## Get Online Week

The Shark Bay Community Resource Centre (CRC) has applied for grant funding through our partner the Good Things Foundation and the Be Connected Network to host a Get Online Week activity between the 19th - 25th October. We are keen to host a "Lets get Dancing" session, using various forms of technology, accessing the internet to watch and learn different types of performing arts dancing.

Participants will at the end join together and perform their own dance routine which may include line dancing or a style of dancing of their choice. CRC staff will assist to record their performance and upload it to the internet using a web-based video tool (eg: YouTube, Tik Toc etc) or even send it via a email or link to family and friends.

Should our application be successful, we plan to host this activity at our weekly Friendly Hub session on Wednesday 21st October from 10.30am to 1.30pm at the Shark Bay Bowling Club. A sausage sizzle lunch will also be provided. Don't worry to much if you aren't keen on dancing, as we need people to assist with the recording and filming.

## Mental Health Week

Staff have been working on developing a Mental Health Week activity here in Denham in partnership with our local Shire of Shark Bay and the Shark Bay P&C Association. We are in the early stages of planning, however our vision is to hold a car rally around the area with a small donation fee expected per car, with all proceeds donated to the Shark Bay P&C Association. The event will be held on Saturday 10th October and will encompass trekking around the wider Denham/Monkey Mia area.

Following the car rally, a quiz night is also being finalised so keep your eyes and ears open for futher information closer to the date.

## Rec Centre hours

The courts are open Monday and Wednesday's after school if any adults or kids are keen to come for a play. Kids are currently enjoying rollerblading and roller skating around the courts however we welcome impromptu games of basketball, netball or any sport.

Gabi has started a sports morning session on Tuesday's from 9am - 11am, with parents welcome to bring along their small children. It's a chance for our mums and dads often restricted at home with young children to participate in some social active sports sessions. Any adult is welcome to come along (not just parents with young kids) otherwise you're welcome to pop in for a game of badminton Monday nights or indoor soccer on Wednesday's, both from 6.30pm. Equipment is provided.

## Jobs and Skills Centre Midwest

Community Resource Centres across the state continue to support Jobs and Skills Centre outreach services to benefit jobseekers in regional Western Australia.

What our CRC is doing;

- providing the public with access to the Western Australian Department of Training & Jobs and Skills Centre.
- providing a video-conferencing room is available for Jobs and Skills Centre client consultation and/or employability skills Training purposes.
- free access to career research web facilities.
- free access and advice on video-conference if they need to use them.
- access to career profiling software (Online card sorts or Career Works).

The CRC encourages members of the community to access the Jobs and Skills Centre services available through our CRC, as its free and an important measure to ensure residents in regional areas of the State have greater equity of access to this valuable service.

# Shire President's Report - August 2020

## Shire Budget and Economic Status

During a recent budget workshop, councillors endorsed the Shire's 2020/21 financial budget which was developed

after careful consideration of the economic conditions associated with the past six months of the Covid-19 pandemic, which are likely to continue for some time to come.

In March, Council resolved not to increase the rate in the dollar nor increase any fees and charges during 2020/21. Which means that ratepayers will not see an increase in their rates for this financial year. To achieve this objective, without significantly reducing the services provided to the community, we've focused on operational expenditure and ongoing maintenance commitments to infrastructure and plant, which will assist us to maintain service delivery levels to the local community.

Given the current economic conditions and the future uncertainty, I acknowledge the excellent work by the CEO to deliver a budget which has increased reserve funds by almost \$500,000 from the 2019/20 balance, without reductions in service provision to the community.

## Increased Visitation to the Bay

There has been a huge influx of visitors to the Bay over the past few months and with the continued WA border closure, this is likely to continue to the end of the year and even beyond. The positive is that there are now heaps of WA visitors checking out the amazing natural assets that Shark Bay has to offer. This is also a major boost for our local businesses and the economy.

The down-side of the increased number of four-wheel drive vehicles is added pressure on areas of the landscape, with many new tracks being created. It is also impacting our local fish stocks, with fish waste averaging 1,000kg each day during the July school holidays.

The following statistics tell the story!

Accommodation has been around 65% capacity since the internal WA travel bans were lifted and during the July holidays it was at 100%, with between 65-70% per night since then. The September school holidays are currently at approximately 90% booked, with the Christmas period filling fast.

