Shark Bay Youth Group Youth of the Year Award

Jennifer has been an active member of Shark Bay Youth Group since it started.

Jennifer has grown and matured into a responsible, caring and valued member of our community.

Shark Bay Youth Group host many events throughout the calendar year and we have a points system to determine the youth who makes the most contribution. Jennifer received the most points of all youth for 2020.

Jennifer is always keen to volunteer her time and her skills for her community.

Jennifer understands her role as a senior member of our youth group and takes this responsibility seriously; ensuring everyone has a turn and is treated fairly. Jennifer has a strong moral ethic that ensures her behaviour is always at an exceptionally high standard.

In the last two years Jennifer has participated in many Shark Bay Youth Group events including; car washes, camps, Quiz night, Woodworking furniture making sessions, four Meals on Wheels, cooking session for our STEAM Family Fun Day, STEAM family Fun Day, Netball Challenge, Volleyball Challenge and two 40 Hour Backpack Challenges. Jennifer always attends these events with the most positive attitude, ready to help, ready to work and always prepared to give something a go.

In the last two years Jennifer has assisted many other community groups in their events. Jennifer has helped the Shire of Shark Bay with Clean Up Australia Day, help set up and run a Booth at the Shark Bay CRC's Harmony Day, has committed and worked hard at two CLB Fitness challenges, has done the flags for the Shark Bay RSL's ANZAC Day Service, has supported Yadgalah Aboriginal Corporation with some NAIDOC Day cooking, has supported the Shark Bay Fishing Club's High Tea event by helping serve and helping run the photo booth, has participated in a Mac Attack Fishing Charter, has helped the Shark Bay Bowling, Sport and Recreation Club with their annual Melbourne Cup Day event by supervising children's events, has raised money and awareness for Muscular Dystrophy by participating in a March with Me Mates Stella Rowley Walk and has had her voice heard by participating in the United Nations Youth Ambassadors sessions.

Jennifer is a diligent student currently studying through School of Isolated and Distant Education at Shark Bay School. Jennifer is completing ATAR courses and a Certificate III in Education Support.

Jennifer received a Fogarty Foundation Scholarship to attend the Fogarty Futures Leadership Conference in 2020. This event was life changing as it assisted Jennifer to develop life skills that have helped her become a better leader.

Jennifer also has a part time job. This is a great example for her younger peers; as it shows them that it is possible to be a volunteer in your community and go to school (and do well) and hold down a job. Jennifer is a great role model and always leads by example.

Shark Bay Speedway Club

Past presidents report

Well my time as president of the Shark Bay Speedway Club has come to an end. I am definitely a bit sad about it. The people who know me would understand my passion for the place but I'm sure that will continue.

Two highlights during my time as president that stand out to me are, one having the privilege of awarding 4 life memberships this year. The second one is being apart of five local kids taking up racing, one of them being Rory.

Congratulations to a very good friend of mine in Shaun on putting his hand up to have a go at president. Also thanks to everyone who has supported me along the way, I could not of done it without you.

Well it's time to have a go at sprintcar racing and I starting to get a bit nervous just quietly.

Cheers Mick Reynolds

New president's Report

A huge thank you to everyone who came along to our AGM and Christmas party on Saturday 5th December. It was an awesome turnout and fantastic to see another 3 people awarded their life memberships, Paul Norman, Paul & Rhonda Mettam. Roger Hewitt was also awarded back at our end of Season 2020 windup. Thank you to everyone for putting their faith in myself to step into the shoes of president for the 2021 race season. I am a little nervous to say the least but have been handed a club in an extremely strong position backed by an equally strong committee who I believe can keep the club headed in the right direction.

I'd like to thank our outgoing president and my good mate Mick for all his efforts over the last three years. To see how far the club has come under his leadership is a credit to him.

We still have a lot of work to get through over the summer to be ready for next season with our Post and Panel project still continuing and a few more projects in the pipeline so will keep members posted as we work through it all.

Our new committee consists of, Greg Hewitt (vice president), Joe McLaughlin (treasurer), Sue McGiveron (secretary), Eileen McMillan, Bryan Riddick, Mick Reynolds, Dave Harrower, Tegan Kay, Sharna Timmer, Jamie Burton and Judy Britza. We continue to be supported by a large volunteer and membership base which we greatly appreciate.

