
| 3 | 2 | Firies | 8 | 10 | 20 |
| 4 | 8 | Fly Bys | 8 | 8 | 6 |
| 5 | 4 | Holy Rollers | 8 | 8 | -10 |
| 6 | 5 | Incredi Bowls | 8 | 8 | -24 |
| 7 | 3 | Aqua Bowls | 8 | 7 | -11 |

| 9 | 10 | Denham Seaside (1) | 8 | 5 | -29 |
| 10 | 7 | Denham Seaside (2) | 8 | 3 | -41 |

Congratulations to the winners and a huge thank you to all teams and players as well as the army of volunteers for the coordination, kitchen, bar and green maintenance.

There were prizes for the first 3 teams. Those teams who have not received their prize during the presentation night can come and collect it from the club during opening hours.

The sun was shining

and the sky was blue, making it the perfect conditions for our 33rd annual Shark Bay Far Western Championships. A total of 724 people (up from the 462 people at the 2019 Far Western) entered through the main entrance gate. This included our wonderful volunteers, drivers and their pit crews, as well as many spectators.

Racing was slightly delayed, but kicked off at 9:30am and time was quickly made back up thanks to the very efficient racing officials and drivers for their organisation and cooperation.

93 cars nominated to compete on the day across racing divisions including; Sprint Cars, Wingless Sprints, Productions, Modifieds, Super Mods, Street Stocks, Top Stars, Newstars and the very cute Little Stars. Each fought hard all day for their position on the podium later that night.

We would like to thank all of our local drivers and those who travelled from across WA including Port Hedland, Esperance, Newman, Kalgoorlie, Narrogin, Collie, Bunbury, Perth, Moora, Kellerberin, Geraldton and Carnarvon for putting on a great show of racing and sportsmanship.

Thanks to our event sponsors including; Oakley Earthworks, EdgeCam Underwater Video Systems, Shark Bay Skips, Denham IGA X-press, Outback Coast Automotives & Radiators, Shark Bay Fish Factory, Shark Bay Hotel, Northern Glass, The Water Cleanser by Marine Easy Clean, Shark Bay Aviation, Shire of Shark Bay, Shark Bay Caravan Park, Shark Bay Community Resource Centre, Carnarvon Signworks and Shark Bay Cleaning Service.

Thank you to everyone but especially;

- our canteen manager Eileen and her crew Jodie, Sue, Karen and Shez who worked long hours in the lead up and over the weekend to ensure everyone was well fed and

happy on Friday night and all day Saturday.

- our bar staff Jamie, Judy, Katie, Jacqui, Jane, Tacy, Sharna, Shaun and Johan. Thanks Johan for being our approved manager on Saturday night – a job which is always very hard to fill!
- our track curators Mick, Greg, Joe, Shaun, Drew, Macca, Bryan, Bobbie, Robbie, Beau, Sharna, Jamie and anyone else who we may have missed that assisted to water the track.
- our race day officials, stewards, ambulance and firies including Jerome, Rhonda, Kathy, Nikita, Scott, Lisa, Jake, Trish, Jayden, Edwin, Paul, Joe, Jon, Fitzzy, Douglas, Kellee, Sharna and anyone else we may have missed.
- our main gate crew who missed out on some of the action to ensure our Club makes some big bucks including Drew, Karen, June, Bev and Bronwyn.

The feature races saw many thrills and spills, keeping our local ambulance officers busy. A wingless sprint roll over which came to rest on its roof, a very impressive airborne moment from street stock driver #3 Gavin Minty and Shane 'Dubbo' Duberlin's modified needed to be fork lifted off the track after a bingle in front of the entry gate, were just a few moments worth mentioning.

Congratulations to the Reynolds family as 3 generations raced including the youngest Rory making his racing debut as a Little Star, Mick (Club President) racing his Modified and Mick Snr racing a Super Mod.

Results of the 2020 Shark Bay

Far Western Championship are:

Shark Bay P & C Assoc.

The 2020 blind footy tipping fundraiser for the P & C is proving to be very competitive this year. Only a few points separate our leaders as they battle it out to take out this years competition. We have reached the half way point of tipping as Round 8 was completed over the weekend and wish to congratulate our half way winner, Dianne Perich. Dianne will receive \$15.50 for her efforts so far. Thanks again to Claire and all the helpers... it has been alot more work this year so well done on keeping up with it all.