Common enquiries at the Discovery Centre are around camping/accessing national parks, camping in Shire campgrounds, tour availability and bookings. WA tourists generally have their own recreational vessels and 4-wheel drive vehicles, do without international tourists, this has resulted in a change in the visitor demographic and market for this time of the year.

## Shark Bay Community

Although it's more difficult to adhere to the COVID health rules and regulations with so many visitors to the Bay, I urge you where possible to implement them to keep our community virus free so we can continue to enjoy the freedoms not afforded to less fortunate residents in the Eastern States. Please keep up the good work to ensure we all stay safe and healthy.

# Shark Bay School News

Shark Bay School is a caring community in a unique cultural and natural setting in which we unleash our students' full potential' is our vision across the school. This term we have been seeing lots of examples of both care and achievement as well as celebration of our special cultural and natural environment.

Attendance last term was fantastically good. We want the best for every student and every day counts. All students should aim to be at school for over 90% of every term to achieve expected progress, so can really only miss a few days each term to achieve that. We're keeping up our extra vigilance on cleaning and handwashing and hoping to help keep the colds at bay. Your child's teacher will be in touch if they are absent and we'll do all we can to minimize any 'falling behind'.

This term has also seen a refreshed Reading focus in our classrooms so we hope your children are nagging you to hear them read, and read to them, all the time! Bookweek was a great celebration of the joys of reading and we thank Mrs Feist for organizing the events. The dress-up parade was quite spectacular.

## NAIDOC Day Celebration

Shark Bay School's Aboriginal and Islander Education Officers (AIEOs) Ms Wear and Ms Bellottie lead our school in reflecting on the school's performance with regard to the Aboriginal Cultural Standards Framework and in planning events celebrating local culture and heritage for the whole community. We decided to celebrate NAIDOC earlier than the official date this year, holding a special Assembly and afternoon of activities on 31 July to launch Malgana names for our school factions, Thaaka and Irrabuga. It was fantastic to have respected community members join us and to share knowledge of local culture and the natural environment.

Certificates were awarded at the NAIDOC Assembly to Liam, Oliver, Noah, Lilly, Darcy, Rory R, Ben, Savannah, Kade, Telleisha-Rose and Rory P.

Students in LB2 have enjoyed an additional session of learning with Mr Cross who kindly visited class on 18 August and shared stories of the local area and some precious ancient Aboriginal artefacts with the students. Wendy Payne, from Parks and Wildlife, visited school on August 12th with an amazing collection of scientific artefacts especially created to assist our students' learning. Scientists at Murdoch university have prepared skulls of animals being re-introduced onto Dirk Hartog Island and the children were fascinated to hear about the specialisations each animal has for its particular niche in the environment.

## Stephen Michael Foundation

We were glad to welcome the Stephen Michael Foundation for a day of football training for all students on 12 August. They'll be visiting again in week 8, when we hope that Useless Loop will send some students to join in as well.

## Year 1-3 Assembly

Our second Assembly of term was held on Wednesday 19 August by our Year 1-3 class, with a theme of Community Helpers. They all looked great in their special hats and did a great job singing. Certificates were awarded to Shanel, Acacia, Finn, Ashayah-Lilly, Brody and Soren.

## Science week activities

We followed our midweek assembly with an afternoon of ocean-themed activities led by Mr Riddick and Ms Kay for Science week. Thanks to all the parents who stayed to take part and help the students with sailing boats, a robotic submarine, painting, 3-D drawings, and experiments using eggs, shells and crystals.

## Staff news

Congratulations to Miss Bec on her nomination as WAECSSA Outstanding Administrative Support Officer Award 2020. We know we have an extra-special MCS and it is good to have a chance to acknowledge her

# Shark Bay School News

for all she does. We will be sad to say goodbye to Mrs Feist and her family when they move home and school midterm. We appreciate all Mrs Feist's work as an EA, Library Officer and School Council member and wish the family all the best for their move. We've been glad to welcome Ms Tegan Kay as our Secondary Teacher for this semester while Mr Copeland is on leave. Ms Kay and her dog Midnight have been quick to get to know the community and get involved and at school she has plans for building robotic submarines with her students.

## Clubs

This term has seen lunchtimes enlivened by Lunchtime Clubs - Monday Football with Mr Riddick, Tuesday Art with Ms Cooper, Wednesday Drama with Miss Bec, Thursday Coding with Mr Riddick and Friday Gardening with Mr Riddick.