2021 Membership

The 2021 Shark Bay Speedway Club membership forms are now available and have been included in this issue of the Inscription Post. To date we have had 56 individuals nominate to be members for the 2021 season which is a clear indication of the support our Club receives. What a fantastic present idea, free entry into ALL 2021 race meets.

Geraldton Racing

5 of our local drivers made the trek down to Geraldton for their season opener on Saturday 12th December. 3 of our junior drivers in Ella Ricetti, Rory Reynolds and Beau Morgan will be competing in the Junior Sedan Classic as New Stars. Mick Reynolds piloted his sprint car for the first time and after an impromptu late night in the shed the night before racing, Dave Harrower took his freshly painted Production for a run. A big congratulations to Our local Juniors and especially Ella Ricetti who took out 1st place, Beau Morgan 2nd and Rory Reynolds 5th. Rory also scored himself the best presented car for the meet. Great job Rory!

Speedway Safety Reminder

It's always important as a sport that we are constantly keeping an eye on general safety throughout speedway events and continually educating wherever possible. The Speedway Australia rulebook covers a wide range of general health and safety rules which need to be followed at events.

One rule in particular is around the use of axle stands, or lack thereof anytime someone is positioned under a race car.

Rule 18.1.5. Axle stands must be used at all times if a person is working under a Race Car.

Speedway Australia have advised that on their travels to venues throughout the country they recognised varying levels of compliance with this rule. Some teams are fantastic with safety first thinking, while others sometimes need a push in the right direction. As divisional and track leaders, we need you all to keep an eye on this as you walk through the pits. If you see a team not using axle stands, please give them a heads up on the rules and help spread the word before we see any unfortunate and unnecessary accidents.

Email Hack

We all know the Shark Bay Speedway Club is famous and everyone wants our signatures... so someone overseas hacked into our email account during mid December. Please disregard any strange emails, as the real Clubs crew don't need to ask for any favours!

Cheers Shaun Burton

BAREFOOT BOWLS

Barefoot Bowls concluded on Sunday the 13th December after a few short weeks of games starting at 4pm. There was a variety of winners over the course of the short season however on our last meet \$20 winners included the Furies as well as SES. Brian Child managed to hit the kitty twice and received \$10 as well as Jamie Burton scoring a fluke shot for \$5. It was great to see a few new players and young guns venturing out in teams this season including Bec Pavay, Katie McKay, Rob, Hayley Taylor and Seth Burton who were keen to give the sport a go. It definitely isn't as easy as it looks!

A big thank you to our volunteers for running the bar, kitchen, grounds maintenance and those facilitating the organising of the barefoot bowls.

**10am Wednesday's
Shark Bay Bowling, Sports and
Recreational Club (Francis St)**

Everyone welcome!

The Shark Bay CRC hosted a free Christmas luncheon for attendees at our weekly Friendly Hub session. Staff decorated the Bowling, Sport & Recreation Club to give the venue some festive cheer and spent the morning cooking up a 5 course storm which included; pumpkin soup, prawn cocktails, roast beef and vegetables, fruit cups as well as trifle and or pavlova for dessert. The tables were decorated with nuts, lollies, fruit mince pies and each member was table served punch and drinks throughout their meal. The elves on the shelves made a appearance as did the polar express train, a large flashing christmas present and the CRC ladies decorative xmas hats.

A big congratulations to Yvonne Perich as she was awarded our end of year prize for attending the most Friendly Hub sessions during 2020.

The Friendly Hub morning tea sessions will resume again on Wednesday the 13th January. These sessions are

inclusive of all adult ages so come and enjoy a cuppa and laugh at the Bowling Club from 10am. Bring along \$3 to contribute towards some delicious morning tea costs. The enjoyment is free!

An Australian First to Power Denham

Renew the regions

Denham Hydrogen Demonstration Plant

Horizon Power is delivering your energy future...

In Denham, Horizon Power is helping lead Western Australia's energy transition by building Australia's first remote microgrid renewable hydrogen demonstration plant.

The Australian Renewable Energy Agency (ARENA) and the Government of Western Australia have announced funding commitments, supporting Horizon Power to bring the exciting project to Denham.

In anticipation of the technology becoming cost competitive in the future, the construction of this first-of-its-kind demonstration plant will test the technical capability of hydrogen as a dispatchable power source.