Below is where our competitors are sitting;

Ten Take Home Parenting Tips

3

3. Set boundaries and limits

This is essential as it teaches children...

- Which behaviours are ok and which are not
- To cope with limits and boundaries – which are a part of our everyday life.
- Setting limits often causes children to become frustrated with you and at times dislike you – that's the "Hard Part of Parenting"

4. When setting limits – Less is Best

When setting limits try your best to:

- Stay calm
- Avoid over explaining
- Avoid giving lots of reasons why they should or shouldn't do something

Although the unit has not had to respond to any incidents, the Shark Bay SES unit members have been busy over the past few weekends attending regional training. Unit members travelled to Geraldton to take part in land search team member training while others visited Kalbarri for continuation training in vertical rescue techniques.

Members will also be taking part in field radio operators course to be held here in Denham with visitors from other units in the region attending. This course will enhance skills and proficiency around radio operations using high frequency, VHF and UHF radios. During the response to large scale incidents, SES members are often tasked with handling communications between the base operations centre and teams in the field.

To help our unit members maintain their vertical rescue skills, one end wall of our storage shed has been modified to assist with climbing drills such as ascending and lowering on a single rope as well as rope transfer. This facility will also allow those members that do not wish to hang on a thread to be involved as part of the team by practicing setting up anchors and belaying climbers.

All our emergency services in town welcome new faces to join their groups. By getting involved, you are making a positive contribution to our community and support the essential work that the various groups do. SES is no exception, and we would love anyone to come along, even if it is for a look to see what we do and see if that is how you wish to be involved. I am sure that VMR, VFRS and St Johns would not mind if you knocked on their door either. SES holds training on the first three Mondays each month from 5.00 pm.

SHOWTIME

Shark Bay Fishing Club

Reefs off Dirk Hartog Island have been producing the goods early in July for our fishing and spearo buddies. Two pending state records were broken on the 5th July for spearfishing. Local junior Seth Burton speared a 10.97kg blackspot tusk fish. A fish of a lifetime for our 12 year old fishing enthusiast. Seths relatively new to the sport of spearfishing and was venturing in the waters off Dirk Hartog with his dad. His dad advised he could hear plenty of muffled snorkel noises in the water about 10m behind him when we turned to see Seth pulling in his catch. Complete bragging rights Sethie!!

Tao Hoogland, a sponsored spearfisher and Instagram blogger that resides between Margaret River and Broome managed to score himself a 48.80kg Cobia towards the top of Dirk Hartog Island. Tao was spearfishing with a friend when the Cobia approached. His mate was unsuccessful in spearing the cobia through the head (it bounced off they advised) however Tao maraculously shot the fish in its spine and paralised it. Our Club can vouch for the Spearos and advise critics these gents only had two fish on board when they returned from their adventure. The cobia and a 50cm coral trout. It's great to continue to see people respecting the fish stocks and only taking what they need. The cobia is (200 grams off the national record.

Dayne Bairstow also caught a 11kg Red Emperor off Steep Point on the same day. It must have definetly been the day for fishing and spearing.

Conservation Matters

Return to 1616 - Laying the foundations

The return of native animals to Dirk Hartog Island National Park is well on its way with four species having been translocated to the island. But the 'one way, all expenses paid' trip to their new island home, is only the 'tip of iceberg' when it comes to the work involved to ensure each species breeds successfully and creates a new population when reintroduced. To lay the foundations and ensure this success, lots of information must first be gathered on each species well before their island trip.

The western grasswren (*Amytornis textilis textilis*) is currently planned for reintroduction to Dirk Hartog Island National Park in 2021 as part of the Return to 1616 project. This secretive species now only occurs in mainland Shark Bay (within WA) and very little is known about them. Aline Gibson Vega, PhD student from The University of Western Australia aims to fill this information gap.

Naturally the first step was to find some grasswrens. Together with the Return to 1616 team, Aline visited Peron Peninsula and Bush Heritage Australia's (BHA) Hamelin Station Reserve over several field trips in 2019 and 2020. Assisted by BHA ecologists and project collaborators Michelle Hall and Ben Parkhurst, a special set of "mist nets" were designed to catch ground-dwelling birds, such as

grasswrens. Mist nets are so fine they're almost invisible. When set in the correct place, birds get gently entangled as they run into it.