## Council

Council met on Tuesday 18 August and discussed the School Dress Code and the school's strategies for continued improvement. The Council thanks outgoing staff member Anne Feist. Jamie Burton and Rich Butterworth were elected to existing vacancies on the Council and Jamie Burton has been elected Chair.

## School Opinion Survey

Our annual School Opinion Survey is now open for this year until 4th September. While we welcome feedback and suggestions at any time, and always have a feedback postbox in reception, this is our formal request for your thoughts on what's going well and where we can improve. Parent surveys can be completed online <https://www.schoolsurvey.edu.au/s/SharkBaySchoolParentSurvey2020> or hard copies are available in reception. We're hoping for a really high response rate, so please take the opportunity to contribute to the school's continual reflection-improvement cycle. Thank you.

Enquiries are welcome at any time.

## Do you have Country Ambulance Cover?

## St John Ambulance Shark Bay Sub Centre

**Should you need ambulance transport, even a short ride could cost you hundreds of dollars! Unfortunately, the cost of ambulance services is not covered by Medicare, Healthcare Card, Pharmaceutical or Pensioner Benefit Card holders.**

**Annual Memberships are available for \$74 for Single(\*) and \$123 for Family.**

Your membership directly supports the local ambulance service and helps to provide these vital ambulance services in your local community.

By taking our St John Country Ambulance Cover you also assist with the delivery of first aid services in your local area including:

- regular community first aid courses
- ready access to first aid kits and supplies
- first aid posts at local fairs, sports and events.

Country Ambulance Cover is a small price to pay for the invaluable services you'll be supporting.

Contact us for your application, email [saintjohns1@bigpond.com](mailto:saintjohns1@bigpond.com) or visit our office 100 Durlacher St Denham Wednesday & Thursday 10am-2pm Tish

**(\*) This amounts to a little more than \$1.42 per week for a single or 20 cents per day.**

Most pensioners over 65 are covered (please check your eligibility).

# Shark Bay Bridge Club

We usually have our annual Bridge exchange with Geraldton in May every year. That did not happen this year due to obvious reasons, but we were lucky that we still could organise it this year in August. On the 11th of August we had about 15 people from Geraldton travelling up and we had a nice welcome dinner at the Old Pearler. It was a good chance to catch up and get to know the competition.

On Wednesday and Thursday, we had our Bridge Tournament at the Boolbardie Country Club, all playing visitors were conveniently transported by Julie Robins in the Community Bus which the Shire made available for us.

Both days were classified as different events and the result on both days was hugely different. On Wednesday the winners were: Lesley Watson and Maureen Knight (Geraldton) and runners up: Wilanda and Johan Bakker.

Thursday's winners, the wooden spooners from Wednesday, were Margaret and John Potter (Geraldton) and runners up Maureen Knight and Brian Baldock (Geraldton).

Many thanks to the Boolbardie Country Club for the use of the venue and to the Shire of Shark Bay for the community bus as well as the community grant, which we received earlier this year for a new computer and bridge tables.

The Shark Bay Bridge Club meets twice a week at the town hall on Monday and Friday afternoon at 1pm – visitors and new players are welcome.

## Shark Bay Youth Group's Meals on Wheels

On Saturday 15<sup>th</sup> August Shark Bay Youth Group spend a full day cooking some wonderful food for our Seniors. They were presented with a three course meal; Creamy Chicken and Vegetable Soup, Butter Chicken with Basmati Rice and Apple Crumble and Custard.

A BIG thank you to Jo for the fantastic teaching and skill building and to Natt, Janet and VeeJay for helping with the deliveries.

Special mention to our youth: VeeJay, Jennifer, Nicole, Kyle, Laylah, Alirah, Jacob, Chloe, Telleisha-Rose, Tiah, Rane, Joshua & Emily. You all put in such a huge effort, well done!

# NETBALL CHALLENGE

Shark Bay Youth Group hosted an awesome a 4 Week NETBALL Challenge over July/August.

We had three teams with a total of 36 registered players.

Teams played each other over three weeks with Thursday 20<sup>th</sup> August being the Grand Final.

Team A (Shark Bay Youth Group) and Team B (Fever) met for a thrilling game of skill, ability and competitiveness.

Team B had a decisive win scoring 29 to 17. Congratulations to: Anne, Bryan, Jacqui, Chelsea, Sharna, Travis, Jamie, Mick, Bec, Tegan and Rory on your win.