*Owned by the
people of WA*

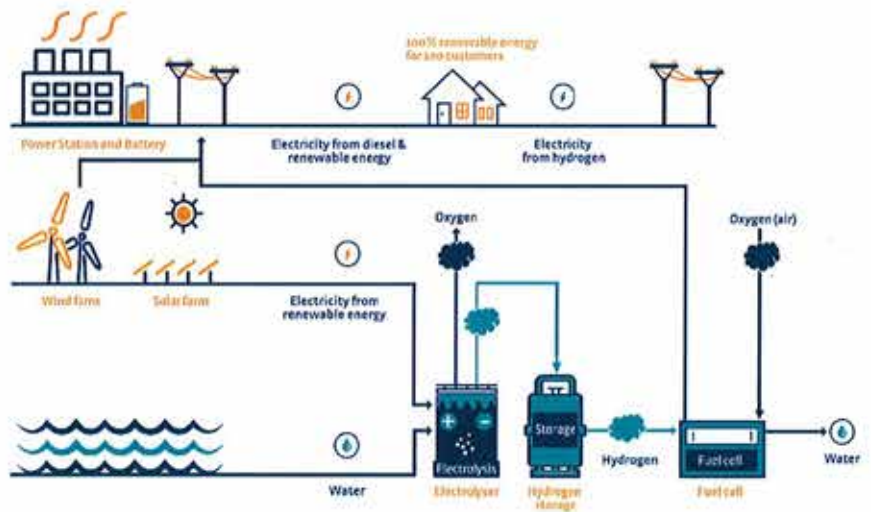

**HORIZON
POWER**

Project overview

The power supply for the hydrogen plant will be from a dedicated solar farm. The plant is expected to generate 526 MWh per year, which is equivalent to the energy required to power up to 100 residential houses in Denham.

The Denham Hydrogen Demonstration Plant will include:

- Dedicated solar generation - 704kW
- Electrolyser - 348kW
- Hydrogen compression and storage
- Fuel cell - 100kW
- Connection into the Denham Hybrid Power System

Benefits to your community

- Opportunities for local business and service providers
- Denham will be at the forefront of developing the technical capability in hydrogen, which could be deployed across other remote microgrids in the future
- The overall percentage of Denham's electricity generated from renewables will increase

Project funding

The project is being funded through contributions from:

- ARENA (\$2.6m)
- WA Recovery Plan (\$4.7m)
- WA Hydrogen Fund (\$1m)
- Horizon Power (\$0.8m)

St John

Shark Bay Sub Centre

HORIZON POWER COMMUNITY PARTNERSHIP

St John Ambulance Shark Bay Sub Centre were recently successful in our application for a Horizon Power Community Partnership to contribute to the cost of a Ferno 531 Stair chair and 531D Ferno Stair Track.

We attend a number of callouts where stairs are involved in transporting a patient to our ambulance. Currently our ambulance attendants have to navigate stairs using a stretcher or lifting or helping a patient, which causes delays in moving the patient and increases the risk of an injury to the ambulance volunteers.

The safety of our patients, ambulance attendants and drivers is paramount and the addition of the Ferno 531D Stair Chair and 531 Chair Track will minimise the risk by reducing evacuation time, provide the ability to manoeuvre in tight stairwells and provide a stable ride without pressure on operators.

The addition of the Ferno 531D Stair Chair and 531 Chair Track supports good health and well-being for the community and visitors to the region. It will create a safer environment for both our ambulance attendants and our patients.

St John Ambulance Shark Bay would like to acknowledge and thank Horizon Power for their contribution to our Sub Centre.

Shark Bay School News

End of term – we got there!

A final big thank you for everyone's contribution to a great final term. We are all tired, but we got there.

Classroom News

Congratulations to our recently-graduated Year 12 student, VeeJay Court, for a Highly Commended certificate in the statewide HayWire writing competition.

Transition Morning on 2 December was good fun; lovely to see our new Kindies enjoy a morning at school, and our Year 6s had a morning in the Secondary Block. We also enjoyed a visit from Beachlands PS Year 6, who joined us for an afternoon of sport on the afternoon of 2 December while on camp at Monkey Mia.

Scientist-in-Schools

We were pleased to welcome Marlee Hutton from UWA/CSIRO and the Eye on Water Citizen Science Program to work with our Y6-10 students on Tuesday 8-Wednesday 9 December.