Once this method for capturing grasswrens was perfected, individuals were banded with a metal ring, and a unique combination of colour bands on their legs. Grasswrens can then be identified from a distance using binoculars or spotting scopes. This helps researchers to learn about group behaviour, breeding success, dispersal, population genetics and how long grasswrens live. After many weeks of trapping, 120 individuals have now been identified with colour bands representing approximately 60 family groups that occupy an area of approximately 150 hectares. A huge effort for a very cryptic species.

Information provided by Aline's research on the western grasswren ecology will be used in the future to help plan for their successful reintroduction to Dirk Hartog Island National Park.

Happy birthday! Happy birthday!

I am an ex resident of Denham and I recently came back to Shark Bay to stay with a friend.

As a person who likes to walk everywhere, I would like to congratulate the Shire of Shark Bay for the paved areas, pavements etc and the beautiful Foreshore, which made walking such a pleasure in Denham.

I would also like to thank Kirsty, at the Shire offices for organising a Photo ID Card for me, and the Seniors Club for their hospitality.

Sincere Regards,
Valerie Rummery

Job Keeper 2.0 Explained

EMPLOYER ELIGIBILITY

JobKeeper 1.0
Currently 27 September 2020

JobKeeper 2.0
Extended to 28 March 2021

Current JobKeeper Basic Test

- 30% decline in projected GST turnover (50% decline for businesses with aggregated turnover of more than \$1 billion)
- 15% decline if a registered charity

JobKeeper 2.0

No change to decline percentage (30%, 50%, 15%)

To be eligible from 28 September 2020 to 3 January 2021:

- Measure decline using actual GST turnover in both the June and September 2020 quarters to 3 January 2021, relative to comparable 2019 periods.

To be eligible from 4 January 2021 to 28 March 2021:

- Measure decline using actual GST turnover in each of June, September and December quarters 2020, relative to comparable 2019 periods

JobKeeper remains open to new recipients provided they meet the existing eligibility requirements and the additional turnover tests during the extension period.

JOB KEEPER 2.0

The current payment of \$1500 per fortnight will remain the same for all eligible employees until 27 September 2020.

AS OF 28 SEPTEMBER 2020

WORKER ELIGIBILITY

20+ work hours test (look-back to February 2020)

- From 28 September 2020, eligibility for "full rate" (Tier 1) JobKeeper depends on employee working in the four weeks of pay periods before 1 March 2020 for 20 hours or more on average
- ATO discretion to apply an alternative test if employee's hours were not usual during February 2020 reference period
- Employer must nominate which payment rate is being claimed for each employee

JobKeeper 1.0 eligibility rules for employees are unchanged

Apprentices and trainees in place on 1 July 2020

- Wage subsidy of 50% of the apprentice or trainee's wage paid until 31 March 2021. In addition to the existing support for small businesses, medium-sized businesses employing 199 people or fewer will now be eligible for the subsidy, for wages paid from 1 July 2020 to 31 March 2021.

JobKeeper eligibility continues for sole traders, a partner in a partnership, a beneficiary of a trust, a shareholder or director of a company.

20+ work hour test (look-back to February 2020)

- The 20+ hour test (see above) also applies to sole traders and eligible business participants from 28 September 2020, calculated by reference to time spent "actively engaged in the business"

CRITICAL REMINDER

To ALL RESIDENTS and VISITORS

For any life threatening emergencies
or serious crime/incidents
the number to call is 000

In Shark Bay many people have a tendency to call the local agency direct or private phone numbers of volunteers when requiring urgent assistance. Please be aware, this does not make response faster, in fact it delays the response time of emergency services as a response team can not be dispatched until the central command centre has directed them to do so. So call 000, response will be faster.

when calling 000, it is also important to remember that the operator will ask you the following questions, which will aid them in assisting you as fast and efficiently as possible.