A big thank you to our UMPIRES for the event: Trisha, Natt, Tegan and Kellee - we couldn't have done this without you!

Special mention to all our players:

Team A - VeeJay, Jennifer, Nicole, Laylah, Michelle, Kyle, Jacob, Alirah, Claire, Richard, Daisy & Dave.

Team C - Candice, Donny, Dylan, Natt, Kat, Nathan, Chelsea, Tegan, Russell, Alisha, Bryce, Shontae & Angus.

# SES Shark Bay

Well here we are, in August already – only 4 months to go and it's Christmas.

There was a lot of training on offer in our region over the past month. Many members took up the opportunity and attended courses of their choice.

- Terry, Joe and Marigula visited Kalbarri to do continuity training in single rope rescue/rope rescue systems and vertical rescue.
- George and Katie, learnt how to be part of a Search Team, when they attended a Search as a Team Member course that was held in Geraldton.
- Trainer/Assessors – Steve, Tom and Steve came to our home turf to educate Derek, Patricia, Katie, Marigula & Terry in the correct procedures and terminology when using the various types radios. They covered UHF, VHF, WAERN's and HF Bands.
- Unit Leader Joe, travelled to Geraldton to attend two different types of training - Incident Control Vehicles, and a very intense Public Information Officer course.

COVID-19 even has affected our organisations training calendar. Normally courses are held in the town where the most nominated participants are from. With the current restrictions of travel been lifted, accommodation has been very hard to source. Therefor course destinations have been constantly changing.

Thanks to all those members who were able to attend the courses on offer.

For those who are unaware. These courses are valuable for not only SES deployments, they are so important for our everyday life skills. All courses are run by DFES, they cost the participant nothing other than their time. All travel, accommodation, meals, PPE etc are catered for.

## DEPLOYMENTS:

We have had only one deployment over the past month. Police requested us to assist them to extract a family from the Herald Bight area. After several phone calls, we were stood down as the people concerned decided to stay the night and make their own back to town the following day.

Training is held on the first 3 Mondays of the month. 5pm at the Emergency Precinct building (Dampier & Durlacher corner). For more information call Unit Leader "Joe" 0419 902 895.

## Boolbardie Country Club - 2020 Denham Open 15-16 August 2020

As a result of the COVID19 pandemic, the 2020 Denham Open, normally held in June, was indefinitely postponed and it was feared for a while that 2020 would be a year without a Denham Open. However, with promised support from the Carnarvon Golf Club, the club members and volunteers rallied around and put in a lot of effort preparing the course and equipment for the Denham Open. Luckily, rain came in July and August and was just the tonic for the fairways and greens which were in great shape for the Open.

A total of 37 players consisting of 9 ladies and 28 men including 23 players from Carnarvon competed in the Open which was a Stableford competition. Day one saw some good scores despite high winds and rain late in the day. Leaders on Day 1 were Miles Hurinui (2019 Open Winner and ex Boolbardie member) and Christine Galvin with 37 points and 34 points respectively.

Everyone had a great Saturday night! Tasty food was prepared and served by Chris Ashby, Luana Blennerhassett and Janet Parry, while first-rate entertainment was provided by Miles and Mary with some memorable sing-alongs especially by the Carnarvon ladies.

Day Two was a fine day and after a great breakfast cooked on the BBQ by Kevin Blennerhassett and Tim Winship, the field teed off at 8:00am. In the men's competition, it seems that Saturday night's entertainment took its toll on some of the close contenders. Miles shot 33 stableford points for a weekend total of 70 points to narrowly hold his place to win the men's competition, with Cory Lind (68 points) in second place. In the ladies' competition, Boolbardie's Jill Hill shot a fine 32 points to draw level with Chris Galvin on 62 points over the two days. Jill won on a countback.

Open Winners Miles Hurinui and Jill Hill with Captain Colin Ashby

The prize winners were:

	MEN	LADIES
<b>Overall Winner</b>	Miles Hurinui	Jill Hill
<b>Runner-up</b>	Cory Lind	Chris Galvin
<b>Third Place</b>	Albert Radze	Carol Dale
<b>Stroke Winner</b>	Greg Rose	Kim Faithfull
<b>Longest Walker</b>	Garth Stalker	Rita Byron
<b>Best Saturday</b>	Deane Wiggins	Jill Deschamp
<b>Best Sunday</b>	Wally Dale	Sue Aiken
<b>Novelty Awards</b>		
<b>Longest Drive</b>		
<b>Saturday</b>	Mick Parry	Jill Hill
<b>Sunday</b>	Cory Lind	Rita Byron

<b>Saturday</b>	Bill Webb	Unclaimed
<b>Sunday</b>	Unclaimed	Unclaimed
<b>Longest Putt</b>		
<b>Saturday</b>	Miles Hurinui	Jill Deschamp
<b>Sunday</b>	Les George	Chris Galvin

The main prize in the raffle, a two-night accommodation package at the Monkey Mia Dolphin Resort donated by RAC, was won by Wally Dale.