Year 6 Graduation

On Friday 11 December our Year 6 students took the big step of graduating from Primary School. We celebrated with an Assembly, followed by an outdoor morning tea for them. It was great to hear the students reflect upon their time at Shark Bay School, all that they have learned, the friendships they have made and the special times they have had. They had the rest of the day out at Monkey Mia. We wish all the best to Tayla, Brody, Finn, Savannah, Denzel, Katie, Shakira, Soren, Ben and Ashayah-Lilly.

Cybersafety Incursion

We were grateful to Geraldton Police Cybersafety unit for visiting on Friday 11 December. There was some pithy age-appropriate advice for Y5-11 students and parents, and the police team will be back next year. Students – if in doubt, don't photo it, don't send it, don't post it. Adults, the message is that our children need protection through active supervision and safeguards, at home and at school, from predatory criminals online. More information is available at www.eSafety.gov.au.

Christmas Service

It was lovely to welcome Bill and Jocelyn Ross back to Shark Bay with their helpers to present a Christmas service for the children on Tuesday 15 December.

Concert in the Courtyard

Our Annual Presentation Concert 2020 had to take a slightly different, COVID-19-safe, format this year, and we braved the wind in our courtyard. We were warmly Welcomed to Country by Malgana Year 5 student Mathias Cross.

We enjoyed the students' class presentations: K-P 'We're going on a Santa hunt', 1,2,3 'A Million Dreams', 4,5,6 'Macarena the First' and Guitar Group medley, and high school solo by Chloe Harken and the dance group's 'Christmas Mashup'. We finished with a community song, the 6 (Dirk Hartog) Days of Christmas. The P&C presented the school with a cheque for \$3,000 which made a fabulous end to the concert!

Prize-winners were:

Courtesy, Consideration and Caring - Liam Harrower, Lilly Wright, Savannah Francis, Emily Duff

Achievement - Jett Miller, Douglas Court, Rory Reynolds

Shark Bay RSL Art Award - Arlee Powell, Yohan Campos, Ashayah-Lilly Van Esch

Sportsmanship - Nicole Moroney

Science - Brody Child, Deklan Grenside

Aboriginal Education Award - Helena Capewell

Awards from our partner school, SIDE: Ella Ricetti (Y7 Excellence, Health and Physical Education, Maths, Science, Media Arts and Student Services Award) Storm Marsh (Y8 Endeavour) Deklan Grenside (Y9 Student Services Award) Catherine Morris (Y10 Excellence, English, Digital Photography and Arts) Laylah Garner (Y10 Textiles) Jennifer Moroney (Y11 Student Services Award) Nicole Moroney (Y11 Student Services Award, Certificate II Sport/Recreation Award)

Staff Changes

We say goodbye and thank you to Miss Daisy; it has been great having her with us for terms 2-4 this year. She leaves us to take up a position at Bambara Primary School in Perth. Mrs Claire Harrower will be re-joining the team for one day a week, but Ms Jody Barton is continuing on leave through 2021. We will be welcoming Ms Hanna Parsons to the Early Years team for 2021. In the Secondary classroom, Mr Copeland is extending his Long Service Leave through Semester 1 of 2021, and we are pleased to be keeping Ms Tegan Kay with the class.

The Dental Van will be in Denham for four weeks in February 2021, prioritising treatment for emergency care for adults and enrolled children will be also be prioritised depending on their recall date. Some children will be seen on a following visit. However, for concerns regarding your child, contact the dental van on 0447 854 272 or ITA@ dental.health.wa.gov.au. Please leave a message and they will contact you on arrival.

THANK YOU!

We have had so much help and support through the year that its hard to know where to start thanking people. Special thanks to the P&C for all their support and fundraising, and for the extra fun our students. The Disco, in particular, was a blast. Thanks also to our Council members for their thoughtful input and guidance through the year, which is much appreciated. Parents and families, you have been awesome, and our local businesses have helped us with prizes and work placements for our students - thank you all.

Enquiries welcome at any time.

Shark Bay P & C Assoc.

This year has definitely been a 'bit different' for the school community and for the P&C. It has been an honour to be a P&C representative, especially with the challenges that COVID has presented to us over the course of the year and how we have managed in the face of adversity. We can credit this not because of any one person but due to all of you that make up our little school community. From the generous sponsors, many which donate year after year, the committee, the volunteers, teachers, parents, students and community members that all keep on supporting us.