Service required: Police/Ambulance/Fire & Rescue

Your name:

Shark Bay Community Men's Shed

BUSY MONTH COMPLETED

It's been a great month as far as recycling our local products. Our first pop-up bicycle shop outside the Discovery Centre was so successful a second was quickly organised to make the most of the holiday period. It was great to see so many bicycles going to locals – up to four for one family group. Bicycles were all recycled with most being hybrids of several bicycles which had been donated or obtained from the tip. Amazed to see the ingenuity of one parent who quickly visited the Hardware store to obtain some spray paint and give the bicycle a new face. Bicycle helmets were snapped up at the Garage too so it became quite a community affair. One went to a young lady from the Netherlands.

Also recycled were some pallets from the tip which will soon appear outside the Café as pot plant boxes. Being old pallets they are somewhat 'rustic' but should allow Belle to further show off her plant-raising skills.

The Men's Shed hasn't moved yet, but it has changed its address for the third time. We have used a Capewell Street address, the corner of Poland and Capewell and now can lay claim to 4 Poland Road. Access is from the side and may not be suitable for two wheel drives but it is just a short walk.

Thanks to Tony Shkardoon for agreeing to become our Acting President until the August AGM.

Thanks to the many locals who donate items to the Shed. A huge donation of tools by the Poland family will go a

long way to allowing the Shed to work with groups of adults and students in training sessions when we get out new shed. If we can't use the donation, we store it for future pop-up shops we have planned. Watch our local web pages.

THE MEN'S SHED NEEDS YOU

The Men's Shed AGM will be held at the Bowls Club on Monday August 17th between 5pm and 7pm. The event will be catered with drinks and nibbles. The purpose of the meeting is to hear reports, elect a new committee, set the annual fee and to make changes to the Constitution in terms of positions held and the end of the financial year. The Men's Shed is clearly playing a significant role in the local community providing a meeting place, social gatherings and a work place where people can develop and contribute their skills. In the process, people are becoming motivated and empowered and feeling a useful part of our local community. Everyone is invited to our AGM and we hope that people will be encouraged to take a place on the committee.

It is important to realise that the committee and the group is not just for men. We have already raised the possibility of opening the shed membership to everyone over 15 in the community with special days for women and the local Youth group planned for 2021.

We look forward to seeing a good cross-section of the community at the Bowls Club on August 17th at 5pm.

GASCOYNE Local

The 'Gascoyne Local App' initiative aims to help Gascoyne businesses promote their products and services, and encourage locals and visitors to support small businesses in the Gascoyne communities.

The app has two main features; business directory and offers/ discounts. The marketing and promotion will be focused on those businesses who offer incentives to shop at their business, by providing an offer or discount for their product or service.

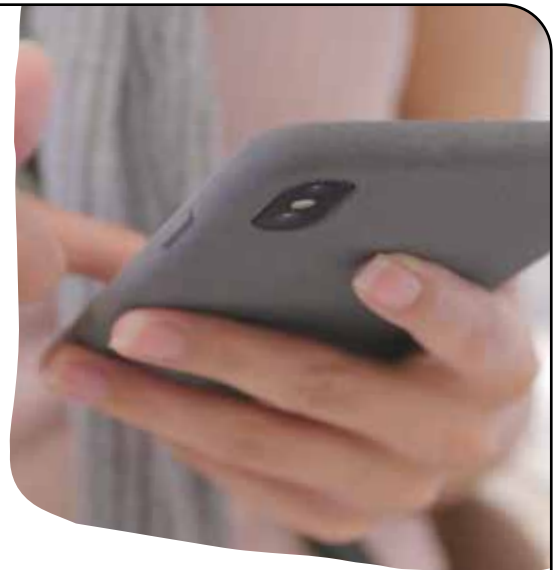

It's important more than ever to be a true Gascoyne local and look to support small businesses when buying products and services. However, research shows that consumers are more likely to shop local if there is an incentive too. By going local, small businesses can grow their business, create local jobs and help their community.

The Gascoyne Local App is an initiative funded by the Gascoyne Development Commission. The project has been developed and managed by the Shire of Carnarvon on behalf of all Local Governments in the Gascoyne.

where... does it cover?

Businesses within the Gascoyne region including Exmouth, Carnarvon, Coral Bay, Denham and Gascoyne Junction will be able to list their business under the Gascoyne Local directory. In addition, businesses can list offers and promotions under the coupons feature of the app.

who... can register?