The Club wishes to thank our sponsors for their valued assistance and support in contributing to such a memorable weekend. Those sponsors are:

RAC Monkey Mia Dolphin Resort	Luscombe Syndicate
Blue Dolphin Caravan Park	Shark Bay Fish Factory
Shark Bay Shire	Shark Bay Hotel
	Water Corporation

The Club is also very grateful to those volunteers who helped prepare the course and equipment, preparing the food, running the bar and many other large and small tasks which go on behind the scenes and make the event run like a well-oiled machine. And a special thanks to our volunteer bus driver Julie Robins for her tireless work ferrying golfers to and from the golf course.

Remember that the usual golf events continue as always being 9-hole stableford competitions on Wednesday and Saturdays with registration starting at 1:30pm for a tee-off time 2:00pm. Visitors are welcome to play the course any day at a cost of \$5 to play 9 holes. On scheduled event days motorised buggies can be hired at \$5 per person for 9 holes.

Hope to see you out at Boolbardie soon!

## Club Meet - 8th August

We've kept the motors running as we ran our 3rd Club race meet for the 2020 season. To spice up racing we welcomed Geraldton F125 drivers in both juniors and senior classes to compete as well as show case their cars for the day.

Running 2 stroke engines, these little cars (Quarter Midgets) are similar to a go kart, however are a smaller version of a Wingless Sprint car. 3 generations of drivers came from Geraldton along with their 12 cars. 2 drivers were the number 1 and number 2 junior drivers in WA!

A big thanks to our sponsors, for this meet, Carnarvon Motor Wreckers, Denham Seaside Caravan Park and our local ACDelco battery dealer Shark Bay Services for supporting our Club. Results are as follows;

### New Stars Trophy Day

- 1st Vince Lindsay
- 2nd Ella Ricetti
- 3rd Jacob Bell
- 4th Beau Morgan

### Production Sedans Trophy Day

- 1st Dave Herbert
- 2nd Jimmy McGiveron
- 3rd Dave Harrower
- 4th Kevin Williams

### Junior F125s

- 1st James Berry
- 2nd Hannah Berry
- 3rd Hailee Berry

### Senior F125s

- 1st Darcy Auld
- 2nd Julianne Auld
- 3rd Chris Berry

## Carnarvon Speedway

You might not be surprised to learn that our local Speedway drivers continue to also support the Carnarvon Speedway Club at each night race meet they hold.

A large entourage of cars, drivers, crew and their families headed to Carnarvon for the 15th

August to race on their clay track. Unfortunately the rain postponed the nights meet which was organised for 10am on the next day (Sunday).

The racing was extremely exciting as 3 local drivers Bryan Riddick, Greg Hewitt & Shaun Burton contended in a Le Mans start for the Laurie Ladhams Memorial Street Stocks trophy. The days racing juniors which included Ella Ricetti, Rory Reynolds, Kaylee Francis, Beau Morgan and Tayla Burton were asked to assist other Carnarvon junior drivers with the Le Mans start, acting as runners on the infield to tag the Street Stock drivers waiting patiently in their cars to start racing. Unfortunately our Club drivers didn't claim a podium finish but definitely had some fun racing in muddy conditions.

In true form Mr Riddick enjoyed the circle work during racing on the wet slippery clay. Clay was sprayed all over the place, and he did often find the infield puddles during racing to give his car a little underbelly wash. Shaun also became unstuck on numerous occasions, however Greg Hewitt proved with his years of experience he could handle the wet slippery conditions and contend for the days trophies finishing in 4th place.

Our junior racers as individually mentioned above also put on a spectacular show. Ella Ricetti claimed her first feature win and was a very well deserving winner battling it out for 1st and 2nd all day against Beau Morgan. Beau didn't like being overtaken by his classmate Ella and at one stage in heat 3, came around corner 2 low which didn't pay off. His tyres dug into the wet clay and caused the slowest and safest

rollover we have ever seen. Beau was completely uninjured and came out in the final feature completely unfrazzled. It was a very valuable learning experience for Beau and all our junior drivers to learn how to handle their cars in wet mud as well as what is expected when the red flag and red lights come on.