It's because of this cohesive school community that the P&C has been able to provide essential services such as the school uniform shop, obtain a grant, host various activities and fundraisers which have been facilitated in the form of raffles, footy tipping comp, a disco, a blind auction, laying personalised brick pavers, Mother's and Father's Day stalls, school lunches and the Lego Club. We have also been able to support other community events such as the Christmas Wonderland Markets with a sausage sizzle.

Through these initiatives the P&C has been able to fund Kindergarten welcome packs, new LEGO education Spike Prime resources (Shire grant), year 12 and year 6 graduation gifts, morning teas and some EOY concert awards for 2020. We were also happy to present \$3000 in the form of a novelty cheque to the school during the EOY concert. These funds will be distributed in order to develop personal and social attributes for the long term wellbeing of our students at Shark Bay School.

On a personal note, I would sincerely like to thank certain individuals that have gone above and beyond to assist the P&C over the course of the year. It literally couldn't happen without them. Thank you to the following executive committee and P&C members: Rebecca Moroney, Tiaza Sellenger, Jamie Burton, Celia Elissegaray, Tamala Sellenger, Claire Harrower, Anne Feist, David Lergessner, Jocelyn Ross and Tish Browne. Of course, there are too many volunteers to thank here but we are grateful for each and every one of you that contributed your valuable time and energy.

The P&C committee would like to express our appreciation for all of your support over the year. We would especially like to thank the following people, organisations and businesses for their generous donations over 2020.

- Shark Bay Fishing Club
- Shark Bay Speedway Club
- Burton family
- Shark Bay CRC
- Shark Bay Hotel
- Denham Seaside Caravan Park
- Shark Bay Fish Factory
- Aaron Horsman

- The Old Pearler Restuarant
- L'Haridon Bright Shell Mining
- Denham Waterfront Hotel

Just an update regarding the Markets that was held on Saturday 12th December. Winner of the money board was #08 Ashayah Lilly. Hope you spent it wisely Ashayah. A big thanks to Claire H, Sophie and Makayla for selling the tickets and to everyone that supported us by buying tickets.

The P&C also had a sausage sizzle at the markets. A massive thank you goes out to the Shark Bay CRC ladies, Judy, Jamie and Katie for all their assistance with the setting up, selling food and packing away of the stall.

Well done to the Shire of Shark Bay for planning and providing all of us with the opportunity to have fundraisers such as this one. A special thanks to Candice for organising such a successful event.

Well done to all the students who won awards at the end of year concert. The class presentations provided us with impressive entertainment. The raffle was also drawn. We had enough items donated to do up 5 prizes. Thank you to everyone that donated an item towards this fundraiser. Congratulations to the winners, we hope you enjoy all those goodies. We raised \$506.05 from the raffle.

- First prize: Jenny Olszewski
- Second prize: Sam Roberts
- Third prize: Adriana Sellenger
- Fourth prize: Tamala Sellenger
- Fifth prize: Jett Miller

So it's a wrap for the year of 2020. Thank you to everyone that supported us in whichever way you could.

The next meeting has been scheduled for term 1 (2021), week 3 @ 4:30 pm in the school Library. This will be our annual general meeting. It would be awesome if we had some new faces join our friendly team.

On behalf of the P&C Committee, I would like to wish everyone a very Merry Christmas and safe holidays. See you in the new year!

Volunteer Marine Rescue

PO Box 35, Knight Tce Denham 6537 | vmrsharkbay@westnet.com.au

Another quiet month as far as rescues go for the volunteers of Marine Rescue Shark Bay. Persistent strong winds and low visitor numbers mean there have been very few boaters venturing out.

There was a great turn-out for our combined Emergency Services Christmas Party. Volunteers and their families from SES, St. John Ambulance, Fire and Rescue and Marine Rescue gathered for an afternoon of fantastic food and a few beers and wines.

Seven new members have been through their group induction in the past couple of weeks. It is great to see people who are prepared to put their hand up to join a volunteer group. Small communities like ours rely heavily on people who give so much of their time and skills to help others when called upon.

Our new vessel is really starting to take shape at Dongara Marine Boat Builders. Members will take the truck down in the second week of January to tow it back to Denham. Rescue 3 created quite a lot of interest when it was advertised for sale on-line Australia wide. Phone calls came in from all parts of the country and several people drove to Denham for test rides and viewing. A deadline was announced on the third day and final offers called for from bidders. Rescue 3 will be off to Melbourne in the new

year and the proceeds of the sale will be transferred to DFES.