Gascoyne Local has identified seven categories for business listings, with the opportunity to add additional based on business requirements. Businesses are required to have an ABN and local, state and federal approval to operate their business to be eligible for your listing to be approved. Eg. Home based businesses must be registered and compliant.

Volunteer Marine Rescue

PO Box 35, Knight Tce Denham 6537 | vmrsharkbay@westnet.com.au

Marine Rescue Shark Bay have received half a dozen calls for assistance over the last few weeks.

Four of the jobs were due to mechanical failure and one was a nighttime run to investigate a report of an inflatable boat with no occupants anchored near Steep Point. Apparently, the inflatable had run out of fuel and the occupants had been taken ashore by another vessel to get some. While they were away another vessel saw the unoccupied boat and a report was relayed to Shark Bay Police. Tamala Rose departed for the scene to investigate and used their radar and night vision capability to find and question the vessel that was thought to have assisted the crew of the inflatable. All turned out to be okay and the crew of the inflatable are probably still unaware that two local Police, four Marine Rescue Volunteers as well as Water Police in Fremantle and the Challenger Search and Rescue jet were on high alert in case they were in need of assistance. Worst case scenario was that they were diving and had been swept away from their boat, so we had to act on that possibility.

Another slightly frustrating case involved four occupants of a small aluminium dinghy which was stranded in the Cape Lesueur area when the tide went out and they didn't have enough water depth to make it back to their vehicle and trailer which were parked at Big Lagoon. Instead of staying on the beach near where the dinghy was anchored, they set out to walk back to their car in the dark with no shoes and very little water. Around 10pm, after walking for four hours they decided to light a fire and stay the night. They managed to alert a friend by text of their plight and Tamala Rose set out at daylight to retrieve the group and their dinghy and take them back to their vehicle.

The frustrating part is that had they just stayed on the beach

where the dinghy was, they could have woken up in the morning and continued on their way as the tide had come back in. The rule applies in this case just the same as if you are bogged in a remote location in a car, "Don't leave the vehicle". None of the group had any shoes and they left behind all their water and food as well as all their safety gear and a perfectly good dinghy. Anything could have happened as they stumbled along the coast on a dark moonless night, hoping to walk all the way around Big Lagoon to get back to their car.

We have had three new members join the group recently, but we are always on the lookout for more volunteers as most of our members work and lead otherwise busy lives. This makes it hard to find a crew when a call for assistance comes in. If you would like to get involved, call 9948 1376 to apply.

Our treasurer, one-time Commander and highly valued member John Craig is leaving Denham with his wife Emma, baby Molly and Luna the dog to take up a position in Perth. The Committee and Members sincerely thank John for his valuable contribution to the group since becoming a member following his own dramatic brush with sea survival several years ago. He has used his time in the group well, and I can honestly say that we have benefited greatly from his contribution. We will miss him, but we sincerely wish him and his family every success and continued happiness in the path they have chosen.

Stay safe on the water.

Bowel cancer is Australia's second deadliest cancer.

Let's all do our bit to reduce this stat and share awareness on the importance of doing the home test kit.

The National Bowel Cancer Screening Program sends home test kits to eligible Australians aged 50 to 74. Do the test - it's simple and can be done in the convenience of your own home.

Share this post with your friends and family to spread the word and raise awareness of this deadly disease.

Do you have Country Ambulance Cover?

**St John Ambulance
Shark Bay Sub Centre**

Should you need ambulance transport, even a short ride could cost you hundreds of dollars! Unfortunately, the cost of ambulance services is not covered by Medicare, Healthcare Card, Pharmaceutical or Pensioner Benefit Card holders.

Annual Memberships are available for \$74 for Single(*) and \$123 for Family.

Your membership directly supports the local ambulance service and helps to provide these vital ambulance services in your local community.

By taking our St John Country Ambulance Cover you also assist with the delivery of first aid services in your local area including:

- regular community first aid courses
- ready access to first aid kits and supplies
- first aid posts at local fairs, sports and events.

Country Ambulance Cover is a small price to pay for the invaluable services you'll be supporting.

Contact us for your application, email saintjohns1@bigpond.com or visit our office 100 Durlacher St Denham Wednesday & Thursday 10am-2pm
Tish

(*) This amounts to a little more than \$1.42 per week for a single or 20 cents per day.

Most pensioners over 65 are covered (please check your eligibility).