Rory and Tayla also had their own little battles with each other all day as it was tik for tak for placings. At one stage we had cars 4 wide coming around the corners. Kaylee on the other hand got faster and faster each heat so look out juniors for Cheeky in 2021! Her fastest lap times were;

Heat 1 - 33.884, Heat 2 - 29.752  
Heat 3 - 28.586, Feature - 27.844

## Final Club meet & Presentations

We look forward to seeing you all at our last 2020 race meet on the 5th September. All racing divisions will be racing however it will be our Wingless Sprint drivers Trophy day so we look forward to some very experienced drivers mking the trek to Denham.

Following our days racing everyone is invited to come along to the Bowling Club as we will be holding out annual presentation night. Throughout the year, the drivers have been accruing points for each race they participate in with placing tallies totalled at the end of the race season for the prize night. Prizes for our Race Day Volunteer of the year as well as Club Person and Most Improved Driver are also awarded.

Tickets for the presentation evening are on sale at the CRC, \$10 for adults and \$5 for school aged children. Support our local drivers

and come along and enjoy the awards, dinner and live entertainment!

*Cheers

## Amazing

It's hard to believe it is September already. Acting Chairman Tony Shkardoon was reporting at the August AGM to the Committee that so much had been achieved by so few in so little available time. Tony thanked members for the hard work and persistence during our Covid lockdown and pointed to such positive outcomes as the Council grant used to purchase largescale equipment, the trade-offs which gave the shed a small generator, the tasks performed for local individuals, businesses and Council as well as the success of the bicycle Pop-Up shops and on-going interest in the Shed as a source of repurposed bicycles and bicycle repair. The Treasurer's report was presented by Geoff Howse. There was a modest increase in funds mainly the result of donations. The Treasurer pointed out that more significant work would need to be undertaken when the team had its own shed with responsibility for power and water costs.

Deb Wilkes declared all positions vacant and the following people were elected:

Chairman and Treasurer: Geoff Howse

Vice Chairman: Tony Shkardoon

Member: Carlos Elissagary.

The Secretary's position was not filled at the stage.

The new Chairman took control of the meeting and it was decided that a modest membership fee of \$10 be set for the coming annual membership fee. The meeting closed with the Chairman thanking all for their attendance.

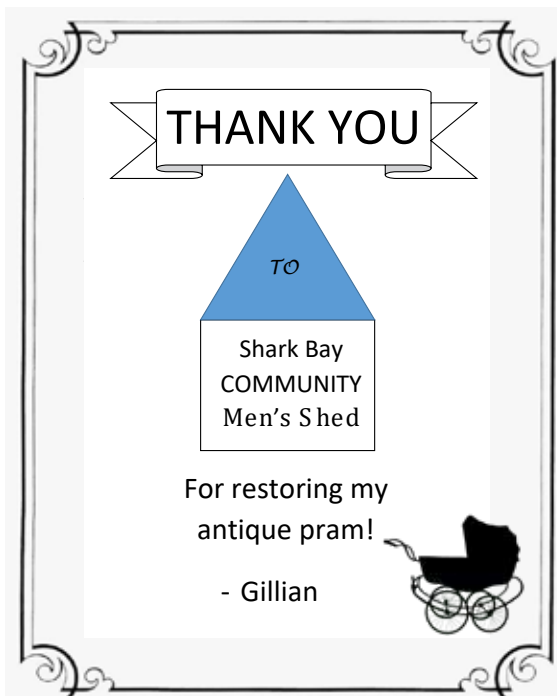

## Hughes Street Bicycle Annexe Closed

Sadly locals and visitors will be unable to take bicycles for repair or restoration to 16 Hughes Street which has been operating as an Annexe of the Shed. David has the required paperwork required to return to Queensland and is in the process of loading the Cruze and the EH for transcontinental trips. The Cruze will go first while the EH will wait for border openings and a somewhat more relaxed trip across the country at some time in the future.

## Thanks

Thanks to all the people who have in some way or another been involved with me in the Shed over the past 18 months. I have ended up either learning new skills or refreshing ones lying dormant for many many years. It has been an interesting and exciting ride. I am looking forward to remaining a member albeit from a significant distance. There is a very exciting year ahead for the Shed and its members.