Marine Rescue Shark Bay members and their families hope that everyone has a safe and happy end to 2020 and we look forward to 2021.

The Shark Bay Entertainers

Well another year is done and dusted and we hope you had a wonderful Christmas and New Year's Eve.

The Shark Bay Entertainers once again carolled around Denham and Monkey Mia on the 22nd and 23rd December then rested our voice boxes to see in the New Year.

In 2021 we will start of the year by celebrating Australia Day on the 26th January as well as actively writing, rehearsing and finalising our variety show for its debut on Saturday 30th January at the Shire town hall.

We invite all to come along smile and hopefully share a few belly laughs as we entertain you with a variety of topics we hope will suit all. For the sake of a gold coin donation you can be entertained by our members in conjunction with the Coral Coast Dance Academy and the Shark Bay Arts Council.

Starting at 6pm on the 30th January, we look forward to seeing you then.

INTERESTING FACTS

1. Sir Nils was knighted with the approval of King Harald V of Norway in 2008. This is because the penguin is the mascot of his guard. The Norwegian guardsmen have visited the penguin every few years to give him a new promotion ever since his adoption as their mascot in 1972.

2. The Ancient Romans used to drop a piece of toast into their wine for good health - hence why we 'raise a toast'.

3. The unicorn is the official national animal of Scotland. With its white horse-like body and single spiralling horn, the unicorn is a symbol of purity, innocence and power in Celtic mythology. Legend also tells that their horns can purify poisoned water, such is the strength of their healing power.

Kindy Gym Community Christmas Party 2020

What a way to end 2020! After all the Covid restrictions in the year that was, it was so lovely to have a party and enjoy the Christmas festivities. Thanks to all the Kindy Gym participants for your patience this year, it has been challenging at times but we managed to pull through and adapt when opportunities arose. One of these adaptations was running an open court instead of Kindy Gym as such, therefore thank you to Gabi and Judy for stepping in and running these more informal but just as fun sessions. We are also very grateful to the Shire of Shark Bay for giving us the opportunity to get all the new equipment and assist with Christmas party costs through their Community Assistance Grants.

We say farewell to four of our members who are moving onto pre-primary next year. All the very best on your school journey to Liam, Amayah, Jasper and Cason. We will miss you!

The party was well attended with 40 adults and 29 children joining in the festivities. The Christmas party was made extra special by having Nana's, Aunties and Dad's coming along to join in the fun. After a play in the courts on the equipment, discovering all the new toys, doing some Christmas craft, we had a little graduation presentation for those who are going to pre-primary in 2021. This was followed by a delicious morning tea and then we had a special visitor arrive in style - on a fire truck! Santa came

to hand out the presents to all the children, with some being shy of Santa than others and we had at least five babies meet Santa for the very first time. A huge thank you to Shark Bay Fire and Brian Child for helping Santa arrive on time. Thanks to the helpful Shark Bay Youth Group members Rane, Tiah, Telleisha and Chloe. Laylah for taking all the photos and also, to these wonderful helpers... Brad, Jamie and Judy (along with Katie who held up the fort in the office) ... a big thank you!!

Have a fabulous Christmas break, stay safe and can't wait to see you back at Kindy Gym next year!

Shark Bay Fishing Club

The Shark Bay Fishing Club had another pending state record monster fish weighed in on our calibrated scales. On Monday the 14th December the crew from the boat Deep Penetration weighed in a 10.70kg gutted and gilled mullock. The 17 year old junior spearfisher Josh Lockett was thrilled with his catch which was speared in the waters at Steep Point. Josh and his family will be submitting all the required paperwork, photos and evidence to secure this junior state record. Congratulations.

Spearfishing is a 'selective' sport and the Shark Bay Fishing Club encourages participants to take only enough fish for ones immediate needs whilst respecting the marine life encountered. We support safe, sustainable selective seafood practices within the sport.

How many species of seagrass are there?

Shark Bay (Gathaagudu) has some of the largest seagrass meadows in the world. There are approximately 4,000 km² of seagrass meadows. The widespread seagrass meadows are home to the largest dugong (wuthuga) population in the world (more than 11,000 animals). The seagrasses also provide food and shelter for many other species, from the smallest microscopic organisms living in the seafloor to large marine animals, such as turtles (buyungurra) and dolphins (irrabuga).