**Pavers:** Have you seen the Pavers that have been laid over near the vegetable garden Kindy carpark? They look fabulous. A big thank you to Jamie Burton for laying them, whatta champ.

**School Lunches:** On Friday the 21st of August, Anne and her helpers served up a delicious morning tea and lunch as part of one of our regular fundraisers. A big thank you goes out to Anne, Sharna and Katie for delivering the goods that day.

**Fathers Day Raffle:** The P&C will be having another one of our awesome raffles on the Fathers Day breakfast Friday the 4<sup>th</sup> of September. Tickets will be on sale for \$2 each and drawn at 9am. Thank you to all of our wonderful sponsors.

### **Athletics Day Carnival Raffle:**

There was over \$700 worth of prizes up for grabs with this popular fundraiser. We would like to send out a massive thanks to all of our wonderful sponsors that contributed to this raffle: The Old Pearler, Surf n Dolphin, Denham Waterfront Hotel, Shark Bay Speedway, Shark Bay Hotel.

### **Blind Footy Tipping:**

The footy tipping table has been updated. It is still a very close race but every week changes in regards to who is on top of the ladder. It looks like our halfway winner is now on top of the ladder, Dianne Perich is on a pretty good steak at the moment.

Dianne won \$31 at the halfway mark last month. Congratulations Di!

### **Farewell Anne:**

The P&C sadly says goodbye to another Executive member. Anne and her beautiful family are leaving the remote Denham beaches for the bright lights of Perth city. Thank you for all that you have done for our school community Anne, we will miss you.

**Meeting:** The next meeting will be held in the School Library on the 2nd September @ 4:15pm. All welcome.

# Regional WA records some of the highest application rates for JobKeeper in the country

According to Federal Treasury data, five local governments - Exmouth, Shark Bay, Dundas, Augusta-Margaret River and Denmark - had 50% or more businesses apply for the payment. That was the highest number of all the states and territories.

In comparison, Queensland had only two shires where 50 per cent or more of their businesses applied, followed by New South Wales and Tasmania, which each had one.

The Shire of Shark Bay in WA's Gascoyne region was ranked third in the country for the percentage of JobKeeper applications - 63% of businesses applied for the payment.

Byron Bay in NSW took the top spot at 67 per cent.

## Tourism impacted

The report was compiled by economic and demographic specialist company REMPLAN, which analysed postcode data released by the Federal Government.

Information sourced from online - <https://www.abc.net.au/news/2020-08-23/regional-wa-records-high-jobkeeper-application-rates/12575752>

### Key points:

- Five local governments in WA were in the top 10 for the country's highest percentage of JobKeeper applications
- The Shire of Byron Bay, in NSW, took the top spot for country, with 67 per cent of businesses applying for JobKeeper
- An economist says the data indicates a strong link to areas reliant on tourism

## Shark Bay

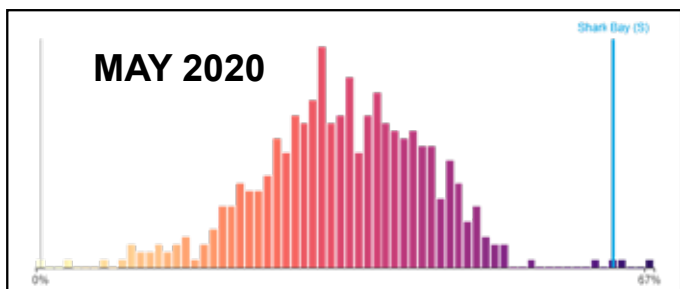

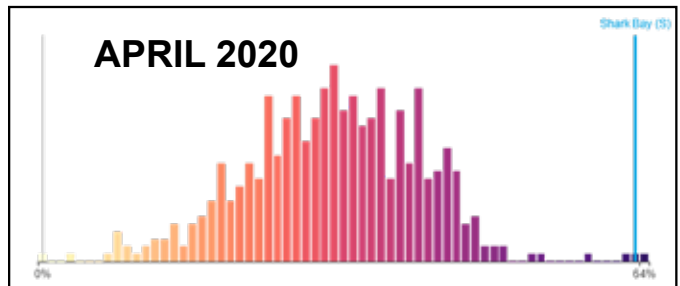

Businesses eligible for JobKeeper have experienced a decline in revenue of at least 30%.

Higher levels of JobKeeper applications are a likely indicator of greater negative economic impacts from COVID-19.

In Shark Bay it is estimated that 63.2% of local businesses have applied for JobKeeper support.

Shark Bay - JobKeeper applications as a percentage of total local businesses:

- Ranked 2 out of 535 local government areas in Australia during May 2020 and ranked 2 out of 535 local government areas during April 2020.
- 1 local government area in Australia has more applications
- 533 local government areas in Australia have less applications.

## **CRITICAL REMINDER**

**For any life threatening emergencies or serious crime/incidents the number to call is 000**

In Shark Bay many people have a tendency to call the local agency direct or private phone numbers of volunteers when requiring urgent assistance. Please be aware, this does not make response faster, in fact it delays the response time of emergency services as a response team can not be dispatched until the central command centre has directed them to do so.

Please call 000, response will be faster. When calling 000, it is also important to remember that the operator will ask you the following questions, which will aid them in assisting you as fast and efficiently as possible.

## University of Western Australia research shows WA has natural tsunami protection

New research shows the unique features of the Indian Ocean provide south west WA with natural protection from tsunami waves. The UWA research showed natural topographic features play a critical role in shielding towns between Geraldton and Busselton, where more than 90 per cent of the WA population lives.

The WA coastline experiences tsunamis through underwater earthquakes originating from offshore Indonesia from the Sunda Trench in the Indian Ocean. Professor Chari Pattiaratchi from UWA's Oceans Institute carried out a range of earthquake simulations to understand how tsunami waves move in the region. The study was published in the Journal of Marine Science and Engineering and examined the role of the surface and subsurface ocean topography that influenced tsunami wave heights, speed and direction.

Professor Pattiaratchi said the ocean features, seamounts and plateaus, including the Cuvier and Exmouth plateaus, acted as a natural shield by deflecting the tsunami waves. "These ocean features influence the energy distribution of a tsunami following an earthquake event," Professor Pattiaratchi said. "If one of these features is struck, the tsunami will dissipate and scatter energy and reduce its impact on the south-west.

"However, locations to the north of Shark Bay will experience higher waves." Professor Pattiaratchi said the offshore features each played a unique role in scattering and refracting the tsunami waves. "For instance, the Exmouth plateau acts as a focusing feature to increase wave heights between North West Cape and Barrow Island while the Cuvier plateau deflects the wave energy towards the coast at Shark Bay," Professor Pattiaratchi said. "It's critical to understand how tsunamis travel in order to implement effective tsunami warning and mitigation."

Be proud of our Denham community – They are awesome!

Background story: Recently I noticed an expensive child's scooter that I had purchased from "Scooter Hut" was missing. This scooter was purchased for our grandchildren to use, who not only live here in the bay but also visit from outer town regularly on the school holidays.

It was published missing on local social media sites, questioned around town and also reported to our local police. Unfortunately without a positive outcome.

Today, I had exciting news. I received a phone call to say it had ben found. I cannot thank Miss Bec and Miss Natt so much, for all their help in locating it. The scooter was used by a young member of our community who is still learning and understanding that sometimes items belong to other people.

We should all be proud that we live in a small community and care for each other. We not only look out for each other without interference, but if something isn't right it is corrected.

Thank you very much to that young person who returned the scooter to us, it is very much appreciated from Nanna Jude and Grumps, we are proud of you for handing it back.

# CRC EDITORIAL POLICY & ADVERTISING

## EDITORIAL POLICY

The Inscription Post is produced monthly by the Shark Bay Community Resource Centre in good faith as a means of providing information to the community and to promote the Shark Bay area positively.

An Editorial Management Committee of the Inscription Post has been delegated the

responsibility of the editorial role of the Inscription Post and is supported by the Management Committee. All materials submitted by the community are to be factual and non discriminatory. The Editorial Management Committee has the right to edit any items submitted for print, including abbreviating, spelling, grammar and also may

withhold or not print at all, any material considered unsuitable or offensive with no explanation needed.

We are more than happy to accept articles free of charge (subject to the Editorial Management Committee's approval), but limited space is available, so please keep submissions short – a maximum of one page unless

prior approval is granted by the Editorial Management Committee. The author's name must be supplied for any contribution. The articles printed in the newsletter do not necessarily reflect the views of the Editorial Management Committee, staff or volunteers or management committee at the Shark Bay Community Resource Centre.
